POWELL HAS FIRST BASEBALL DRILL

Twenty Candidates Report, Team Has Good Prospects; Good Pitchers

About 20 boys reported to Coach Powell at League Park yesterday afternoon for the initial workout of the 1933 Henderson high school baseball season. Only hitting practice, with some of the boys tossing the balls over, was had during the afternoon on account of cold weather.

What looks to be the best prospects that a high school coach has had in recent years here turned out yesterday. The mentor has experienced men for practically every post on the squad and will have plenty of reserve material that he can push into the game any time the regulars start to ease up. Something very unusual, the high school has a real mound staff this year with several likely pitchers turning out. Garland Harris, last year's mainstay, is back again this year and with him is Inscoc, star pitcher for the American Legion Junior team last year. Both of these boys are right handers while Coach Powell has Bobby Green, Davis and "Lefty" Ayscue for portside hurlers. There is plenty of material for other positions on the team with many of the boys showing a great deal of improvement over last year, having played through the summer on one of the City League teams.

DABNEY-AYCOCK TO PLAY SECOND GAME

Dabney Girls Anxious To Repeat Their First Victory In County Series

Dabney and Aycock will renew their fight for the Vance County Basketball loop championship tonight at 7:30 o'clock at Cooper's Warehouse with Dabney, the defending champions, one game up already and a victory tonight will give them the loop flag.

Both teams are expected to be somewhat improved over their first game's performance on Tuesday night since they will have rubbed off a few of the rough spots in their game worn there by the lack of practice.

Dabney will be working hard tonight to repeat their victory of Tuesday night but they will have a hard time overcoming the Aycock team whose superior height and weight should carry them a long way toward a victory tonight.

The same starting lineups in the first game are expected to take the floor tonight as both teams will be doing every thing possible to get a victory.

New West Point Head

Lieut. Col. Buckner
Lieut. Col. Simon B. Buckner, Jr., of Kentucky, executive officer of the Army War college, has been appointed new commandant of the U. S. Military academy at West Point. He has been stationed in Washington for several years.
