15,000 More Silk Workers In Passaic Valley May Be Ordered On Strike Monday

SILK INDUSTRY IN AREA MAY BECOME PARALYZED BY ACT

20,000 to 25,000 Silk And Rayon Dyers Have Been On Strike For Three Weeks

DEMAND RESTORING OF OLD CONTRACT

Manufacturers Abrogated It When Workers Went On Strike in General Textile Labor War In Late Summer; \$1 an Hour Minimum Wage Sought

Paterson, N. J., Nov. 13.—(AP)—A general strike of some 15,000 silk workers will probably be called for Monday in the Passaic Valley, Eli Koller general manager of the Associated Silk Workers Union, announced today.

A strike call to silk weavers would have the effect of virtually paralyzing the entire silk industry in this area, for production has been badly crippled during the past three weeks because of the strike of between 20,000 and 25,000 silk and rayon dyers. Koller said the union would call out the weavers unless the employers agreed to a revival of the 1933-34 contract they had with the workers, and to a reinstatement of all other stipulations which were declared abrogated in September, when the local

Turnovers In November Elections Work to Great Advantage of Tar Heel Members

KERR TO BECOME CENSUS CHAIRMAN

Umstead Will Head an Elections Committee and Doughton and Warren Will Continue Head, Respectively, of Ways and Means and Accounts Committees

Washington, Nov. 13.—(AP)—Several members of North Carolina delegation in the 1935 House of Representatives will find themselves in position for excellent committee appointments because of the turn-overs in the November elections.

Representative John H. Kerr, of North Carolina's second district, is in line for promotion to the chairman of the census bureau committee, while Representative William Umstead, of the sixth, may find himself chairman of elections No. 2.

Kerr was chairman of elections No. 3 in the last Congress. Others of the delegation will move up in rank, while Representative Doughton, of the ninth, and Representative Lindsay C. Warren of the first are expected to remain in the important chairmanships they now hold—Doughton of the powerful ways and means committee, and Warren of accounts.

Urges Building By U. S. of More Large Dirigibles

Washington, Nov. 13.—(AP)—The dirigible as a weapon of defense has the support of Representative Carl Vinson, chairman of the House Naval Affairs Committee. He urges the quick building of two more airships to replace the Akron and the Los Angeles.

The prominent advocate of a navy of full treaty strength went before President Roosevelt's aviation commission yesterday to make his statement.

MEEKINS MAY GET ON G. O. P. TICKET

Federal Judge Talked For Vice-Presidency Nomination in 1936

And That's What Republicans Need In This Dark Hour; Meekins Is Liberal and G. O. P. Also Needs Just That

Daily Dispatch Bureau, In the Sir Walter Hotel, By J. C. Baskerville.

Raleigh, Nov. 13.—Reorganization of the Republican party in the nation is going to have special interest for North Carolina people, Republicans and Democrats, for Judge Isaac Melton Meekins is going to be considered for the vice presidential nomination no matter which wing of the party gets the presidential call.

This much was learned in Raleigh nearly six months ago when the party managers were seeking a chairman. At that time it looked an even bet that Borah of Idaho, or one like him, if there is one, would dominate the national committee. In the very changeless body the liberals appeared to have a look-in. There was even talk of Mayor LaGuardia, of New

To Press Teachers' Salaries

Daily Dispatch Bureau, In the Sir Walter Hotel, By J. C. Baskerville.

Raleigh, Nov. 13.—Attorney General Dennis G. Brummitt's admonitions Saturday to the north central district teachers, about 1,000 attendance upon their annual conference, to get "tough minded," coupled with the hint that there are sources of taxation sufficient to give the teachers good salary increases, give promise of something lively before the legislature.

In fairness to that body it may be said that Mr. Brummitt conveyed

Yeggs Make Haul From Efird Store

Concord, Nov. 13.—(AP)—Yeggs robbed Efird's store here of between \$1,500 and \$2,000 last night, bombing their way into the safe with an acetylene torch.

Banks here were closed for an Armistice holiday and the safe contained part of Saturday's receipts and all of Monday. The yeggs, who left no clues, did not molest numerous checks in the safe. Officers expressed the belief the robbery was the work of experts.

GOVERNMENT BONDS LIKELY TO DECLINE

Coming Government Spending May Result in General Unloading

By LESLIE EICHEL, Central Press Staff Writer

New York, Nov. 13.—Government bonds are likely to decline due to the public spending that will ensue when the new Congress gets into action. That will cause many banks to turn their liquid reserves without depreciation. And that, too, will expand credit... but will it expand credit

FARM ELECTRICITY IS BEING DEMANDED

Financing of Construction Work Is Obstacle Now To Be Overcome

Daily Dispatch Bureau, In the Sir Walter Hotel, By J. C. Baskerville.

Raleigh, Nov. 13.—The electrification farm home, equipped with modern conveniences and labor-saving appliances, is the dream of thousands of rural North Carolinians. All through the State, rural families are awakening to the advantage of electricity in the home and on the farm to lighten their tasks and make life more pleasant.

SEVEN MEN KILLED IN POWDER BLASTS

Los Angeles, Cal., Nov. 13.—(AP)—A premature explosion of 7,500 pounds of blasting powder, which resulted in the deaths of seven men, was under investigation today.

The explosion occurred in a rock quarry on the southern end of Santa Catalina island. The victims were transferring the powder from 25-pound containers to canvass sacks.

Explosion At Navy Yard At Boston Fatal To One

Boston, Mass., Nov. 13.—(AP)—One man was killed and damage amounting to \$175,000 was caused when an acetylene gas tank exploded in the Charleston Navy Yard here today.

The dead man was identified as Daniel Guenless, 35, of Charleston, attendant of the building in which the gas was stored. His body was found in the mass of debris by the firemen.

Captain Ross P. Schlabach, in charge of construction at the yards, said the damage to the plant, a two-story brick and concrete building, would total \$150,000, while the damage to a boat house nearby, where two girders collapsed and the roof fell in, would be \$25,000. The boat house was about 150 feet away.
