Roosevelt Sounds Battle Cry For Democratic Campaign

FRIENDS AND FOES ALIKE PONDER TALK BY THE PRESIDENT

Substantial Gains Over Depression Reported In Night Address To The Nation

CALAMITY HOWLERS LASHED VIGOROUSLY

President Stresses His Future Program "For the Security of the Men, Women and Children of the Nation; Roosevelt Speaks From White House

Washington, June 29.—(AP)—President Roosevelt's lashing of "die hards" and his pledge of a vaster New Deal promised today to resound in the campaign for the fall elections.

Friend and foe alike studied the latest report to the nation, in which the President claimed substantial gains lashed at prophets of calamity and stressed his future program "for the security of the men, women and children of the nation."

Sitting in the oval room of the White House, in the steaming heat of a Washington summer, the President gave a radio talk last night in which he:

1. Praised Congress as the most unpartisan since the "time of President Washington himself."
2. Cited statistics to show gains in wages, employment, farm prices and consuming power.
3. Struck at "plausible self-seekers and theoretical die hards" who "tell you of loss of individual liberty."
4. Declared the "most ferocious of

HENRY COTTON WINS BRITISH GOLF OPEN

Sandwich England, June 29 (AP)—Henry Cotton, 27-year-old British professional, today won the British open golf championship with a 72 hole aggregate of 283, tying the record for the tournament created in 1932 by Gene Sarazen.

Efforts To End Strike Collapsing

Outsiders Asked To Take Charge Of Serious Situation At Laurinburg

Laurinburg, June 29 (AP)—After weeks of conferences between labor representatives and the management, negotiations looking to settlement of the 45-day old strike of employes of the Waverly Mills, involving 800 textile workers, were reported today by R. R. Lawrence, president of the State Federation of Labor, to have collapsed completely.

Lawrence said labor leaders would appeal to the State NRA Compliance Board to intervene. Although the mill management refused to issue any sort of statement, it was generally understood they had asked the State Textile Industrial Relations Board to take over the case.

Score Of Deaths Blamed On Heat

(By the Associated Press.) More than a score of deaths were attributed today to sizzling temperatures that scorched much of the continent from the Rockies to the Atlantic seaboard. Generally speaking, no immediate relief was in sight. Of the midwestern states, Iowa apparently was the hardest hit, with

German Military Powers May Bring Back Kaiser

The former Kaiser Wilhelm and his residence at Doorn, Holland. Von Neurath Hitler bows to Von Hindenburg. Von Papan

A prediction that the former Kaiser Wilhelm will be back in Germany before 1935, either as a private citizen or an official in a "new deal", is made by well-informed political observers following the speech of Baron Franz Von Papan lipping into the Nazi regime of Chancellor Adolf Hitler. Reported as active in the attempted overthrow of Hitler are—besides Von Papan—Baron Konstantin Von Neurath, foreign minister; Lieut. Gen. Werner Von Blomberg, minister of war, and the old war general, President Paul Von Hindenburg, who already has expressed approval of Von Papan's open criticism of Hitler's dictatorship.

ROOSEVELT SIGNS MEASURE RELAXING WAR WIDOWS' PAY

Also Acts on Farm Moratorium and Railway Pension Bills, But Withholds Statement

PRESIDENT PLANS TO LEAVE SUNDAY

Will Board Cruiser at Annapolis, Md., Late Sunday Afternoon for Cruise to Latin-America and Hawaiian Islands; Waits Also for His Son

Washington, June 29.—(AP)—President Roosevelt today approved a bill liberalizing laws covering compensation of World War widows and orphans.

The President also acted upon the farm mortgage moratorium and the railway pension bills, but deferred announcement of their disposition until he could prepare a statement later in the day.

Driving toward a clean-up of government affairs, the President definitely fixed his departure for his Hawaiian cruise for late Sunday afternoon from Annapolis, Md.

Another day at the White House gives him a further opportunity to look over more completely the personnel for the new stock exchange and communications commissions.

Mr. Roosevelt is listening to all classes of thought on the men to take over supervision of the stock exchanges and the nation's radio, telephone and telegraph services. He has conferred with Raymond Moley, former assistant secretary of state; Bernard M. Baruch, retired New York financier and economist, and Postmaster General Farley, chairman of the Democratic National Committee.

Another reason impelling the President to defer for a day the start of

Man Electrocuted, Line Is Dynamited, In Utilities Strike

Milwaukee, Wis., June 29 (AP)—A pole carrying a high tension power line today was dynamited at Vernon Center, 25 miles southwest of here.

It was the first instance of the use of explosives in the Milwaukee Electric Railway and Light Company strike.

One death in a new outburst of violence spurred peace-makers on to redoubled efforts to end the strike of union employees of the Milwaukee Electric Railway Company, which threatened today to spread to other industries.

The Rev. Francis J. Haas, of Washington, chief conciliator of the National Labor Board, sought the quickest method of putting a stop to the

reign of violence after Eugene Domagalski, 24, leader of a band of strike sympathizers and pickets died last night after a raid on the company's huge Lakeside power plant.

Domagalski was electrocuted and died en route to a hospital after he had been hurled to the ground by an electrical charge when the iron fence post he was using to batter a path into the generating plant swung against a switchboard.

Meanwhile, while rioting persisted on other scattered fronts last night, 35 representatives of 25 building trades and craft unions voted unanimously to call a general strike of nearly 6,000 men in their lines in sympathy with the utility strike.

Payrolls Robbed Of Huge Sums

Oswatimie, Kans., June 29 (AP)—Two armed men obtained between \$25,000 and \$30,000 here today in a hold-up, executing the robbery as the payroll of the Missouri Pacific railroad was being transferred to the post office from the railroad station.

The money, which was addressed to a local bank to be used in payment of wages at the Missouri Pacific division shops was in a mail sack.

A postal employee was met at the station by the two men who forced him to accompany them four blocks away where they had a motor car parked. At this point, they took the money and drove off.

An official at the bank said the consignment amounted to between \$25,000, and \$30,000.

Neal and Others Won't Resign Off NRA Review Body

Washington, June 29.—(AP)—The future of Clarence Darrow's NRA Review Board is uncertain. The board has submitted to President Roosevelt its third, and last report on the blue eagle codes. Darrow has resigned, effective tomorrow.

But the other three board members have not resigned, and board officials said they do not intend to. Those remaining are W. W. Neal, Samuel C. Henry and Fred P. Mann.

"BIG FOUR" MAIL TRAIN IS LOOTED

Ten Sacks of Mail and Express Rifled on Car Near Chicago

Indianapolis, Ind., June 9.—(AP)—Ten sacks of valuable mail and some express were rifled on Big Four train No. 34 somewhere between the Illinois Central station, Chicago, and Kankakee, Ill., late last night, it was revealed by postal officials here today.

J. A. Moran, chief clerk of the fifth division of the Post Office Department, said the thieves got into a storage mail and express car and looted it of all valuable mail and express. Clerks in an adjoining car were unaware of the robbery until after the train left Kankakee.

The robbers, postal officials said, could have left the train at the 53rd Street station, Chicago, the 63rd Street station, or at Kankakee.

Postal inspectors were examining the car and records this morning to determine the amount of mail stolen.

TERMS RELAXED FOR ARMY AUTO BIDDERS

Washington, June 29 (AP)—Bidders for War Department automobile contracts hereafter will not be required to certify that they had not employed lobbyists or other agents to solicit the business.

This ruling was made today by Harry H. Woodring, assistant secretary of war, following a ruling by J. R. McCarl, the comptroller general, that such action would tend to promote competition.

Rentals Of \$7,019,861 To Farmers

Of That Sum Disbursed In North Carolina, \$4,447,945 Was for Tobacco

Washington, June 29.—(AP)—North Carolina farmers who cooperated in crop reduction programs received \$7,019,861.24 in Federal rental and benefit payments through May 31, John B. Payne, comptroller of the Agricultural Adjustment Administration reported today to Administrator Chester C. Davis.

Tobacco growers received the greatest amount, \$4,447,945.95, while cotton farmers were paid \$2,934,669.74 in rentals and benefits for acreage reduction. Wheat growers received \$37,245.35.

Payments by counties included the following, the name of the county, the

MOTERING PUBLIC PIN RELIEF HOPES ON THE GOVERNOR

But Big Gasoline Companies Have Stranglehold On North Carolina Gas Situation

PRICES SIX CENTS ABOVE VIRGINIA'S

Some Think North Carolina Is Hoisted To Make Up for Drop In Virginia; Governor May Not Be Able To Do Anything at Meeting Next Tuesday

Daily Dispatch Bureau, In the Sir Walter Hotel, BY J. C. BASKERVILLE.

Raleigh, June 29.—The motoring public in North Carolina, which pays the gasoline and oil companies no less than \$66,000,000 a year for gasoline, to say nothing of the oil, which probably swells the total to \$100,000,000 a year, is hoping that Governor J. C. B. Ehringhaus will be able to do something to bring about lower gasoline prices in North Carolina at the conference of oil company representatives he has called to meet here Tuesday, July 3. But those who know of the stranglehold which the big gas and oil companies have on this business in North Carolina, and how they control both the independent dealers as well as their own company-owned stations, frankly doubt whether the

VIRGINIA'S LEGAL LIQUOR IS LOWER

Causing North Carolina Bootleggers To Complain of Competition

Daily Dispatch Bureau, In the Sir Walter Hotel, BY J. C. BASKERVILLE.

Raleigh, June 29.—The low prices being charged by the Virginia State liquor stores for legal liquor and for what they call "domestic" liquor, is causing North Carolina bootleggers to complain that they cannot compete with the Virginia liquor, either in price or quality, according to reports heard here. In Virginia, liquor is sold only in state-owned liquor stores and no state tax is imposed, the state getting its revenue entirely from the profit on the sales of the liquor.

The Virginia liquor commission also licenses small stills, and agrees to buy the output of these stills at a reasonable profit. It rectifies and bottles

MACHINERY BEING SET UP TO DIRECT CONTROL PROGRAM

33 1-3 Percent Tax Levied by Kerr Act on Crop In Excess of Government Quotas

GIVE CERTIFICATES ON VOLUNTARY CUTS

Acreage Reduction Campaign Also Reopened For 30 Days To Allow Growers Not Yet Signed Privilege of Doing So; Are Limited To Quotas, However

Washington, June 29.—(AP)—The Farm Administration and the Treasury began today to set up machinery for compulsory control of the tobacco crop under provisions of the Kerr bill, signed late yesterday by President Roosevelt.

The bill levies a 33 1-3 percent tax on all tobacco grown in excess of government-assigned quotas, based on the voluntary acreage reduction program, with certain exceptions.

No limit was placed on the crop by the bill, which provides the issuance of tax-exemption certificates by the Treasury to each grower for his quota under voluntary acreage reduction contracts with the Farm Administration.

The bill also reopens the acreage reduction campaign for a 30-day period to give growers who have not yet signed reduction contracts the privilege of doing so.

Although the act levies a 33 1-3 percent tax on all tobacco sold in excess of quotas, contracting growers will

Scorching Note Sent To Berlin

Hull Protests Moratorium and Tells Why Finances Are In Bad Way

Washington, June 29.—(AP)—The United States protested today against Germany's moratorium on \$1,500,000,000 in obligations held by Americans, blaming the reich's financial plight on Nazi policies.

Secretary of State Hull handed the German charge d'affaires a note last night which said:

"The German government is no doubt aware that its policies have created opposition in many parts of the world, which has expressed itself in various trade conflicts, and the probable reduction of Germany's capacity to transfer."

Hull did not mention anti-Jewish measures which have brought boycotts on German goods, but observers agreed his note was broad enough to include such policies.

Teddy Roosevelt Estate Sued By N. C. Bank Head

Raleigh, June 29.—(AP)—The North Carolina Banking Department is suing the trustees of the late Theodore Roosevelt, president of the United States, for \$10,000.

C. R. Taylor, head of the bank liquidating division, said today he had completed testimony in New York in which Gurney P. Hood, bank commissioner, on relation of the Page Trust Company, seeks to have the trustees of the Guaranty Trust Company and

others pay a stock assessment of \$10,000.

Taylor said the trustees of the Roosevelt estate came into possession of \$10,000 of Page Trust Company stocks in 1931, and were ordered along with other stockholders to pay an assessment after the bank was closed last year.

Decision in the case was reserved in New York Supreme Court until after attorneys for both sides submit further briefs.
