## 20 PRCT. INCREASE FOR ALL TEACHERS AN IMPOSSIBILITY

Martin Says It Can't Be Done Under Present Increment and Advancement Schedules

SOME ENTITLED TO 44 PRCT. ADVANCES

Moreover, There Will Be 200 More Teachers This Year Than Last and They Have Got to Be Paid; School Commission Executive Illustrates Problem

Raleigh, July 15 (AP)-The State School Commission will have about \$16,545,950 to allot for teachers' salaries this year, compared with \$13,500,-000 paid in salaries last year but even with the \$3000,000 additional, each teacher probably will not get a 20 per cent increase, LeRoy Martin, Secretary, reiterated

Martin pointed out that a teacher with eight years of experience and a B grade certificate, who raised her certificate to A grade this summer, will be entitled to a total of 44 per cent salary increase under the present increment and advancement schedules, if her old salary was raised 20

"There just isnt' enough money available to give each teacher a 20 per cent increase if increment and certificate advancement are to be allowed on the same basis as now in effect,"
Martin said; "or, to put it another
way there isn't enough money to give way, there isn't enough money to give
