# **Unexpected Blows** Are the Hardest

Whether physical or financial, the sudden blow you do not expect always seems to strike with greater force. Your tax bill or mortgage interest, while undoubtedly heavy enough, doesn't seem nearly so burdensome as would an unexpected bill of several hundred dollars for repairs to your home or your car.

Fire might damage or destroy your home, wind might tear the roof off your house, there might be an explosion a

block away that would wreck your property, burglars might select you as their next victim, your car might be wrecked by a careless driver. Evade these heart breaking setbacks with insurance. talk it over.
