Geneva, June 27.—(AP)—The German problem was thrust sharply into the foreground of discussions among League of Nations delegates today.

Anthony Eden, British foreign secretary, conferred with Foreign Commissar Maxim Litvinoff of Russia, and it was understood they discussed Germany's rearmament.

Great Britain was said to be uneasy over Reichsfuehrer Hitler's failure to reply to the questionnaire asking his position on international relations.

Another element of anxiety was provided by the situation in the free city of Danzig, where Albert Forster local Nazi leader, issued a statement attacking the League's high commissioner for Danzig. Informed sources indicate a fear Forster's action was inspired from Berlin as a prelude to the open establishment of a Nazi dictatorship in Danzig.

Geneva, June 27 (AP)—Revision of the League of Nations covenant was handed to the Assembly today as Council delegates declined to begin the proposed reform.

The Council held to its original purpose of reviewing the Italo-Ethiopian situation with the list of anti-sanctionist nations growing steadily.

The republic of Nicaragua resigned from the League as the second day's

Daily Dispatch Bureau, In The Sir Walter Hotel, By J. C. BASKERVILLE

Raleigh, June 27.—North Carolina will get an allotment of approximately \$12,000,000 for the continuation of the Works Progress Administration program in North Carolina for the new 12 months period beginning July 1, 1936, to June 30, 1937, George W. Coan, Jr., State WPA Administrator, said here today. This means that the WPA will have approximately \$1,000,000 a month available for use in this State for the next year and that it can carry on to completion numerous projects which otherwise would have had to be discontinued.

Tobacco Grading Is Now Mandatory

Washington, June 27.—(AP)—Secretary Wallace today ordered mandatory tobacco inspection service at 13 auction tobacco markets in Virginia, Kentucky and Tennessee.

The action of the secretary in extending tobacco inspection and tobacco price reporting service resulted from referendums held among growers supplying these markets to determine whether they desired the service. Approximately 95 percent of the voters cast in these referendums favored the service, department officials said.

A similar referendum is in progress in tobacco markets in Farmville, Goldsboro and Smithfield, N. C.

Engineers Brotherhood Is Quick To Determine Its Next Step; Court's Decision Halts First Payments Under Pension Act of 1935 Enacted by Congress

Washington, June 27 (AP)—Checks addressed to approximately 1,000 aged railway workers were held up today as the Railroad Retirement Board pondered the full effect of a decision of the United States District Court holding the pension act unconstitutional.

A spokesman for the board, which went into emergency session, said an immediate appeal would be carried to the District of Columbia Court of Appeals.

In Cleveland, delegates to the convention of the Brotherhood of Locomotive Engineers voted last night to appeal to the United States Supreme Court.

Justice Jennings Bailey ruled yesterday that the retirement act and its accompanying tax measure violated the due process provisions of the Constitution.

The decision halted preparations of the board for making its first pension payments July 1 to railway em-

Both Hoey And McDonald Groups Fear Small Vote

Lack of Interest in Gubernatorial Campaign Worrying Both Sides; Generally Conceded 120,000 Fewer Votes Will Be Cast Than in First Primary

Daily Dispatch Bureau, In The Sir Walter Hotel, By J. C. BASKERVILLE

Raleigh, June 27.—The lack of interest in the second primary campaign for the Democratic nomination for governor between Clyde R. Hoey and Dr. Ralph W. McDonald, has the managers and workers for both candidates worried, even though they will not publicly admit it, according to belief here today. They do not know whether this lack of interest and general apathy on the part of the public indicates it has become tired and disgusted with the entire campaign, with the result that hundreds of thousands of voters will not even bother to go to the polls in the primary next Saturday, or whether it merely means that the voters have already made up their minds and are merely not giving any external indication of how they intend to vote.

Baldwin Is Target For Opposition

Position of British Prime Minister's Position Is Still Further Weakened

London, June 27.—(AP)—Liberals and Laborites talked today of a possible split in Conservative ranks over the governmental methods of Prime Minister Stanley Baldwin.

The object of a scathing public attack, the prime minister retired to his country home after telling a school-boy audience, "I shall not be here much longer."

Baldwin was charged by a Laborite member with "lying to the House of Commons" on air defense matters. This attack followed a statement by the Earl of Londonderry, former air minister, who denied he had misled Baldwin on the progress of German rearmament.

London newspapers showed growing irritation at the prime minister's apparent lack of control over personal statements by his ministers.

"All of them talk loudly at random," one paper asserted, "while Baldwin pays no heed except to emerge now and again from his lethargy to assure the country something or other was not really his fault."

Roosevelt's Renomination Is By Acclaim; Accepts Tonight

Convention Hall, Philadelphia, June 27 (AP)—The Democrats nominated President Franklin D. Roosevelt in the early hours today by acclamation and they reassembled today to name John N. Garner his running mate again and then adjourn.

While leaders studied weather reports, fearful lest the extraordinary acceptance ceremony planned tonight would be rained out, the convention had difficulty at the start mustering a quorum for its final session.

Garner was holding himself ready to be by the President's side at the Franklin Field fete, the first of its

kind in political history, this evening. His speech would be brief, he insisted.

Formally joining the New Deal issue against Landon and Knox, the Roosevelt address was scheduled for 10 p. m., daylight time. Behind him to be one of the most harmonious conventions in his party's history.

Not a "No" rose in the vast auditorium when the presidential vote was reached at 12:42 a. m., eastern daylight time.

The convention quickly suspended the rules to choose Mr. Roosevelt by acclamation on motion of Governor Tom Berry, of South Dakota. This

marked the first time in 20 years that no roll call ballot was required. It was also the first time in 104 years that a presidential nomination would have been possible by a simple majority rather than a two-thirds vote.

All sides expected the selection of Garner to be unanimous also. A few hints of rivalry had withered before the decision of the veteran Texan's supporters.

Democratic leaders arranged to make today's session comparatively brief. They concentrated on making tonight's ceremonies the climax of the whole week. One hundred thousand persons are expected to witness them.

HOEY IN PIEDMONT AS CAMPAIGN ENDS

East Has Mind Made Up, West Is Safe, Piedmont Fertile, Is View

Raleigh, June 27.—Clyde R. Hoey will concentrate his campaign efforts in the Piedmont section during the final week prior to the second primary on Saturday, July 4, for the Democratic nomination for governor.

It was learned from his headquarters here today. This was regarded as an indication by the Hoey managers that they still regard the Piedmont as the real battleground for votes in the runoff and that they will leave both the eastern and western counties in the hands of the local Hoey managers.

MYSTERY SHOOTING IN WEST VIRGINIA

Beer Garden Party in Charleston Scene of Fatality After Argument Breaks Out

Charleston, W. V., June 27.—(AP)—A sudden volley of shots during a beer garden brawl ended the life today of Leo Nizer, 23-year-old West Virginia University football star, and wounded five other persons, including a girl. Two were clubbed in the head.

The disturbance happened so quickly in the downtown garden, Police Chief W. A. Tully said:

"I don't suppose we ever will know exactly what did happen."

He placed a charge of murder, however, against Okey Deboard, a former city patrolman, and "bouncer" at the establishment.

Miss Opal Clark, one of those wounded slightly, told Tully:

"It was about midnight. Two boys were arguing in the entrance. Deboard got in between them and some one pushed or knocked him down. He got up, firing his gun in one hand and swinging a blackjack in the other. I ran."

Roosevelt Might 'Summer' in West

Los Angeles, Cal., June 27.—(AP)—The Examiner said today Santa Barbara, Cal., may become the campaign headquarters of President Roosevelt in September.

Santa Barbara, 90 miles north of Los Angeles, is under discussion as the location of the "summer White House" the newspaper said.

Charles B. Brervey manager of the El Encanto hotel at Santa Barbara, was quoted by the Examiner as saying:

"I understand on good authority that the President will remain in Santa Barbara most of September, taking the Carl Boldt estate."

NINTH NEW PEAK HIT BY INDUSTRY

All Divisions Advance Except Automobile; Housing Goes Forward

New York, June 27 (AP)—Tramping steadily upward, the Legions of industry scored the ninth new peak for the year in the last eleven weeks today.

The Associated Press index of industrial activity stood at 91.3—the highest since mid-1935—against 90 last week and 72.9 in the same period a year ago.

Only one component of the index declined, automobile production, while two, electric power output and residential building, established new tops for 1936.

Residential construction continued to show strength, although the normal peak was passed in April.

Total carloadings improved slightly. Electric power production was at the highest level ever recorded.

Steel mill activity was maintained by the large orders placed against the July 1 price advances. The output of cotton goods was slightly better.

N. Carolina Delegation Is Leaving

But Some Will Stay at Democratic Meet for Roosevelt's Speech Tonight

Philadelphia, June 27 (AP)—The ranks of North Carolina's delegation to the Democratic National Convention were thinned today as the convalescing President Roosevelt prepared to accept Vice-President Garner by acclamation and adjourn.

Governor J. C. B. Ehringhaus chairman, left yesterday and other members departed at intervals during the afternoon and night.

A number of the delegation, however, will remain here for President Roosevelt's speech tonight accepting his unanimous nomination.

Close of the convention formally will install A. D. Folger, Mount Airy, as national committeeman, succeeding C. L. Shuping, of Greensboro.

The State joined other delegations in second President Roosevelt's nomination, with Senator Josiah W. Bailey delivering the speech.

OUR WEATHER MAN

VICE PRESIDENT IS SELECTED AGAIN BY ACCLAMATION VOTE

Mammoth Crowd To Assemble in Franklin Field Stadium To Hear Epoch-Making Address by President; Garner Nominated by Governor of Texas

Convention Hall, Philadelphia, Pa., June 27 (AP)—Twice unanimous, the Democratic convention renominated Roosevelt and Garner today for the already accelerating presidential campaign.

Both the President and Vice-President will accept the campaign mandate before a mammoth audience at Franklin field this evening.

A din of "ayes" from the crowded floor ratified Roosevelt for the leading place on the ticket at 12:42 a. m., eastern daylight time.

After a rest, a subdued and smaller assemblage of the delegates formally designated his running mate at 1:52 p. m., just before adjournment of the ninth and final session.

Chairman Joe T. Robinson, of Arkansas, banged the sine die adjournment gavel with a smile of relief at 2:19 p. m., eastern daylight time.

Placed in nomination by Governor James V. Allred, of Texas, Garner was given his demonstration innings and a march led by his fellow southwesters.

Their rebel yells were loud and frequent, but the scene contrasted with yesterday's pandemonium for Roosevelt, as many of the weary delegates contented themselves with looking on.

The Vice-President himself listened in at his hotel. He preferred to "take a walk," he had joked with friends in disdainful suggestions that he visit the convention.

Amidst signs of impatience at the continued oratory, Senator James Byrnes, of South Carolina, got the floor to move that the nomination be by acclamation. Chairman Robinson put the question quickly "Yes," was the answer and not a "no" was heard.

Roosevelt Preparing For Fight

Washington, June 27.—(AP)—Renominated by acclamation as the New Deal's standard bearer, President Roosevelt today for the second time moved toward the major campaign wars, and made ready to address his acceptance to the assembled Democratic National Convention.

White House activity was stepped up to a high pace as the chief executive sought to clear his desk of legislative matters before hastening off to Philadelphia tonight to make his brief speech at Franklin field.

Whether the chief executive remain-

DEMOCRATS REVEAL MORE ENTHUSIASM

Philadelphia Convention Far More Noisy Than Republicans Were

By CHARLES P. STEWART
Central Press Staff Writer
Philadelphia, June 27.—Fewer what-ever noise may be worth in politics, the Democrats have had more of it at their convention in Philadelphia than the Republicans succeeded in creating at Cleveland.

For a national convention the Cleveland affair was rather quiet. The Landon crowd stirred up a tremendous hullabadoo at their hotel headquarters, but the only first-class outburst in the big auditorium was the reception given to ex-President Hoover, and that was too obviously made to order to be very inspiring.

The gathering got off to a bad start, for one thing.

The delegates seemed discouraged
