Father of Slain Assassin In-

"Personal Encounter" and  
Long Adherents Charged  
It Part of Plot; Proposal Is  
Not Discussed

Baton Rouge, La., June 2.—(AP)—  
The Louisiana House of Representa-  
tives adopted without dissent today a  
concurrent resolution calling for an  
investigation of the fatal shooting of  
Senator Huey P. Long.

It approved without discussion a  
proposal by Representative Ben R.  
Simpson, of Caddo, to create a six-  
member legislative commission to in-  
quire into the shooting of Long on  
September 8, 1935, in a State House  
corridor.

Dr. Carl Austin Weiss, young Baton  
Rouge specialist who killed Long, was  
shot to death by bodyguards. The phy-  
sician's father, Dr. Carl Adam Weiss,  
in a letter to the late Governor O. K.  
Allen, insisted Long's death followed  
a "personal encounter." Long adher-  
ents have charged it was part of a  
plot.

The resolution went to the Senate  
for a concurrent vote. It carries a  
\$100,000 appropriation to defray costs  
of the investigation.

## McDONALD'S HOME LOOKING AT RACE

Gallatin County, Illinois,  
Thrilled by Home Town  
Boy's Rise

Daily Dispatch Bureau,  
In The Sir Walter Hotel,  
By J. C. BASKERVILLE.

Raleigh, June 2.—Friends and rela-  
tives of Dr. Ralph W. McDonald back  
in Gallatin county, Illinois, where he  
was born 23 years ago, are much in-  
terested in his campaign for governor  
in North Carolina, according to a  
front page news story in The Gallatin  
Democrat, of May 28, a copy of which  
was received here today. The head-  
lines over the story is "Gallatin Coun-  
ty Boy Candidate for Governor," while  
the story itself refers to "the  
spectacular race for governor of  
North Carolina now being made by  
Dr. Ralph W. McDonald, one of Gal-  
latin's native sons." The story also  
says that "it seems all the more re-  
markable that a man of his youth and  
from another State could go into an  
old, original State like North Caro-  
lina and within the space of a few  
years override the existing order and  
become elected governor."

"His race is now attracting national  
attention and his fellow citizens from  
Gallatin county are already sensing  
that feeling of pride which accom-  
panies the accomplishments of a  
home-town boy who makes good," the  
story says.

While still a mere boy, being but  
23 years old, Dr. McDonald is leading  
three other candidates, all natives of

## Nicaraguan Rebels Gain Big Victory Loyal Government Troops Raise White Flag; President Holds Palace

Managua, Nicaragua, June 2.—(AP)—  
National army leaders, in rebellion  
against the government of President  
Juan Sacasa, announced today that  
loyal troops had raised the white flag over  
Fort Amador on Leon.

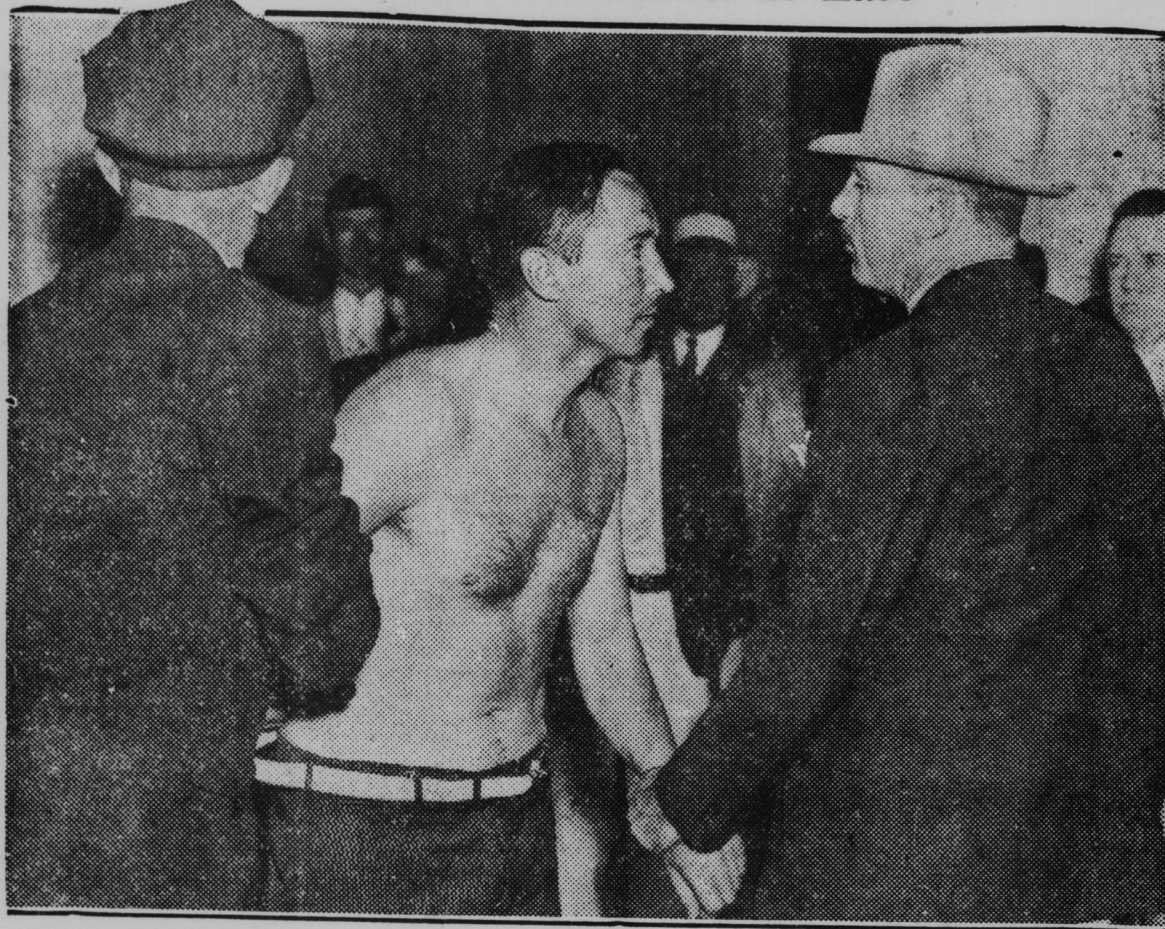

The defenders of Leon had held out  
for three days against troops com-  
manded by General Anastasio Somo-  
za, chief of the national army.

The first was the final military ob-  
jective of the national guard.

It issued a bulletin declaring peace  
prevailed elsewhere throughout the  
14 departments of this Central Ameri-  
can republic and former authorities  
were being removed "due to the wish  
of the public."

President Sacasa, with his own body  
guard, still held out in the presiden-  
tial palace but an armistice persist-  
ed in the capital while the diplomatic  
corps searched for a practical settle-  
ment between the government and the  
national guard.

## Zioncheck Checked at Last

After Representative Marion Zioncheck of Seattle, Wash., dragged Mrs. Benjamin S. Young, his landlady, from his Washington apartment, the bad boy of Congress wasn't even given a chance to dress before police took him to jail (after a tussle). The detective at the right doesn't seem to be particularly impressed by the erratic solon. Mrs. Young claims that her hip was fractured during the melee. Zioncheck was freed on bail. (Central Press)

## Nanking Denies War Is Declared Upon Japan By South China Government

Called Japanese Propaganda; Nanking Says Two Gov-  
ernments on Verge of Complete Union; South China  
Bitterly Opposed to Invasion by Japan

Shanghai, June 2.—(AP)—Jap-  
anese authorities announced late  
today that the South China gov-  
ernment at Canton had declared  
war against the Nationalist Chi-  
nese Government demanding that  
the latter order a national war  
against Japan.

The Japanese earlier said they  
understood the Canton govern-  
ment had declared war against  
the Japanese government.

A manifesto reported denounc-  
ed Japanese aggression in North  
China and demanded an imme-  
diate declaration of war against  
Japan on the part of the Na-

tionalist government at Nanking.

Shanghai, China, June 1.—(AP)—  
Japanese sources stated tonight that  
the South China government of Can-  
ton, had declared war against Japan  
and independence from the Chinese  
Nationalist government at Nanking.

The Japanese said a proclamation  
announcing the establishment of an  
independent government at Canton  
was imminent.

Chinese political sources, however,  
denied any knowledge of an indepen-  
dent movement in South China, and

Washington, June 2.—(AP)—Mrs. Ma-  
rion A. Zioncheck, 21-year-old bride,  
who left her husband of a month last  
Saturday, spent a half hour with him  
today at Gallinger hospital, where the  
Washington State representative was  
lodged by police for mental observa-  
tion.

Mrs. Zioncheck also talked with Dr.  
Joseph Gilbert, District of Columbia  
alienist.

Mrs. Zioncheck gave Dr. Gilbert an  
address where she has been living  
since she walked out on her husband  
in the midst of a hilarious party in  
the Zioncheck apartment.

## Legion Had Planned For Poole Death

Damaging Testi-  
mony Offered at In-  
quiry in Detroit,  
With 13 on Trial

Detroit, Mich., June 2.—(AP)—Testi-  
mony intended to show that the  
"execution" of Charles A. Poole was  
definitely decided upon the night be-  
fore his body was found in a ditch  
on the side of a country roadway was  
introduced today at the examination  
of 13 of 15 members of the black le-  
gion, charged with abduction and  
murder.

The testimony was given by Detec-  
tive Sergeant John Harvill, who told  
of a conversation with Dayton Dean,  
admitted black legion "executioner."

Harvill quoted Dean as telling him  
that Harvey Davis, called a "colonel"  
of the black legion, and one of the  
13 in court today, said:

"Whether we use a rope or not, it  
will be a one-way ride."

The remark was made, the detec-

## Senate Committee Declares New Tax Bill Adequate For Money Government Requires

## REPUBLICANS WILL VOTE AGAINST ANY NEW TAX MEASURE

Senate Group Plots Course  
at Party Caucus To Dis-  
cuss Revenue Leg-  
islation

TO BACK COMMITTEE  
PLAN TEMPORARILY

Then Ultimately Vote  
Against Entire Measure;  
Sugar Quota Law May Be  
Continued if Amended To  
Meet Possible Supreme  
Court Objections to Act

Washington, June 2.—(AP)—A de-  
termination to vote against passage  
of any tax bill was expressed today  
by Senate Republicans attending a  
party conference on revenue legisla-  
tion.

Senators attending the meeting said  
their strategy probably would be to  
support the finance committee com-  
promise tax plan in preference to the  
House bill or any other proposal, and  
then vote against it ultimately.

They said their opposition to final  
approval, even of the compromise,  
was based on a belief that a tax bill  
is unnecessary, especially if a greater  
effort were made to curtail govern-  
ment expenditures. They also ex-  
pressed a conviction that insufficient  
time had been allowed to work out  
details of a sound measure.

A finance sub-committee was meet-  
ing, meanwhile, to discuss the possi-  
bility of adding to the tax bill a pro-  
vision for continuing the sugar quota  
law, amended in an effort to meet  
possible Supreme Court objections.

Senator McNary, Republican, Ore-  
gon, said it was clearly understood  
there would not be a "knock-down dis-  
cussion" of the bill during debate on  
the floor, and the Republicans would  
seek not to delay the measure.

McNary said all minority members  
"want to get away Saturday or Mon-  
day," adding "and I believe we can."

## SON OF FINANCIER FOUND IN CHICAGO

William Webster Theile Ran Away  
from Luxurious New York  
Home to Make Own Way

Chicago, June 2.—(AP)—William  
Webster Theile, 15, son of a New York  
financier, who had been missing from  
his home since May 3, was found to-  
day, the Chicago Daily News said in a  
copyrighted story.

The boy was in good health, and  
making his living selling magazines,  
the paper said. It reported his par-  
ents had been notified and were on  
their way here to return him.

"I was fed up on society life, and  
decided to make my own way in the  
world," the boy was quoted. "Now I  
guess I'll have to go back to break-  
fast in bed and chauffeur-driven au-  
tomobiles."

The boy disappeared from his luxu-  
rious home from a private island on  
Long Island Sound near Mamaroneck,  
N. Y., while supposedly on his way to  
keep a tennis engagement.

The son of William Theile, presi-  
dent of the Atlantic Investing Corpo-  
ration, he was a descendant on his  
mother's side of Daniel Webster.

The boy, the Daily News said, was  
living in a \$5 a week hotel room on  
Chicago's North Side, and when found  
expressed unwillingness to return to  
his home.

When told that his mother was ill  
because of grief over his disappear-  
ance, he consented to return.

## REPUBLICAN PARTY FACES EXTINCTION

If It Loses This Year As in  
1932 and 1934, It  
May Evaporate

By CHARLES P. STEWART  
Central Press Staff Writer

Washington, June 2.—One hears  
not a few predictions in political cir-  
cles that the present Republican party  
will evaporate completely if as badly  
beaten in the coming election as in  
1932 and in the congressional election  
of 1934.

These prophecies come from G. O.  
P. as well as from Democratic sources  
as I previously have had occasion  
to point out. The Democratic party of  
today is pretty much what the Re-  
publican party once was. But, if it  
wins handsomely this year, it will

## Simmons Backing McDonald in Race

New Bern, June 2.—(AP)—"Ab-  
solutely correct" was the reply to-  
day by former Senator F. M. Sim-  
mons when asked if he had been  
quoted correctly by State papers  
that he is supporting Dr. Ralph  
W. McDonald for governor in the  
June 6 primary. He said he ex-  
pressed his preference for McDon-  
ald even before his announcement  
of candidacy.

Senator Simmons declined to  
give his reasons for favoring Mc-  
Donald for the office stating that  
"these reasons are entirely my own  
business."

Black and LaFollette Think  
Unnecessary Burdens Im-  
posed on Small Business;  
Latter Offer Substitute  
More Nearly in Line With

Washington, June 2.—(AP)—Berat-  
ing Treasury estimates, which were  
described as "excessively conserva-  
tive," a Senate Finance Committee  
majority today estimated the yield of  
its compromise tax bill at \$829,000,  
000 a year of which \$82,000,000 would  
be temporary revenue.

"This is \$26,000,000 more than the  
House bill," the majority committee  
report said, and will amply take care  
of the permanent revenue of \$820,  
000,000 requested by the President,  
and the temporary revenue for the  
next fiscal year.

The report was filed as Senate Re-  
publicans assembled to determine  
their attitude toward the controver-  
sial legislation, and the Senate itself  
prepared to open debate.

Preceding the filing of majority  
views on the tax measure, two minor-  
ity reports had assailed the bill. In  
one, Senator Hastings, Republican,  
Delaware, accused the government of  
"extravagance" and said:

"I am opposed to any increase in  
taxes until there be shown some af-  
firmative evidence upon the part of

## FIND TOBACCO MAN SLAIN IN A WOOD

Robert M. Eastin, 46, Factory Man-  
ager of Concern There; Cor-  
oner Making Inquiry

Rocky Mount, June 2.—(AP)—Robert  
M. Eastin, 46, factory manager of a  
local tobacco company, was found  
dead near here today in a wooded  
area with a 45-calibre pistol in his  
right hand.

Coroner J. C. Raby, of Tarboro, called  
a jury which viewed the body but  
completion of the hearing will await  
identification of fingerprints on the  
pistol.

Eastin was found a short while be-  
fore he was to have appeared before  
Magistrate E. D. Foxhall at Tarboro  
to face embezzlement charges brought  
by Mrs. C. H. Lapsey, of Washington,  
D. C.

Mrs. Lapsey, former wife of Eastin's  
brother, now deceased, brought the  
charges that he embezzled "more than  
\$5,000 insurance money" left by her  
husband. Eastin claimed he lost the  
money through unfortunate invest-  
ments.

## Scandal Of Budget Now Borne Out

Investigation Shows  
J. H. Thomas, Cab-  
inet Member, Had  
Divulged Secrets

London, June 2.—(AP)—The budget  
tribunal announced today it found J.  
H. Thomas, resigned colonial secre-  
tary, had disclosed the secrets of the  
British budget previous to publica-  
tion in the House of Commons.

The tribunal report stated there  
was an unauthorized disclosure of the  
budget information by Thomas, and  
that use was made of this informa-  
tion by two men for the purpose of  
private gain.

The two men named were Alfred  
Bates, advertising agency executive,  
and Sir Alfred Butt, a member of  
Parliament, and horse-racing enthu-  
siast.

The tribunal, headed by Justice  
Porter, cleared all civil employees  
and printers and all cabinet ministers  
save Thomas, of having disclosed the  
budget secrets.

It cleared the former colonial sec-  
retary's son, Leslie M. Thomas.
