World Record Leap

John Tranum

If you're bored with things you might attempt to wrest the laurels from the brow of the young Englishman, John Tranum, who has just captured the world's delayed parachute jump record by plunging earthward from a plane, four miles high over Salisbury Plains, for 17,500 feet before pulling the rip cord of his chute. Previous record of 15,000 feet was held by Bud Manning of the United States.

Jelke Witness

Following a flight from New Orleans, La. by plane, Mrs. Ethel Hartman, Birmingham, Ala., apartment house owner, is shown on the witness stand in Newport, R. I., court as she testified on behalf of Mrs. Eugenia Woodward Jelke, who is fighting a double-barreled divorce action against Frazier Jelke, New York broker. Mrs. Hartman's testimony was the most sensational of the case.
