C. W. Gold, Head Of Pilot Life Co., Is Killed Hunting

Well Known Greensboro Insurance Man Is Accidentally Shot In Randolph County

INQUEST CONDUCTED AS FORMAL MATTER

Body Found Beside Barbed Wire Fence; Assistant Secretary of Pilot Insurance Company With Gold At Time; Was 59 Years Old And Leaves Family

Greensboro, Sept. 21.—(AP)—Charles C. Gold, president of the Pilot Life Insurance Company, of Greensboro, was killed early today while hunting in Randolph county when the discharge of a shotgun blew off the top of his head.

His hunting companion, H. C. Summer, assistant secretary of the company, advised relatives and friends of his superior's death.

Mr. H. Summer, coroner of Randolph county, said over the telephone that while he personally considered the death "accidental," he had ordered an inquest as a matter of form.

Mr. Summer said Gold's body was found beside an old barbed wire fence. He reconstructed the tragedy and Gold evidently had attempted to cross the ditch, and his trousers caught in the barbed wire causing him to lose his balance and the shotgun discharged.

Mr. Summer said the barbed wire fence had broken under Gold's weight when the Greensboro man fell through his body perpendicular to the fence. His gun was lying nearby, and the barrel discharged.

The coroner empaneled a jury at the scene of the tragedy and a coroner's inquest had happened to the body. Gold, 59 years old, was a brother of the late D. D. Gold, newspaper publisher and of T. D. Gold, who lives in Florida. His wife and four children survive.

The body was brought here in an ambulance. Funeral services will be held here at 3 p. m. tomorrow.

FOUR-H CLUBS TO EXHIBIT AT FAIR

Daily Dispatch Bureau, In the Sir Walter Hotel, Raleigh, Sept. 21.—Thousands of H. Club members will add interest to the fair next month, announces L. R. Harrill, club leader at State College, who says the boys and girls will exhibit and judge contests in corn, sweet potatoes, Irish potatoes, dairy calves, pigs, poultry and home industries.

Among the outstanding entries to be shown by the club members will be the small fair county corn exhibits. For the club members of a county to compete there must be 10 or more 100 bushels from that county. In addition there will be individual entries. Mr. Harrill says this corn show will be one feature of the fair display.

The calf show is always an interesting feature of the livestock department and Mr. Harrill expects a large number of entries next month.

Seek End Of Walk-Out In Rockingham

W. S. Miller On Scene To Make Personal Investigation For Gov. Gardner

Charlotte, Sept. 21.—(AP)—It was learned authoritatively here today that Governor Gardner has initiated negotiations looking toward settlement of the strike at Rockingham where several hundred workers are on strike.

William S. Miller, personal representative of the governor, passed through Charlotte this morning en route to Rockingham to hold conferences with executives of three plants, which have been closed since the last part of August, when the walk-out occurred.

The strikers say they will not return to work until their union is recognized, and the mill officials say the plants will not be opened if they (the officials) must acknowledge the union.

Miller said Governor Gardner will

Her Error Kills Three

Mrs. Maybelle Viall, nurse attached to the State Hospital of the Insane at Cincinnati, whose error in administering anesthetics for tonsil operations resulted in the death of three inmates, is shown above at the coroner's inquest. Misreading "grains" as "grams", the nurse inadvertently gave the three patients an overdose of novocain. Mrs. Viall was hysterical after learning what she had done.

Moore And Furlong, Sr., Convicted

New Hanover Jury Gives Verdict In Alleged \$25,000 Extortion Attempt

Wilmington, Sept. 21.—(AP)—A New Hanover county grand jury today found Parker Quince Moore, former mayor of Wilmington, and J. J. Furlong, Sr., former Wilmington chief of police, guilty of attempting to extort \$25,000 from Mrs. Jesse Kenan Wise, wealthy Wilmington social leader and philanthropist.

Judge W. A. Devin said he would convene court at 2 p. m. to hear a defense motion to set the verdict aside.

He did not indicate, however, when he would pass sentence if the motion is not granted.

The jury came into the court room shortly after 12 o'clock and asked that the testimony of Sheriff John R. Morris and Deputy A. B. Crews be read to it.

The jurors explained they were interested in knowing if the warrant had been read to Furlong and Moore. The testimony showed the sheriff had started to read it, but was interrupted by Furlong, who said, "That's all right," and submitted to arrest.

Burial Services Are Simple For Mrs. Sarah Garner

Detroit, Texas, Sept. 21 (AP)—A burial service as simple as the life she lived was arranged today for Mrs. Sarah Jane Garner, whose son was born in a log cabin, rose to be speaker of the United States House of Representatives, and now is Democratic vice-presidential nominee.

The 81-year-old mother of John Nance Garner died peacefully yesterday in the home she and her husband built in this little community before their eldest son went away to become an attorney and a congressman. She had hoped to live to see him elected vice-president.

A brief service was arranged at the graveside today in a little cemetery on an oak top hill outside the town. Afterward, Mr. Garner will return to Washington, then go to New York to take up again the work for the Democratic national ticket which he left to see his mother for the last time.

Roosevelt today moved his presidential campaign into the normally Republican state of Oregon, the home of an administration leader, United States Senator Charles E. McNair.

The Democratic nominee will speak at Portland, delivering the third of the major speeches of his 8,000-mile journey through 21 states. Mr. Roosevelt will discuss public utilities, a subject to which, he as governor has given much attention.

Last night at Seattle, Roosevelt made a brief speech to an auditorium crowd that filled the aisles, seats, window ledges and overflowed into a baseball park nearby. There were 12,000 in the building and an estimated 14,000 in the park.

MANY OF HOSPITAL INMATES CAN PAY

Budget Inquiries Reveal Startling Conditions In Institutions

Daily Dispatch Bureau, In the Sir Walter Hotel, Raleigh, Sept. 21.—(AP)—A heavy comment was being expressed here today of the efforts being made by the Budget Bureau to investigate more carefully the patients in State hospitals and other similar institutions to determine whether or not they are able to pay for all or any portion of the cost of hospitalization. The results of this investigation, although only partially complete, indicate there are scores of inmates in State institutions being maintained entirely at public expense who are amply able to pay for the care they are receiving. It is believed that this investigation will save the State and the taxpayers thousands of dollars a year and that it may be able to collect thousands of dollars more for years in the past during which patients have received free treatment.

Presbyterians Of State Seek \$585,000 For Year; Membership Large

Greenville, N. C., Sept. 21.—(IAP)—The work committee of the Presbyterian Synod of North Carolina today agreed on a budget of \$585,000, a reduction of \$300,000 from the budget for the fiscal year ending last June.

The committee's report, which is to be presented to the Synod later today, was made public by Dr. A. D. P. Gilmore, of Wilmington, chairman of the group.

The budget allots \$351,000 to causes of the church's General Assembly, and \$234,000 to the causes of the Synod.

Contributions for the last fiscal year showed a decrease, the committee reported, but a gain in membership was registered. The contributions totaled \$761,000, compared with \$1,990,000 the previous year. The total membership in this State advanced from 75,042 to 76,818.

The Synod voted to postpone indefinitely any action for a church paper to serve the Synod.

Rev. R. A. White, of Mooresville, former pastor at Henderson, was named moderator to serve during the coming year, succeeding Dr. A. D. P. Hinson, of Wilmington, retiring moderator.

Struck by Southern Railway Freight Train As They Were Riding to Work; Driver Saw Train Too Late, He Says; Trainman Injured; No Inquest Held

Brington, Sept. 21.—(AP)—Two sisters, Burlington textile mill workers, were instantly killed near Graham early today when a Southern eastbound freight train demolished their automobile at a crossing. Three men riding with them were slightly injured.

The dead were Mrs. Sam Lee and Mrs. E. A. Galeste. They were en route to the Burlington mills. E. W. Shepherd, Davis E. Mickel and Leon King, the three men, received injuries but none were seriously hurt. King said he was driving the machine, a sedan, and that he neither heard nor saw the approaching train until it was on him.

He said he was almost across the tracks when the engine struck the rear of the machine.

Conductor Ben Lloyd, who was riding in the caboose, at the time of the impact was thrown against the side of the coach and received a severe cut over one eye.

Coroner R. M. Troxler said there would be no inquest.

CAPONE HEARING TO BE GIVEN OCT. 16

Ex-Gangster Seeking Release on Writ of Habeas Corpus Before Court

Atlanta, Ga., Sept. 21.—(AP)—Federal Judge Marvin Underwood today designated October 19 for hearing of a petition of a writ of habeas corpus, by which Al Capone, Chicago gang chief, seeks his release from the Atlanta Federal penitentiary.

The date was set by the judge with the mutual agreement of the attorneys for the government and Capone. Capone's appearance in Federal court was the first time he had left the Atlanta prison since he started serving a ten year sentence last May. He was sentenced following conviction on income tax evasion charges.

The former gang chief was manacled as he was brought to the Federal building by a squad of guards and the assistant United States district attorney.

As he left his automobile at the building's entrance, he doffed his light felt hat and hung it over his handcuffs.

Germans Absent As Disarmament Meet Begins At Geneva

No Troops for Pickets

Gov. Dan Turner of Iowa refused to call out state troops to control alleged violence of farm pickets who recently ambushed a body of 76 deputy sheriffs and assertedly bombarded them with clubs and stones. Turner is hopeful of obtaining a moratorium on Iowa mortgages with government funds at a low interest rate.

Discussion of German Demand for Equality Postponed to Await Answer From Berlin

NEAR CROSS ROADS, HENDERSON THINKS

British Chairman of Conference Says Choice Must Be Made Between Peace and Disarmament or Armaments Race and Eventual War In Its Wake

Geneva, Sept. 21.—(AP)—The world disarmament conference here, resuming its deliberations without a representative from Germany, postponed a discussion of the German demand for arms equality today so that the German government might have time to respond to a letter urging it to continue participation.

The postponement was the suggestion of Arthur Henderson, the chairman, who wrote the letter to Foreign Minister von Neurath.

Mr. Henderson, reviewing the first phase of the conference, said "we are now nearing a cross-roads where we must take a choice between peace and disarmament, or a race in armaments and eventual war."

Meanwhile, in a magazine article published at Berlin, the German Foreign Minister Constantine von Neurath was quoted as accusing German World War opponents of reluctance to fulfill disarmament obligations and as a result the question was stagnating.

LaFollette Ticket Has Dual Loss

Governor and Senate Candidates Both Beaten First Time In 40 Years

(By the Associated Press.)
A LaFollette was beaten in Wisconsin yesterday for the first time in 40 years as Wisconsin Republicans chose Walter J. Kohler former conservative governor, over Governor Philip F. LaFollette for the gubernatorial nomination.

LaFollette forces apparently suffered another setback in the senatorial primary, where John E. Chappelle, young conservative candidate, was running well ahead of the incumbent, Senator John J. Blaine.

With only about 400 of the State's 2,300 precincts missing, Kohler was leading LaFollette today by about 20,000 votes. Chappelle had a lead of more than 20,000 over Blaine.

Roanoke, Va., Sept. 21.—(AP)—Vice-President Charles Curtis, en route to Knoxville, Tenn., aboard Norfolk and Western passenger train No. 41, received a gash over his eye when he fell against a berth as the train passed through Dublin, at 7:35 this morning.

Railway officials here said that President Hoover's running mate apparently lost his balance while on his way to or from the wash room, and fell against an upright "feeder" of a berth on the Pullman car.

Hoover To Speak On Big Issues

Other Subjects Than Farm Problem to be Talked In Des Moines Speech

Washington, Sept. 21.—(AP)—The campaign speech to be delivered in Des Moines, October 4, by President Hoover will embrace other issues as well as the agricultural situation.

This was disclosed today at the White House, where it was said that while the difficulties of farmers doubtless would provide a local point for the address, the President would not restrict himself to that topic.

As he has of late, Mr. Hoover kept in touch during the morning with political affairs.

Secretary Mills, one of Mr. Hoover's constant advisers, reported after more than an hour with Mr. Hoover that "the general political situation" had been discussed after the primary balloting of yesterday.
