BORAH ATTACK ON PARTY HEADS MAY FORECAST BATTLE

Says Negro Voters in Ohio
Told Republicans Would
Pass Pending Anti-
Lynch Bill

G. O. P. NOMINEE IS STILL UNCERTAINTY

With Last of Major Primary
Contests Over, No Can-
didate Has Any Sizeable
Strength, but Uninstructed
Delegates Will Wield
Great Influence

Washington, May 14.—(AP)—Senator Borah's latest attack on the Republican leadership had many in the capital guessing today about his intentions in the Cleveland convention next month, and thereafter.

His statement, in comment on the reverse he suffered in his primary contest with the regular party organization in Ohio on Tuesday, said Negro voters "had been told the Republican party will pass the Wagner-Costigan anti-lynching bill."

He asserted that by advocating it "the men who are in control of the party, and who will likely be in control of the convention will write its platform and name its candidate, have already demonstrated they care nothing about constitutional integrity or the preservation of States rights, that their talk on this subject is hypocritical and intellectually dishonest."

Although the last major Republican primary contest has passed, leaders seem little nearer agreement today about the prospects for Cleveland than in months passed.

If the pre-convention struggles together prove anything finally, it evidently was that uninstructed delegates would wield power to an unusual extent. Of the 860 so far selected, 719 are unbound.

None of the possibilities for the presidential nomination has claimed a delegate strength approaching the necessary majority—501, of the 1,001 total.

Supporters of Governor Landon of Kansas have predicted his nomination on an early ballot, however.

With convention time drawing nearer, the Democrats are working to line up an all-Roosevelt demonstration. Six delegates to be named today in Vermont will bring the list to date to 640 of the 1,100 total.

All Four Convicts Captured

Raleigh, May 14.—(AP)—Four convicts who staged a daring escape near here yesterday had been caught today.

James Eberts and Charlie Adams were picked up in mid-morning near Zebulon by State penal division officers after a tip the men were in that vicinity.

Ray James and Herbert Lewis were caught last night on Neuse river. The four attacked a State truck driver, seized his vehicle and got away yesterday morning.

James and Lewis were serving terms from Wayne county for larceny. Eberts was convicted of the same charge in Iredell and Adams was sentenced for forgery in Wake county.

Outbreak Brewing Now For Austria

(By The Associated Press.)
Little Austria, sometimes called the "head without a body," stole the international show from her more powerful neighbors today.

Kurt Schuschnigg, chancellor, ousted the volatile Fascist Prince Ernst von Starhemberg, from the vice chancellorship.

The cabinet shake-up brought an apparent showdown on Starhemberg's gay uniformed private army, the heimwehr, which he has refused to disband, and possibly portends events of international scope.

G-MEN SPAN CONTINENT TO SEIZE PUBLIC ENEMIES

Map of U. S. shows where G-men seized Public Enemies

The long, lean arm of the law, through the department of justice and its G-men, has stretched out over the United States, and in 10 days' time, our hunted "Public Enemies No. 1" have been drawn into the net. The latest capture, that of Thomas H. Robinson, Jr., at Glendale, Cal., climaxed their efforts.

Robinson was wanted for the abduction of Mrs. Alice Speed Stoll of Louisville, Ky. The others shown above are Alvin Karpis, nabbed at New Orleans; William Mahan, arrested at San Francisco, and Harry Campbell, seized at Toledo, O.

Since Repeal

St. Louis, Mo., May 14.—(AP)—Governor aid to church institutions was condemned as a danger to free religion in a report to the Southern Baptist Convention social service com-
mission to be presented at the opening session of the annual meeting of the body today.

The report, to be given by Rev. A. J. Barton, pastor of the Temple Baptist church, of Wilmington, N. C., mentioned no specific agency. Resolutions for adoption or rejection of this and other sections were to be presented to the delegates late today.

"Some have been disposed to justify x x x government aid," said the report, "but in our thinking it will be well for us in this matter to shun the very appearance of evil. If a Baptist school or institution of any kind

COTTON CONSUMED NOW MUCH LARGER

Washington, May 14.—(AP)—Cotton consumed during April was reported by the Census Bureau today to have totalled 576,722 bales of lint, and 61,450 of linters, compared with 548,013 and 60,811 during March this year, and 468,402 and 69,341 during April last year.

Robinson Starts Sentence of Life

Atlanta, Ga., May 14.—(AP)—Federal guards brought Thomas H. Robinson, Jr., to Atlanta by train from Louisville today to serve a life sentence for the \$50,000 kidnaping of Mrs. Alice Speed Stoll.

The 29-year-old Tennesseean who pleaded guilty in Louisville last night, was hustled to the white stone penitentiary in Atlanta, less than 60 hours after his arrest in Glendale, Cal.

Robinson was sentenced by Federal Judge Ellwood Hamilton.

REPUBLICANS WILL MAKE REAL FIGHT

If Landon Wins, There'll
Be Plenty of Strategy
—and Plenty Money

By LESLIE EICHEL
Central Press Staff Writer

DEMOCRATS who believe that the present lackadaisical Republican management will continue are doomed to disappointment. After June 15 there may be a different story to tell. If Governor Alf M. Landon of Kansas is nominated, an aggressive young man in the person of John Hamilton, his campaign manager, undoubtedly will become national Republican chairman. He will be abetted by a strategy board which, up to the present, have been shrewd and able—and probably will become more so.

Nor will the Republicans lack for all the money they desire. The campaign will be a standup fight, from the moment the Republican candidate is "notified" of his nomination in the huge Cleveland stadium adjoining the auditorium, where the nomination takes place. Both sides will take an immediate aggressive attitude. President Roosevelt,

Bonus Payments For Area Will Be Made at Raleigh

Raleigh, May 14.—(AP)—Postmaster Carl Williamson said he received notification today the post office here would handle bonus payments for 41,356 World War veterans "in this district." Williamson said he did not know what area was included in the district, but he estimated around \$25,000,000 to \$35,000,000 would be involved in caring for that many bonus payments.

Daily Dispatch Bureau, Raleigh, May 14.—Who is helping who and how are the dominant questions here in connection with the campaign for the Democratic nomination for governor in which Dr. Ralph W. McDonald, Clyde R. Hoey and Sandy Graham are competing in a so-called contest for the title of champion Political Pope of the State? When the so-called contest started some months ago, both Hoey and Graham concurred in their seeking to McDonald, while the ambidextrous Scot from Winston-Salem and Illinois took hearty jabs and punches at both of his opponents. But now that Graham

SLIGHT LOSS NOTED FOR McDONALD, BUT LEAD IS UNSHAKEN

Nearly 4,000 New Votes Tabulated for Past Week;

ing Newspapers)

Gains by Clyde R. Hoey and Sandy Graham were registered in the newspaper straw vote on the Democratic governorship race as almost 4,000 new votes were tabulated this week. Hoey's net gain was 2 1-2 per cent, Graham's exactly two per cent. While Hoey gained 1 1/2 per cent and Graham 6-10 of one per cent, McDonald lost 1 1/2 per cent, thus increasing Hoey's and Graham's actual gains. John A. McRae, the low man, also lost ground. While McDonald's strength was undiminished in the east, where he is polling a clear majority over all opponents, he slipped in the west, although he still has a plurality of the votes even in that section.

With 11,799 votes tabulated, the division is:
McDonald 5600
Hoey 4116
Graham 1874
McRae 209

The percentage standings of the four candidates and their relative positions one week ago today follow:
Hoey Graham McDonald McRae
Now 34.9 16 47.4 1.7
Week ago 33.8 15.4 48.8 2

Although McDonald slipped in the percentages, he increased the number of counties in which he is leading from 53 to 58. The other candidates and number of counties in which they are leading are: Hoey, 34; Graham 5; McRae, 1. McDonald and Hoey are tied for the possession of two counties, Tyrrell and Randolph. A complete tabulation of the vote in the 100 counties follows:

FLAT INCOME LEVY FOR CORPORATIONS AMONG PROPOSALS

HARRISON IDEA IS VERY COMPLICATED

Non-Committal on Whether
Treasury Thinks His For-

al Money; House Bill To Be
Virtually Discarded

Washington, May 14.—(AP)—The Senate Finance Committee, apparently bent on wide revision of the House tax bill, today received Treasury schedules through which \$623,000,000 could be raised by imposing a flat tax on corporate income, with a graduated levy superimposed on the basis of undistributed profits.

Chairman Harrison, Democrat, Mississippi, after a two hour closed session, in which Secretary Morgenthau was again questioned, told reporters, "We are getting to the place where the committee can pass on matters of policy."

Harrison has suggested a plan by which corporations would be taxed 15 percent on net income, with graduated rates ranging up to 45 percent on incomes in excess of 30 percent of the total withheld from distribution to stockholders.

He declined to say whether Treasury experts had said his particular

Hammond, Ind., May 14 (AP)—A member of the alcohol tax unit of the Bureau of Internal Revenue, John R. Foster, of Marion, Ind., was shot without warning and killed early today as he and another government agent pursued two men in a black coupe on a highway near St. John, South of Hammond. The killers escaped.

State police and county and city officers of the Calumet region immediately closed all roads, but the two men apparently had escaped before the net was closed.

LORD ALLENBY, HERO OF WORLD WAR, DIES

London, May 14.—(AP)—Lord Allenby, Britain's soldier hero of Palestine, died suddenly today at his Kensington home. He was 75 years old.

The last of the empire's outstanding military leaders of the World War, the viscount and field marshal led the triumphal Allied entry into Jerusalem, but lived to renounce "the glory of conquest with its gain of Dead Sea fruit."

That renunciation came less than a month ago when, at his installation as lord rector of Edinburgh University, he advocated establishment of a world police force for the maintenance of world peace.

That, too, was his last public appearance.

Textile Men Seek Speeding Of Bill

Washington, May 14.—(AP)—Two representatives of textile workers protested today against any delay in congressional consideration of the Ellenhogan textile control bill.

In a joint statement, Francis J. Gorman, vice-president of the United Textile Workers, and John W. Edleman, of the American Federation of Hosiery Workers, said administration leaders pigeon-holed the measure to set up a little NRA for the textile industry until the Supreme Court ruled on the validity of the Guffey act.

They pointed to differences between the two and argued that a decision in the coal suit would not settle constitutionality of the textile bill.

"The Congress of the United States is abdicating its legislative function and virtually assumes the position that it must take orders from the Supreme Court as to what legislation it may and may not consider, the statement said.

"Competent legal experts agree that even if the Supreme Court rules against the government in the Guffey case, it will not give an answer to the legal merits of the labor provisions in the textile act.

"An essential and absolutely integral feature of the Guffey act is its price fixing provisions. There are no price-fixing mechanisms of any kind in the Ellenhogan national textile act in its present form."
