IF IN FEBRUARY.

If, in February, Spring comes home,
As come she does in sunny clime and
warm,
Her treasures burst in many a lovely
form:
Acacia feathering out in golden foam,
Rose quince, first harbinger of shrub
and flowers
Of Orient faintly breathing. And
violets
Forgetting cold and winter's sad re-
grets,
Proclaim the joy of sun and sudden
showers.
For pussy-willow counts it not too
strange
To burst her buds along a tumbling
stream,
And fragrant daphne chooses as her
range
A hillside. But sweet daffodil with
nodding beam
Publishes a truth long known: none
would exchange
For other season's joys, Spring's
precious dream.

Marian Martin Pattern

PATTERN 9777

There's new flattery appeal in this
sim-line frock—new fulfillment of
the wish in every woman's heart—to
keep young-looking regardless of
age. Moreover, this is just the type
of all-purpose frock one needs, start-
ing now, to wear throughout the
spring and summer, and into the fall.
See what a wonderfully smooth and
sleek line raglan shoulders impart?
Too, there's a patterning of diagonal
seams to detract from a too-round
silhouette, and side-panels to mold
the hips. You'll find this a decidedly
more-than-one occasion frock in silk
or crepe—either printed or plain. Also
exceptionally practical in a dark col-
or, heavy sheer. Complete. Diagram-
med Marian Martin Sew Chart includ-
ed.

Pattern 9777 may be ordered only
in sizes 34, 36, 38, 40, 42 and 44. Size
36 requires 3 1/2 yards 36 inch fabric.
Send 17 CENTS in coins or
stamps (coins preferred) for EACH
MARIAN MARTIN pattern. Be sure
to write plainly your NAME, AD-
DRESS, the STYLE NUMBER and
SIZE of each pattern.

Send your order to Daily Dispatch
Pattern Department, 232 W. 18th St
New York, N. Y.

was started some time ago by the
Scouts.

"Much Relieved,"
Says Lady After
Taking CARDUI

Although they may be very active
and apparently in good health, many
women at certain times, will do well
to take Cardui. It may relieve some
of the nagging symptoms that are so
annoying every month.

Mrs. F. T. Foster, of Greensburg,
Ky., writes that she has "derived
great benefit" from Cardui. "Before
taking Cardui, I was weak and ex-
tremely nervous, and suffered from
sleeplessness. This made me tired
and worn in daytime. My back ached
continually. Being an active woman,
I did not want to continue in this
condition. Having heard a great deal
about Cardui, I found, after just a
few bottles, I was much relieved. I
continued taking Cardui and was so
much helped."

Of course, if Cardui does not bene-
fit YOU, consult a physician—(Adv.)

89 in November.
In November, out of only 23 coun-
ties reporting, there were 89 insane
in jails of which only nine were sent
to State hospitals during the month.
In fact, from July through December,
the reports from an average of about
35 county jails per month, showed an
average of about 90 insane persons be-
ing held in jail awaiting commitment
to State hospitals with an average of
only about five a month being sent to
these institutions.

This does not mean that there is
not a normal turnover in the popu-
lations of the three State hospitals,
however, Brown said. For the figures
for 1935 show that out of an aver-
age population of 6,500 in the three
State hospitals for the insane, 2,391

new cases were admitted during the
year and 2,343 discharged either
cured or able to return to their
homes.

Social Affair Had
At Liberty-Vance

The Christian Endeavor of Liberty
Vance Christian church gathered at
the home of Mrs. G. W. Macon Wed-
nesday night, February 19.

The fun began when five groups
started reading tongue twisters. Cards
were then passed out with numbers
on them, couples were formed by
matching corresponding numbers.
They pitched their cards at the waste
paper basket to see who could put
theirs in. The winners were Cath-
erine Macon and Joseph Winn. Ques-
tions were asked about the name of
some of the States and each one in
the group tried to answer the most
correctly using the name of the state.
Mrs. Guy Winn was the winner of
this contest. A number of other en-
joyable contests were held with dif-
ferent ones in the group winning
prizes. Interesting games were also
played.

Delicious refreshments were served
by the hostess, Mrs. G. W. Macon,
assisted by her daughter, Sue Bodle.
The program was given out for
Sunday night, the topic being, "Things
for Which We Stand." All young peo-
ple are especially invited to attend
this meeting at the church, beginning
at 7 o'clock.
