

Round-The-World Flight Begun

State College Is To Borrow \$50,000 For New Stadium

Board of Trustees Authorize Application to Reconstruction Corporation for Money

WOULD PAY IT BACK IN NEXT 20 YEARS

Gate Receipts From Athletic Contests Would Furnish Money; Degrees for Three Units of Greater University Authorized by Board in Raleigh

Raleigh, June 3.—(AP)—The board of trustees of the Greater University of North Carolina today adopted a resolution authorizing N. C. State College to borrow \$50,000 from the Reconstruction Finance Corporation to be used to build an athletic stadium at the institution here.

Professor T. S. Johnson, of the State faculty, explained the proposal to the trustees. The money will be repaid over a 20-year period from gate receipts of athletic contests.

Sixty-seven of the 100 members of the board attended the session, the first June meeting of the University trustees to be held in Raleigh since June, 1919.

Two years ago the University at Chapel Hill, State College here and the Woman's College at Greensboro were merged under one board of trustees.

Governor J. C. B. Ehringhaus presided over the meetings, which was largely devoted to routine business.

Degree awards, as recommended by the faculties of the three units of the schools, were approved by the board.

Judge Francis D. Winston, of Windsor, an alumnus of the University, attended the board meeting, making it his 46th annual June session, he said.

46 DEAD IN BLASTS IN JAPANESE MINE

Sasebo, Japan, June 3.—(AP)—Forty-six persons were killed and 30 seriously injured in a coal mine explosion at Sakito, near here this morning according to an official report.

Escort Of Girl Held In Slaying

Spartanburg S. C., June 3 (AP)—Madison Stone 19, who told officers two Negroes killed his companion Miss Theima Martin, 21, and seriously wounded him was ordered held in connection with the case by a coroner's jury today. No specific charge was lodged against Stone.

Miss Martin was found beaten to death near here Monday after Stone, shot in the abdomen, had reported to officers he and the young woman had been attacked by the Negroes as they sat in an automobile on a lonely lane off the Greenville highway.

Sheriff Sam Henry and two physicians were the only inquest witnesses. Both physicians testified that Stone's wounds had been made by a pistol fired at close range, and said powder burns were found.

Sheriff Henry testified that Stone had contradicted himself when questioned about the killing, and said

Got Right Number

Here is one telephone operator who got the right number. She is Miss Louise Popp of Brooklyn, N. Y., shown all smiles after being notified that her ticket rated first prize of \$118,500 in the Irish Sweepstake on the English Derby.

DENTIST MURDERS WIFE, SUICIDES IN SPRUCE PINE HOME

No Explanation Given as Two Lives Are Snuffed Out, With Three Small Children Left

HOT SPRINGS MAN IS FATALLY SHOT

William P. Whitten, 53, Cafe Proprietor, Slain by Taxi Driver as Latter Argues With Dead Man's Brother Over Taking Passenger to Gastonia

Spruce Pine, June 3.—(AP)—Dr. T. W. Deyton, 38, Spruce Pine dentist, and his 31-year-old wife were shot to death at the Deyton home here today. Authorities said the dentist shot his wife, the mother of three children, and then killed himself.

Both died instantly, Deyton with a bullet through his temple, and his wife with one through her heart.

In the Deyton home at the time were two relatives of Dr. Deyton, his brother and his wife, and four-year-old Jack Deyton, the youngest son of the Deytons. No one was in the bedroom where the shooting occurred, members of the family said.

Dr. A. E. Gouge, of Bakesville, county coroner, started an investigation to determine if an inquest is necessary. He said nothing had been found that might give an explanation to the tragedy.

Dr. Deyton, his family said, had been in ill health for the last five days.

HOT SPRINGS MAN SHOT FATALLY BY TAXI DRIVER

Hot Springs, June 3.—(AP)—Will-

importance already mentioned by the President in a message to Congress of obtaining additional Federal revenue from liquor taxes.

Mr. Roosevelt had obtained a provision in the tax program of the industrial recovery bill permitting him to remove the increased levies in the event of the repeal of the eighteenth amendment.

Furthermore, Postmaster General James A. Farley, who is chairman of the Democratic National Committee, has already launched a party drive to speed repeal.

Car Loadings Are Well Above 1932

Washington, June 3.—(AP)—The American Railway Association announced today that car loadings for the week ended May 27 were 541,309, cars, an increase of 9,691 over the preceding week, and 20,060 over the same week in 1932. All commodities except less than carlot merchandise and livestock showed increases over last year.

SLOW PROGRESS IN 'ADMINISTRATION'S PROGRAM IN WEEK

Senate Moves Drowsily In Working on Roosevelt's Plans for National Recovery

RECORD TO DATE IS IMPOSING, HOWEVER

Bank, Farm Relief, Inflation, Unemployment, Securities Control, Muscle Shoals, Reforestation, Beer and Economy Acts Already Enacted Into Law

Washington June 3 (AP)—Slow progress in the Senate brought little advance this week to the Roosevelt legislative program.

The record of the special session to date on major legislation is:

Laws enacted: Bank and gold emergency act. Farm relief and inflation act. Half billion for unemployment relief.

Federal securities regulation measure. Muscle Shoals-Tennessee Valley development. Reforestation crops. Beer legalization. Economy law.

New Federal employment system (may be signed today.) Bills in conference stage: Independent offices, appropriations and economy act.

Glass bank reform act. Gasoline electricity taxes (agreement reached). Insurance company—R. F. C. aid plan.

Passed by House only: Public works - industrial control measure. Farm mortgage re-financing measure.

Arms embargo authority. St. Lawrence power allocation. Gold clause cancellation. (Senate takes up today.)

Passed by Senate only: Rail reorganization (due House vote today.)

Waiting disposal: Federal petroleum industry control (in committee). Tariff change authorization (not yet submitted by White House).

Veteran Of Two Wars Shot Dead

Chester, S. C., June 3 (AP)—Major James S. McKewen, 56, veteran of two wars and a prominent farmer living near here, was shot to death in the business section today, and a few minutes later Joe Wiley, farmer of the Pleasant Grove section, surrendered to the sheriff and admitted the shooting.

McKewen who served in the World War and Spanish-American war died almost instantly after two pistol bullets were sent into his chest.

His body was taken to a funeral home, while Coroner W. H. Caldwell empaneled a jury to hold an inquest immediately.

Wiley made no statement on surrendering himself, other than admitting the shooting, officers said, and he was lodged in jail.

It was first reported that only one person saw the shooting, and his name was not immediately known.

Officers said the witnesses reported that the two men passed no words before the shooting took place.

McKewen was Wiley's brother-in-law, having married Wiley's sister.

President Greets Middy Graduates

President Roosevelt is shown at Annapolis congratulating members of the graduating class at the commencement ceremonies at the Naval Academy. The President told the cheering assemblage, "I love the United States Navy more than any branch of the Government." He personally handed over the commissions to the new officers.

Leaders Ask Cotton Cut Of 30 Pct. In 1933 Crop

Cooperatives and Farm Bureau Federation Join In Appeal To Farmers Under Government Leasing Plan; Point To Huge 12,500,000-Bale Surplus

Washington, June 3 (AP)—Spokesmen for the American Cotton Cooperative Association and the American Farm Bureau Federation today recommended a 30 percent acreage reduction in the current cotton crop and the payment of bonuses to farmers who reduce their output.

C. O. Moser, of New Orleans, secretary of the cooperative, said a substantial reduction is essential in order to bring back better times to the cotton producer, and pointed out the large surpluses of American cotton which he estimated as in excess of 12,500,000 bales.

He added that payments direct to producer for acreage reductions would be a fundamental in any plan adopted. He was presenting the attitude of the cooperatives at a meeting of producers, processors, cooperatives and cotton dealers, called by George N. Peek, administrator of the new farm act.

Moser added that the extension services of the state and Federal governments, together with farm organizations, cooperatives, and other groups are ready to put any acreage reduction program into effect quickly.

APPOINTMENTS TO BE MADE SHORTLY

Selection of High Officials by Governor Looked for Any Day Now

Daily Dispatch Bureau, In the Sir Walter Hotel, BY J. C. BASKERVILLE.

Raleigh, June 3.—Announcement of the appointments by Governor J. C. B. Ehringhaus, awaited with so much interest here are likely to be forthcoming any day now. While he has not yet indicated when he will announce either all or some of his appointments the governor did say that he was "sidetracking everything else" so that he could devote his entire attention to completing his list of appointments.

Some think that part of these appointments—the most important ones for instance, may be announced for Sunday. Others think it is more likely to be Monday or Tuesday before the entire slate is complete, but that it will not be later than that.

While there are only some five or six major appointments to be made, when the personnel of all the many boards and commissions which the governor must appoint are included

Two-Cent Postage To Return Shortly

Grove City, Pa., June 3.—(AP)—James A. Farley, postmaster-general, today forecast the return of two-cent postage on letter mail "within the next few weeks."

Speaking at the dedication of Grove City's new Federal building, Farley said he expects President Roosevelt to sign the postage cut bill in a few days.

WEATHER FOR NORTH CAROLINA.

Fair, warmer tonight; Sunday fair.

Mattern, Alone, Is Last Sighted Over Newfoundland

Wiley Post and Harold Gatty, who hold the world circling record, got to Newfoundland quicker than Mattern, making it to Harbor Grace in six hours, 52 minutes, but they waited there for three hours and 40 minutes before continuing.

POST AND GATTY IN 1931 SET UP RECORD

Made Flight Around World In Little Over Eight Days; They Got to Newfoundland Sooner Than Mattern, But They Stayed Longer Time There

New York, June 3.—(AP)—James Mattern, of Texas, took off here today on his air race against time around the world and he passed over Musgrove Harbor, Bonaville, North Newfoundland, shortly after he had been reported at Lewisport, Newfoundland, at 11:30 a. m., eastern standard time.

Wiley Post and Harold Gatty, who hold the world circling record, got to Newfoundland quicker than Mattern, making it to Harbor Grace in six hours, 52 minutes, but they waited there for three hours and 40 minutes before continuing.

James Joseph Mattern, of San Angelo, Texas, who has done all kinds of flying chores from totting iced meats to Mexico to hopping the Atlantic, roared down the mile-long runway in his "Century of Progress" and got away at 4:20, eastern standard time.

The record eight days, seven hours and 51 minutes was set two years ago by Wiley Post and Harold Gatty. As to Mattern's first stop on the terrific grind, there were several versions and much confusion. First he was represented as hoping to get to Moscow without a stop.

Later it was said that Berlin, more than 4,000 miles from New York, was his first aim.

After he soared away, however, Jack Clark, II, his personal representative, announced that neither of these was right, that he would stop first in Paris, about 3,600 miles from New York, snatch a little sleep and go on to Moscow. Clark said he should make Paris in about 27 hours.

FLIES SINGLE-HANDED IN EFFORT TO SET NEW RECORD

New York, June 3.—(AP)—An aerial jack of all works, with six oranges in his pocket and a grin on his lip, hopped off from Floyd Bennett field today in a single-handed try at the globe-girdling record.

James Joseph Mattern, of San Angelo, Texas, who has done all kinds of flying chores from totting iced meats to Mexico to hopping the Atlantic, roared down the mile-long runway in his "Century of Progress" and got away at 4:20, eastern standard time.

The record eight days, seven hours and 51 minutes was set two years ago by Wiley Post and Harold Gatty. As to Mattern's first stop on the terrific grind, there were several versions and much confusion. First he was represented as hoping to get to Moscow without a stop.

Later it was said that Berlin, more than 4,000 miles from New York, was his first aim.

After he soared away, however, Jack Clark, II, his personal representative, announced that neither of these was right, that he would stop first in Paris, about 3,600 miles from New York, snatch a little sleep and go on to Moscow. Clark said he should make Paris in about 27 hours.

STATE GIVEN CUTS IN INTEREST RATE

Amount Not Definitely Agreed, But May Be Low As 4 1-2 Percent

BANKS CONCILIATORY

Governor Surprised Them When He Asked For Three Percent Interest in Renewals; State Bonds Advance

Raleigh, June 3.—(AP)—The State of North Carolina has renewed \$5,675,000 in notes maturing June 15 in New York at an interest rate of five percent, a reduction of one percent, Governor J. C. B. Ehringhaus said today.

The State had hoped to get the rate cut to 4 1-2 percent, but could not do so.

Ehringhaus expressed the opinion that a further reduction in interest could be effected at the expiration of the 60-day term of the renewed notes if the State has shown a better physical condition, due to a balanced budget.

Daily Dispatch Bureau, In the Sir Walter Hotel, BY J. C. BASKERVILLE.

Raleigh, June 3.—Governor J. C. B. Ehringhaus pulled a surprise on the New York bankers when he went there this week to renew \$5,675,000 worth of North Carolina notes, and got away with it. He asked them to renew these notes at an interest rate of only three per cent instead of six per cent, which the State has had to pay for more than two years. He did not succeed in getting the three per cent rate—in fact, he hardly expect-

Government Of Spain Is Excommunicated By Pope

Vatican City, June 3 (AP)—The entire government of Spain has been automatically excommunicated from Catholic Church for singing anti-Catholic decrees, the Vatican State Department announced today after Pope Pius had issued a surprise encyclical declaring that new Spanish religious laws constituted a grievous attack on the church.

The department explained that no decree of excommunication will be proclaimed, because the acts committed by the Spanish government came automatically under the provision of canon law.

No advance notice was given of the pope's intention to publish the encyclical until the secretary of state's office announced it was ready this morning.

(A religious congregation law was published in Madrid today changing religious orders to civil societies and turning the treasuries worth millions of dollars over to the State.)

The Spanish bishops and archbishops called the new law "infamous and oppressive."

Fireworks Looked For At Meeting

Young Democratic Convention at Wrightsville May Back Repeal Cause

In the Sir Walter Hotel, Daily Dispatch Bureau, BY J. C. BASKERVILLE.

Raleigh, June 3.—The annual State convention of the North Carolina Clubs of Young Democrats, to be held at Wrightsville Beach July 8, gives every indication of furnishing plenty of post Fourth of July fire-
