Hoover And Baker Speak To Relief Workers Who Are Gathered At Capital

Hoover Asks Organization to See That No Persons Go Hungry or Needful In Winter

SPEAK FROM LOFT PLATFORM ON LAWN

Rows of Temporary Seats Which Form An Amphitheatre Are Provided For Persons Gathered From All Parts of Country At President's Request

Washington, Sept. 15.—(AP)—President Hoover today charged a distinguished gathering of relief workers with the duty of seeing that no man, woman or child should go hungry or unsheltered during the approaching winter.

In reply, Newton D. Baker, chairman of the National Citizens Committee of the Welfare and Relief Organization of 1932, told the chief executive he felt sure there would be no Federal contributions already made "a donation from every private resource."

The President and Baker spoke from a loft platform, erected on the South lawn of the White House.

Rows of temporary seats forming an amphitheatre under which sat relief workers gathered from all parts of the country at the President's request. They composed the National Citizens Committee sponsoring the organization.

Storm of Protest Breaks In Virginia On Truck Decision

Richmond, Va. Sept. 15.—(AP)—A storm of protest broke over the Virginia capital today as the result of rulings issued to operators of motor trucks carriers attempting to cross the bridges of the highway system in excess of the posted capacity. The warnings were issued to the operators in the form of pickets and recently installed weighing machines at the bridge entrances showing that their loads were in excess of the bridge capacity.

Fire Breaks In Library Of N. C. C. W.

Firemen State That Most Damage Was Caused By Water And Not By Fire

Greensboro, Sept. 15.—(AP)—Fire of undetermined origin broke out in the library of the Women's College of the University of North Carolina here today. It was brought under control after damage, as yet unestimated, had been caused.

The blaze originated on the first floor, went up an air shaft and spread over the second floor, where many valuable books were on reference shelves. College authorities said the damage to the building itself would be slight compared with the damage to the books. It was not known immediately how many volumes were on the second floor, but on the first floor where the water fell the firemen brought the blaze under control there were 75,000 valuable books.

Probable Legion Commander

LOUIS A. JOHNSON
Clarkburg, W. Va.

Louis A. Johnson, of Clarkburg, W. Va., this afternoon appeared the probable choice of the American Legion convention in Portland, Oregon, for national commander during the coming year, succeeding Henry L. Stevens, Jr., of Warsaw, N. C.

SIX OFFICES WILL BEGIN FUNCTIONING

The Work of Making Loans Will Probably Get Under Way In Two Weeks

Washington, Sept. 15.—(AP)—Several agricultural credit corporations in six branch offices will be ready to start functioning tomorrow. Appointment announced yesterday of managers, board of directors and committees to operate the farm loaning agencies of the Reconstruction Finance Corporation are effective on September 15. The appointed officials are expected to get together immediately and complete their organization.

The work of making loans, it was stated at the Reconstruction offices, probably will get under way in two weeks. The agencies will operate largely with volunteer workers. The only salaried executive officers will be the managers of the offices. The board of directors and the committees looking after the branches will receive only expenses and a per diem for the actual time spent attending meetings.

BRITISH WILL SEND GANDHI TO PRIVACY

London, Sept. 15.—(AP)—The British government has decided, it was disclosed today that as soon as Mahatma Gandhi begins a hunger strike which he has said he will start on September 29, he will be removed from the Yeroda jail, at Poona, to a place of private residence.

No Hope For Prosperity Seen By Labor Director Unless Wages Remain Up

By CHARLES P. STEWART
Washington, Sept. 15.—"Shortening the industrial day or week or both, at correspondingly lowered wages, to furnish jobs for more hands without increasing payrolls," says Director Mary Anderson of the women's bureau of the labor department, "simply is a method of making the workers solve the unemployment problem at their own expense."
"The day, the week or both," continued Miss Anderson, "must be curtailed to meet existing conditions, but unless it is done without wage cuts, it will accomplish little toward lifting the depression."
"Oh," she admitted, "if the worker, besides supporting his family, has

Long's Man Wins

Overton
Representative John Overton, supporter of Senator Huey Long, defeated United States Senator Edwin S. Broussard in the Democratic primary in Louisiana last Tuesday. Broussard lost out after having been in the Senate many years.

WILL EXTEND RATE FIGHT OVER STATE TO REDUCE PRICES

Charlotte Mecklenburg Organization Out for 30,000 Membership by First of Year

NOT BOLSHEVIKS, SECRETARY SAYS

Want Power Companies To Have Fair Return, But Any Valuation by Corporation Commission Would Be Pure Guess, Mr. Barksdale Declares

Daily Dispatch Bureau, in the Walter Hotel.
By J. C. BASKERVILL.
Raleigh, Sept. 15.—The fight began for fairer utility prices in the city of Charlotte and Mecklenburg county by the Fair Utilities Rate Association there, is being extended over the entire State of North Carolina, according to U. E. Barksdale of Charlotte, secretary of the association. So far the association has a membership of approximately 8,000, but hope to increase this to 30,000 members by the time the General Assembly meets here in January, Barksdale said. He is here in Raleigh organizing the start of a campaign here for members.

"We expect to make a campaign for members in every city and town in North Carolina served by any of the utility companies in the State, in the hope that we may be able to secure the necessary legislation from the 1933 General Assembly to assure all the people of the State of fair rates for electricity, gas and telephone service," Barksdale said.

"We are being represented by the power companies as being 'bolsheviks' and malcontents, merely trying to get the people to become members of the Fair Utilities Rate Association in order to supply a few jobs for a few individuals. But this is not the case. The association has been formed only for the purpose of combating the present practices of the power and utility

been able to save a trifle also, perhaps many expenditures can be stimulated slightly depriving him of his small margin for a savings account, and giving the money to someone else, who will have to spend it—but it will be a gross injustice. It will not restore prosperity for very long, either."
"Probably there are some industries that honestly cannot afford to add to their payrolls in the face of present hard times, even for the sake of their own ultimate advantage."
"But the Reconstruction Finance corporation was created especially to

JAPAN RECOGNIZES MANCHUKUO TO BE AN OFFICIAL STATE

Is Youngest of World's Commonwealths and Born of Successful Japanese Campaign

TREATY CALLS FOR A DEFENSIVE ALLY

Ceremony Is Dull and Listless And Held In Old Administration Building With President, Advisors And Notables Present To Affix Signatures

Washington, Sept. 15.—(AP)—It was said at the State Department today that no immediate steps will be taken by the United States in connection with Japan's recognition and alliance with Manchukuo.

Changchun, Sept. 15.—(AP)—The State of Manchukuo, youngest of the world's commonwealths, and born of the successful military campaign of the Japanese army in Manchuria last fall, was recognized officially by Japan today.

At a drab and listless ceremony in the old Salt administration building here, the president of Manchukuo, officials and their corps of Japanese advisors, Chang Hasi-shu, premier of Manchukuo, and General Nogiuchi Muto, special envoy of the Japanese, affixed their names, using a tip of a pen instead of a pen. The treaty called for a defensive ally between the two states and marked the first recognition of the new nation by a foreign power.

Woman Arrested For Passing Off Counterfeit Bill

Charlotte, Sept. 15.—(AP)—Henry Thomas, head of the United States Secret Service bureau here announced today that Mabel Marie Logan, of Bryson City, had been arrested in High Point on charges of passing counterfeit money.

Thomas said the woman was arrested after she had passed a spurious \$5 bill, receiving \$4.85 in change for it after making a small purchase.

A search of her clothing revealed eight similar bills sewn into the belt of her dress.

Secret service men are seeking the source of the bills. They are working on the theory that they are being sold in this section by the manufacturers who do not try to pass them themselves.

THREE MEN RESCUED IN PAMLICO SOUND

Manteo, Sept. 15.—(AP)—Coast Guardsmen today rescued three men from a 40-mile gale from the east prevented their reaching shore.

Doran Quidley, of Manteo, Bill Boney and Bill Jones, of Pantego, were at the mercy of the storm until a crew from the Pea Island Coast Guard Station discovered their plight.

Out of the War

Comes this new story of the romantic and idealistic girl the world used to know, suddenly transplanted to an atmosphere of the present and stirring the memories of all who see her. It is Margaret Widdemer's latest novel

Pre-War Lady Beginning Saturday
Henderson Daily Dispatch

Missing on Flight to Rome

Above (top) is an excellent picture of the plane "American Nurse" as it left the ground at Floyd Bennett Air-Port, New York, with Rome as its destination. Lower picture shows the three fliers that comprise the crew pictured just before they entered the

plane for the take-off. Left to right are: Dr. Leon Pisculli, of Yonkers, N. Y., Miss Edna Newcomer, Williamsport Pa., nurse, and William Ubrich, pilot. The plane and its occupants are missing and long overdue, after leaving New York Tuesday morning.

Britisher Favors German Equality

London, Sept. 15.—(AP)—Arthur Henderson, foreign secretary in the last Labor cabinet, and now president of the world's disarmament conference, advocated equality of armaments for Germany today in a speech to the National Peace Council.

There is such a volume of opinion among delegates to the disarmament conference in favor of taking immediate steps to meet the German claims to equality that he believes that issue can be settled when the conference meets again, he said.

Mr. Henderson leaves for the conference meeting at Geneva on Saturday.

EVERY MEANS TAKEN TO FIND MONOPLANE

Long Past Due And Last Seen of Her Was 400 Miles Off Coast Of Ireland

Rome, Sept. 15.—(AP)—Every searching agency under the control of the Italian government was set to work today to find the missing monoplane "American Nurse," which had disappeared on a non-stop flight from New York to Rome.

She was due here last midnight with her crew of two men and a woman, but there was no report of the plane after 11:50 a. m. yesterday, when a steamer reported sighting it at 400 miles off the southern coast of Ireland.

As soon as he was certain that the fuel might have been exhausted, even if there had been no accident, General Italo Balbo, the minister for air, ordered all pilots, military and civil, on land and sea, to search for signs of the plane or for wreckage.

Forestry workers, lighthouse keepers, warship and merchantmen, as well as the entire national police force, were instructed to be vigilant.

Episcopalians At Kanuga Re-elect Bishop As Leader
Bishop H. J. Mikell, of Atlanta, was re-elected president of the province for the regular three-year term today as the Synod of Sewanee of the Protestant Episcopal Church approached the close of its biennial session here.

IMMEDIATE CASH SETTLEMENT FOR VETERANS SOUGHT

By Viva Voce Vote, War Department Is Censured for Eviction of B. E. F. From Capital

PRINTED SPEECH BY HURLEY HOWLED AT

Distributed In Each Chair In Envelopes Fearing Government Frank; Louis A. Johnson, West Virginia, Is Probable New National Commander

Portland, Oregon, Sept. 16.—(AP)—The American Legion today adopted a resolution favoring immediate payment of the bonus.

The War Department was censured in a viva voce vote today at the convention. An outbreak of shouting after the voting interrupted proceedings for a time.

The vote was taken after Harry M. Arthur, department commander of South Carolina, lodged a complaint because envelopes containing a speech by Secretary of War Patrick J. Hurley on the bonus marchers had been placed in the chairs of all delegates. These envelopes bore the frank of the War Department.

After Arthur shouted his complaint the convention, by acclamation, declared its opposition to such action by the War Department "or any other governmental department."

The envelopes contained sheets headed, "Statement by the Hon. Patrick J. Hurley, secretary of war, on bonus marchers in Washington."

It repeated in essential details the statements that have come from the administration recently on the bonus marchers and eviction of the veterans by the use of troops.

Louis A. Johnson, Clarkburg, W. Va., attorney, was declared by his supporters to be assured of the post of national commander of the Legion. Henry L. Stevens, Jr., North Carolina, will retire as commander after a year's service.

George Malone, Nevada, and Frank N. Belgrano, California, were still in the running for commander, however. Others of the eleven men who had been advanced for the post were throwing their support to one or the other of the leading trio.

Gulf Storm Moves Over To Georgia

Has Left Little Damage And No Casualties; High Tides In Gulf

Tallahassee, Fla., Sept. 15.—(AP)—A Gulf storm that moved inland over the Florida coast between upper Appalachicola and Dead Man's Bay proceeded on a northeastward course over south Georgia today, but left little damage and no casualties.

Upper Appalachicola reported a maximum wind of 35 miles an hour and minor storm conditions today. Heavy tides were rolling the Gulf, and streams surged with the effect of the rainfall since Saturday. Some houses were flooded but little damage was reported.

Summerville, to the eastward of Appalachicola also had high tides. The winds came from East river, flooding some sections around the town without serious damage. Other coast communities reported somewhat similar conditions.

of the Guilford County Club of Young Democrats near High Point Saturday. Not that it was entirely intended that way, since the Guilford County Young Democrats planned their rally and

YOUNG DEMOCRATS NOW IN 42 STATES

Membership Now Over 600,000, Tyre Taylor, President, Declares

MILLION BY OCT. 15

Movement Has Had Marvelous Growth Since Organization on Nationwide Scale In Washington Last Spring

Raleigh, Sept. 15.—(AP)—During the six months of its existence the Young Democratic Clubs of America, the official youth organization of the Democratic party, has extended its ranks into 42 states and the District of Columbia and now has a membership of more than 600,000. Tyre Taylor, national president, said today.

Taylor is executive counselor to Gov. O. Max Gardner of North Carolina. Temporary national headquarters of the Young Democratic Clubs are maintained here, with Mrs. James Scott as executive secretary.

One of the extraordinary and heartening developments of the present period is the increasing interest of young people in political and governmental affairs, Taylor said as he predicted the Young Democrats would number more than one million by October 15.

In only New Hampshire, Vermont, Delaware, Wyoming, Louisiana and North Dakota is the organization not

Ray of Light In Thomasville Labor Dispute Is Seen

Thomasville, Sept. 15.—(AP)—Indications that a definite announcement of the attitude of striking employees of the Thomasville Chair Company toward returning to work would be made shortly were seen here today when strike leaders held an executive conference with Capus Waynick, editor of the High Point Enterprise, serving as an intermediary in the labor dispute.

The strikers, after holding a number of group meetings, invited Waynick to meet with their leaders. The High Point man was appointed by Governor Gardner to attempt to effect a reconciliation.
