# CHRISTMAS CANDY

No Christmas stocking is complete without candy; no home can experience the real spirit of Christmas unless there are those brightly colored, tasty pieces of hard candies for the children and those delicious chocolates for the grown-ups. Then there are the box chocolates—a delightful assortment of cream, chewy and nut centers—so appropriate as gifts to sweethearts and wives. Rose's Stores make a specialty of candy. This year they will sell more than two million pounds—think of it—1000 tons of sweets to delight the palate and to nourish the system.
