Louisville, Ky., Oct. 17 (AP)-The relentless forces of the Department of Justice spread a net today for Thos. H. Robinson, Jr., 27-year-old Tennesseean, accused of the kidnaping of Mrs. Alice Speed Stoli.

The wealthy young society matron was brought home last night after a harrowing six days of captivity for a \$50,000 ransom.

Robinson, former inmate of lunatic asylums, is named by Federal agents as the man who entered the Stoll home last Wednesday, slugged Mrs. Stoll with an iron spike and carried her off to an Indianapolis apartment. where she remained until yesterday

The Federal operatives are confident they will get their man. He is believed to have fled the Louisville area in an automobile bearing Illinois license plates and a Chicago tag. Investigators also are looking for the \$50,000 ransom fund paid by Mrs. Stoll's husband, Berry V. Stoll, oil

company executive, for her release. The investigators are holding Robinson's wife, who they said picked up the \$50,000 ransom package from her FLEXIBLE SYSTEM Nashville. Mrs. Robinson was cap tured as she accompanied Mrs. Stoll from Indianapolis to Louisville, yesterday in company with the Rev. E. Arnold Clegg, and his wife, who is a consin of Berry V. Stoll.

## LayCharge On Wife Of KidnapMan

Louisville, Ky., Oct. 17. (A)-As the Federal government bent all its efforts today to find Thomas H. Robmson. Jr., named as the mad kidmap of Mrs. Alice Speed Stoll, Haroid Nathan, epartment of Justice investigator, announced that charges of conspiracy to violate the Lindbergh law probably would be pressed against Mrs. Robinson.

Decision whether Robinson would face a penalty of death or life imprisonment rests upon the outcome of a conference to be held later by U. S District Attorney Thomas J. Spark and Commonwealth's Attorney Emmett O'Neal.

"We can give him death," O'Neal aid, referring to Kentucky's kidnaping law. Under the Lindbergh law the

Washington, Oct. 19 (AP)-Letters demanding retirement of Josephus Daniels as ambassador to Mexico are being received at the State Department from Catholic organizations. A speech Daniels made last July to

a group of American teachers and students visiting Mexico City started the controversy. Catholic organizations in the United States have interpreted the speech as approving "plans of the Mexican government to eliminate religion from the schools and institute 'socialist' instruction."

e Daniels, on the other hand, explained to the State Department that the speech was simply a declaration of his faith in universal education, and did not "even remotely" touch on the character of education in Mexico.

Others Held at First Released When They Prove Their Innocence; House Where Money Was To Have Been Placed Was Kept Under Surveillance

Detroit, Mich., Oct. 17 (AP)-United States Department of Justice agents revealed today that they had frustrated an extortion plot against Edsel Ford, president of the Ford Motor Company, with the arrest of a 20-year-old youth they said had .confessed writing a letter demanding \$5,-000 under threat of death.

The youth held is Edward Lickwala, who evaded a trap five days ago by failing to pick up a dummy package placed by Federal agents at the place designated in the letter, only to be arrested last night.

The note, mailed to Ford on October 8, said:

"You are on the spot, and if you vant to live it will cost you \$5,000." It gave detailed instructions for placing a candy box containing the money in \$5 and \$10 bills on a porch of the house at 3341 Medbury avenue in Detroit's northeast section.

William Larsen, head of the Department of Justice Bureau here, said a dummy package was placed on the designated porch at the time stated in the letter at 11 p. m., October 12, but that it was picked up by Mrs. lower flat in the building. She was detained, but quickly established her

#### To Request Bigger Plan Of Housing

Roosevelt's Scheme To Fit In With His New Public Works Program

Washington, Oct. 17. (AP)-President sevelt said today that his recommendations to the next Congress would include plans for a big increase in housing projects in connection with relief work. Asked at his press coference if the

housing program would fit in with the new public works program, the President replied it undoubted would. At the same time, Mr. Roosevelt said there was no inconsistency in moving industrial unemployed to small farms, with the Farm Administration plan of limiting production, because, under the first arrangement,

the administration was trying to save human lives.
