All Departments Ordered to Deputize All Persons Needed in Meeting the Crisis

ONLY WALL STREET NOT YET AFFECTED

That Will Be by Tomorrow Unless Agreement Reached For Wage Raise and Closed Shop; Some Building Owners Meet Demands and Service Is Restored

New York, March 2 (AP)— Mayor LaGuardia today proclaimed an emergency existed in the building employees' strike which spread rapidly through Manhattan's residential and business sections.

As the walk-out spread shortly after noon through the crowded midtown business and garment area, the mayor ordered all city departments to arrange for deputization of all persons needed to provide building service as required by health and safety standards.

40,000 Affected Municipal employees encompassed by the proclamation total more than 40,000.

When he took the action, the only buildings in which a walk-out had not een ordered were the skyscrapers in the financial district.

Agreements Being Signed. The paralyzing sweep of the New York building employees strike spread through most of the city today, although James J. Bambrick, strike leader, announced agreements rapidly were being signed with building own-
