

COMMISSIONERS TO CONSIDER HOSPITAL

All Charitable Institutions To Have Reports In for Meeting

Consideration of the status of welfare and charitable agencies in the county will be given minute consideration by the Vance Board of County Commissioners at an adjourned meeting to be held next Monday.

The reports asked for include the operation of the county hospital and the tuberculosis sanatorium, as well as other agencies, and it is understood the study to be made has a bearing on the possibility of the merger of hospital interests and activities in the county.

Some weeks ago a meeting was held by representatives of the medical profession in the city and members of the board of commissioners, but the details of discussions that were had at that time have not been learned.

SANDERS TO ADDRESS GRANVILLE FARMERS

J. W. Sanders, Vance county farm agent, will address a mass meeting of farmers in Oxford at the Granville county court house Saturday at 2 o'clock.

The purpose of the meeting is to get the sentiment of the farmers on a proposal to increase production allotments for 1935.

Other than Mr. Sanders, farmers of Granville county will be called on to voice their opinions.

MRS. WOODLIEF, 84, DIES AT HER HOME

Had Been Ill Eleven Weeks; Funeral and Burial Are Held

After an illness of eleven weeks, Mrs. Mary Woodlief, widow of the late June Woodlief, died at her home here Thursday.

Funeral services were held this afternoon at 3 o'clock from the home of Ira Woodlief, a son, and interment was in Rock Bridge cemetery.

Surviving are the following children: Tom Woodlief, of Durham; Mrs. Addie Pruitt, Mrs. Cherry McGhee, Mrs. Hal Marks and Richard and Ira Woodlief, all of either Henderson or Vance county.

Mrs. Woodlief was for many years a member of Oak Ridge Baptist church. She had resided in Henderson the past 30 years or more.

Pallbearers for the funeral were not learned.

Primary Teachers Of School System Gather Tomorrow

Teachers of primary grades of the white schools of the city and county will meet at the high school here tomorrow morning at 9 o'clock for a conference called by Superintendent E. M. Rollins.

"Miracle Man" Draws Throngs

Despite repeated refusals of clergymen to accept him as a "miracle man," throngs are continuing to visit the home in Chocoma, Mass., of "Brother" Eugene B. Champagne, seeking cure of illnesses and infirmities by means of the power he is declared to exert through laying on of hands.

HENDERSON SPLITS WITH MIDDLEBURG

Girls Lose 35 to 19 But Boys Win Handily Over Visitors by 31-22

Henderson and Middleburg high school boys' and girls' basketball teams divided a doubleheader here last night on the High Price warehouse court with the visiting girls trimming the local decisively 35 to 19.

The boys' game was a different story so far as the Henderson high boys were concerned. Paced by Duke and Hicks, both of whom shot nine points each, the boys took an early lead and at the half period had the visitors 18-13.

Hendricks led the losers with 11 points. Grissom came in second with eight points. The other Henderson scorers were Wilkerson, five, and Edwards and Stainback with four each.

PANTHERS DEFEAT VIRGINIANS 37-31

The Henderson Institute Panthers racked up a 37-31 victory over the Booker T. Washington five, of South Boston, Va., last night in the Institute Gym with every member of the Panther squad getting into action the varsity for only the final fifteen minutes of the game.

The visitors threw a scare into Coach Gaitner's charges when they staged a second half goal shooting orgy to score 21 points.

WONDERS OF EGYPT WILL BE PICTURED

"Wonders of Egypt and the Mediterranean" is the title of a travelogue number in color to be given by John S. Baughman in the auditorium of Central school this afternoon and tonight.

The performance is under auspices of the Henderson high school, and a small admission will be charged. The public is invited and tickets may be had from high school children or at the door.

100 PER CENTERS ARE GIVEN A DINNER

T. S. Kittrell, immediate past president of the Kiwanis club, entertained as is customary with the club, the members whose attendance for the past year has been 100 per cent at his home on Church street at 6:30 p. m. last evening at a dinner party.

The members so honored were Jasper B. Hicks, E. O. Falkner, H. M. Robinson, J. W. Beck, W. C. Cates, M. C. Miles, J. C. Gardner, D. T. Dickie, and A. P. Barnes.

Girl Scout Troop In Regular Meet

The Sacajawa Girl Scout Troop held its regular meeting Wednesday, January 16, in the basement of the Methodist church.

The meeting was opened with the Scout song, "Hail to the Scouts," followed by the Girl Scout Promise and Laws. After this the Scouts enjoyed a game. This was followed by the roll call. Announcements were made by Miss Carrie Burton, the Scout leader.

17 MEASLES CASES REPORTED YESTERDAY

Seventeen additional cases of measles were reported to the county health authorities yesterday, a few more than the day before, but many less than the peak days of the epidemic.

A number of cases were being reported during the morning, showing that the epidemic is still on in the county.

Culture is concerned with the values by which we live.

LAST OF SCHOOLS TO START MONDAY

North and South Henderson To Get Going After Long Suspension

The last of the city schools that were closed due to the epidemic of measles are to open next Monday for the continuation of their regular class room work.

These schools opened last Monday along with all the others in the city, following a long suspension due to measles, but both had so many absences that they were forced to close again for a week.

Latest information is that the measles epidemic is abating, even in the sections that patronize these two schools, and it is believed now that class room work can go on without further interruption.

All schools in the city were due to open on January 2 following the holidays, but were suspended for ten days longer due to the epidemic.

When we think of science we do not look to the past, but to the future.

With Flu Around All Colds Now More Dangerous

Colds Lower Body Resistance and Often Pave the Way For Flu and Its Serious Complications

EXTRA PRECAUTIONS URGED

With flu increasing in many sections of the country, health authorities urge everyone to take extra precautions against colds just now.

The safest course to follow is that outlined in Vicks Plan for better Control of Colds (fully explained in each Vicks package). Briefly, the Plan is this:

To Help Prevent Many Colds Watch yourself and children carefully for any sign of "catching cold." At that first nasal irritation, sniffle or sneeze—use Vicks Vapo-rub... a few drops up each nostril.

To Help End a Cold Sooner If a cold has developed or strikes without warning, vigorous measures are necessary. At bedtime, massage the throat and chest well with Vicks VapoRub. It acts two ways at once to bring relief: By stimulation through the skin like a poultice or plaster; and by inhalation of its medicated vapors direct to inflamed air-passages.

For Added Protection Daily mouth and throat hygiene is helpful at all times—and especially during epidemics of colds or flu. As a precautionary measure, have the children—and grown-ups, too—rinse the mouth and gargle, night and morning with VICKS VORATONE ANTISEPTIC. Voratone thoroughly cleanses the oral cavity, and stimulates more healthful activity of the membranes—thus aiding in defense against infection which enters through the mouth.

TOBACCO REPORT IS ISSUED FOR MONTH

Henderson's Position Among Other Markets Shown For Season

Tobacco sales on the Henderson market and on the others in the Middle and Old Belt were shown for December and for the season through that month in the monthly report of the State-Federal Crop Reporting Service at Raleigh, which came here today.

Producers' sales in Henderson were given as 903,842 pounds in December, and total sales for the month were shown at 955,592 pounds, while season's producers' sales were 13,847,183 pounds. The December average was given as \$18.54 per hundred pounds, as compared with \$18.67 in December of 1933.

Season's producers' sales for Durham were given as 19,294,773 pounds; for Oxford 16,272,963 pounds; for Warrenton 2,904,825 pounds; for Louisville 2,763,866 pounds. Durham's December average was \$21.74, Oxford \$18.78; Louisville \$13.57 and Warren-

ton \$16.54 per hundred pounds. For the entire belt 116,312,345 pounds of producers' tobacco had been sold through December and the December average for the belt was \$18.10 per hundred.

For the State as a whole season's producers' sales through December amounted to \$87,615,807 pounds, as compared with \$72,655,556 for the previous season through December. The December average for the State as a whole was \$17.88, as compared with \$17.22 for the previous December.

North Carolina's 1934 tobacco crop was estimated to be worth \$122,112,000, as compared with \$86,441,000 for 1933, and \$354,280,000 in 1932. This increased value of tobacco was credited largely with responsibility for the State's rank of third in the value of all crops this year.

Judge Charles F. Parsons, associate justice of the Supreme Court of Hawaii, born at Mankato, Minn., 65 years ago.
