Blanket Authority To Deal as He Sees Fit With Graft Complaints

Washington, Jan. 23 (AP)-President Roosevelt has given Secretary Ickes, the public works administrator, blanket authority to deal as he sees fit with all complaints of "graft" or manipulation of funds on public

works projects. Meanwhile, agents for the Civil Works Administration and the Department of Justice scanned closely operations of the agency in a dozen sections of the country as the result of disclosures of graft in handling

funds of the relief organization. Joseph B. Keenan, assistant attorney general designated to make the civil works investigation for the Justice Department, said several complaints concerning the operation of the Civil Works Administration have been forwarded to him by Harry L Hopkins, the administrator.

Public works officials said that because of the elaborate inspection and investigation system set up several months ago in anticipation of possigly attempts to manipulate funds in connection with projects, complaints

Cuba Happy At Prospect Recognition

Scenes of Wild Enthusiasm In Island Republic Greet Washington News

Havana, Jan. 23 (AP)-The new government of Cuba, cheered by word that the United States is ready to extend recognition, pressed confidently today toward settlement of serious

internal difficulties. Scenes of wild enthusiasm in the interior were reported as the news spread that recognition was near to

all parts of the island. Sources close to President Carlos Mendieta said the government hoped to settle the medical strike by tomorrow, "possibly without the decree dissolving the Cuban Medical Federation.

Seven hundred students demonstrated near the presidential palace against the proposed decree by Mendieta to force the dissolution of the medical federation and the closing of all hospitals of the Spanish societies until the difficulties are adjusted, Sanitation employees at Santiago

walked out in sympathy with Havana doctors. Walter Relis, an American anti-imperialist leader, was held at Manzanillo, accuused of agitation among students.
