Differences Over Status of State College Prolong Meeting; Tatum Petition to Govern About Teaching In Institutions To Be Considered

Raleigh, Nov. 14. (AP) - Dr. Frank Porter Graham today was elected president of the greater University of North Carolina

The election was made by the full board of trustees of the consolidated Dr. Graham is now president of the University unit of the consolidated

The board named J. I. Foust as vice-president for the woman's college unit at Greensboro, and Dr. E. Brooks as vice-president of the State College unit here. Each was president of his respective institution before the consolidation. No vice-

Dr. Graham. Differences over the status of State College in the merger scheme which linked State, N. C. C. W. and the University of North Carolina into the greater university caused a prolonga-tion of the meeting of the trustees. A committee was appointed to draft

resolutions showing the board's attitude on State College in the future. The resolution adopted by the full St. set forth that there tention to demote any of the institutions to the rank of a junior college or o discontinue the schools of en-gineering at Chapel Hill or at Ra-

The board also adopted a resolution that it receive the petition presented to Governor O. Max Gardner by L. A Tatum, retired textile manufactures of Belmont, which asked that something be done about the "dual system of teaching in the State's institutions especially Carolina and N. C. C. W. The resolution provided that the peti tion shall have due consideration of

Wrecked By Wind Storm

Hundreds of Bodies and Other Debris to Be. Destroyed In Cuban City

Camaguey, Cuba, Nov. 14.-(AP) The town of Santa Cruz del Sur became a gigantic funeral pyre today on the order of military authorities. The destruction of wind and water that also took the lives of probably 2,500 Cubans last week was thus com pleted for the sake of sanitation. This actio nmade it probable that

the exact number of lives taken by the hurricane of last Wednesday will never be known. Meanwhile President Machado was ready to leave the capital to inspect the hurricane-torn areas, and govern-

relief and rehabilitation. The minister of the interior, who estimated the dead at 2,500, traversed much of the 100-mile wide path of the hurricane during the night with military authorities.

Hoover Extends Invitation In Message Sent From Train On Which He Is Coming East

GREAT BRITAIN AND FRANCE ASK RELIEF

Would Extend Moratorium Pending International Conference on World Debt Problems: Walsh Hints At Possible Extra Session of the Congress

Executive Monsion, New York, Nov. 14. (AP) President-elect Roosevelt today prepared a reply to President Hoover's invitation to a White House

conference on the war debt situation. It was believed by those close to the New York governor that he would accept the invitation and suggest the conference be held on Monday or Tuesday of next week.

Mr. Roosevelt's reply, the governor's secretary said, would not be completcd until this afternoon

GREAT BRITAIN AND FRANCE SEEK IMMEDIATE RELIEF

Washington, Nov. 14 .- (AP)-Great Britain and France, each four billion dollar debtors to the United States, today sought relief from further payment pending an international conference on world debt problems. Publication of their formal reqquest,

made to a government already on record against further reductions or cancellation coincided with a telegram from President Hoover to President-elect Roosevelt, inviting his suc-cessor to a conference on the subject an action without exact precedent in all presidential history. It brought also suggestion of im-

mediate congressional consideration. Senator Walsh, Democrat, Montana, said that if "it becomes necessary to dispose of the matter at once il special session of Congress should be

Representative Ragon, Democrat, Arkansas, who drafted the declaration against further reductions which Congress attached to the Hoover one-year moratorium on inter-governmental debts , recommended an immediate

Paraguayan Army Is In Final Drive In Chaco District

Asuncion. Paraguay, Nov. 14 --(AP) The Paraguayan army was in the midst of its long heralded final drive in the Chaco today after fighting two battles near strategic Fort Munoz, in which 500 to 800 were reported slain.

The Paraguayans claim two victories after the fighting over the week end. They said both battles were fought in the virinity of the Balivian staff headquarters.

Capone Men Bottling Up Beer Trade

Preparing To Seize By Intimidation Monopoly on Business If Legalized

Chicago. Nov. 14 .- (AP) -Reports were current today that members of the gang of Al Capone are planning: to control the legal beer business in Chicago if and when beer is legalized. The Chicago Herald-Examiner said that it had heard that gangsters hold

options on two breweries and that they were negotiating for more plants. The newspaper said its information was that the gang's "muscle men" have been intimidating speakeasy proprietors, forming a bartenders union and warning all concerned that they must stand by the hoodlums or take

the consequences. Mayor Anton J. Cermak, at French Lick, Ind., was quoted as saying he had heard similar reports, ar a indicated officials were preparing to deal with the situation.
