More PWA Money Goes Into Relief

Washington, March 13 .- (AP)-Harry L. Hopkins, relief administrator, today requested an addi-\$80,000,000 to \$90,000,000 to supply relief needs for the remainder of March.

Daniel Bell, acting budget direc-

tor, said the money probably would be transferred from public works administration funds.

Relief administration officials today estimated average daily costs of March relief at \$5,000,000. The largest previous monthly cost had been \$157,000,000 for January. Officials said all states except Minnesota and Arkansas had received relief money for the first

half of March.

Jersey Judge Rules It Is Unconstitutional As To Intrastate Business

Newark, N. J. March 13 (AP)

—Federal Judge Guy L. Fake today rendered a decision in which he declared the national industrial act was unconstitutional in respect to its authority to regulate intrastate business.

The jurist handed down his opinion in granting the Acme, Inc., of Jersey City, an injunction restraining the government from enforcing the fabricated metal code, regulating hours of labor and wages and the payment of code assessments. The action also enjoined the government from indicting or prosecuting the company for failure to comply with the codes. United States District Attorney Harlan Besson indicated he
