REBEL BATTERIES READY FOR START

Prepared To Start Shelling Capital in Earnest; Counter Offensive Against Insurgents Launched by Government to Southwest of Madrid

Madrid, Nov. 5 (AP)—Heavy aerial and artillery bombardment shook the outskirts of Madrid as Fascist insurgents started the "decisive battle" today for possession of the Spanish capital.

Two insurgent fighting ships which chased off a government bombing plane were shot down during a spectacular sky battle over the eastern section of the city.

For the third successive day the wall of air raid sirens in the capital was almost ceaseless. Exacerbated by the steady crash of artillery bombardment in suburban districts southwest of the city, the clamor sent residents scurrying to protection. Houses shook with the reverberating roar.

Squadrons of government bombing planes released a prolonged rain of high explosive bombs over Alcorcon county west of Madrid.

Fleets of insurgent fighting ships slipped low over highways on the cap-

Jap Marines Again Rushed To Shanghai

Shanghai, China, Nov. 5.—(AP)—Japanese Marines were rushed into the Hongkew section of Shanghai today after a Japanese civilian had been stabbed, but late tonight they withdrew without finding the assailant.

The victim received a deep wound in the neck as he was walking last night with his wife and child.

The attack added fresh tension to Sino-Japanese relations which have been improving since the killing September 23 of one Japanese Marine and the wounding of two others in an attack which Japanese officials said was made by an unidentified Chinese.

Court's Rejection Puts Martin Moore Step Nearer Death

Raleigh, Nov. 6.—(AP)—The State Supreme Court declined to hear oral argument today in the case of Martin Moore, Asheville Negro sentenced to die by gas for the murder of Helen Clevenger, of Staten Island, New York, on the grounds the appeal had not been properly perfected.

Chief Justice W. P. Stacy, interdicted Sanford W. Brown, of Asheville, Moore's counsel, as the attorney explained the background of the case. "The case on appeal isn't before us and we have no authority to take cognizance of that," Judge Stacy said. "We have nothing before us in proper form except the record proper."

Ehringhaus Now Talked For Cabinet

Governor Is Credited With Much In Swinging of Ohio and Pennsylvania

Daily Dispatch Bureau, in the Sir Walter Hotel, Raleigh, Nov. 5.—Governor J. C. B. Ehringhaus is believed to be in line for a high government post in Washington, possibly a cabinet job, as a result of the high regard in which he is known to be held by the present administration and because of the large part he contributed towards carrying both Ohio and Pennsylvania for President Roosevelt, according to comment going the rounds here today. It was regarded as extremely significant in political circles here when National Chairman James M. Farley selected Governor Ehringhaus as one of the first string campaign orators to go into Ohio and Pennsylvania to

Roosevelt Dines Envoy from Pope

Hyde Park, N. Y., Nov. 5.—(AP)—President Roosevelt had as luncheon guests at his Duchaes county home here today Eugenio Cardinal Pacelli, secretary of state at the Vatican, who is visiting the United States, two American bishops of the church and the cardinal's secretary. While House officials would not comment when asked if the meeting might touch upon the political speech-making of Father Charles E. Coughlin of Detroit.

DEMOCRATS TURN TO 1940 CAMPAIGN

Roosevelt Group May Change Into Farmer-Labor Party by Then

By LESLIE EICHEL, Central Press Staff Writer

Democratic leaders have begun to wonder about 1940. Some Old Line Democrats believe that the New Deal will lead into an out-and-out Progressive movement, that the Progressives may absorb the Democratic party, and that the leading Progressive—whoever he will be—may be the 1940 nominee.

The Republican party is expected to remain as it is.

Offshoots from both parties, such as the Coughlinites—which the Progressives term Fascists—are expected to continue. Some other violent exhorter, however, may succeed Coughlin. The newcomer may be still more

TOBACCO AVERAGES GO HIGHER

Wednesday's Sale 173,888 Pounds for Price of \$25.23 Per Hundred For Entire Day

NEARLY \$44,000 IS PAID TO GROWERS

Large Quantities of Cotton Coming to Market, With Picking in Full Swing Over County and in Sections; Merchants Wait Coming of Cold Weather

Sales on the Henderson tobacco market through this week will put the season's total very close to and probably even above the 13,000,000-pound mark for the season according to indications today after the announcement of official statistics on Wednesday's marketing day.

The Wednesday figures showed 173,888 pounds disposed of at an average of \$25.23 per hundred pounds, with a total of \$4,437,053 paid to growers for the day's offerings.

This put the week's totals for three days at approximately one million pounds, with around \$250,000 paid for the golden weed at an average of around 26 cents a pound.

At the end of the week last Friday the market had sold 11,504,188 pounds for \$3,032,736.43 for an average of \$26.36 per hundred pounds, and that was more than a million pounds in excess of the corresponding period last season, and in round figures \$800,500 more in money, with the price average five cents a pound better.

Large quantities of cotton continue to come onto the Henderson market, with growers receiving the highest market dollar for their seed cotton, the form in which most of it is disposed of. Picking of cotton in the fields is well under way, with stalks brimming with open bolls and many fields presenting a snowy-white appearance. Thousands of bales of the staple have already been disposed of

M. P. Vote On Church Union Is Tomorrow

Albemarle, Nov. 5.—(AP)—The North Carolina Conference of Methodist Protestants decided today to take a formal vote tomorrow on the proposal for union of their church with the Southern and Northern Methodist Episcopal Churches.

After lengthy discussion today, the conference voted to take a secret ballot on the overtures for unification which will be presented by Dr. James H. Starbuck, of Baltimore, president of the General Conference. He will explain the details and purposes of the merger proposal, which the General Conference approved and sent down for action by the State conferences after its meeting in High Point last May. A majority of those voting so far have approved the plan.

Pastoral reports and routine business occupied the remainder of this morning's session.

Here Is the Way Five Amendments Were Put Across

Daily Dispatch Bureau, in the Sir Walter Hotel, Raleigh, Nov. 5.—A woman voter in Winston, Martin county, thought the ballot containing the five constitutional amendments was questionable, according to Judge Clayton Moore of Williamson. After voting she announced she had "answered 'yes' to all those questions on that other sheet," Moore said.

"I stopped to ask a lady if she had voted right," Judge Moore said. "She replied that she had done the best she could by voting the straight Democratic ticket all the way through and added 'I also answered 'yes' to all those questions on the other piece of paper.' She evidently thought the constitutional amendments ballot was a questionnaire. But by answering all the questions 'yes' she had voted for all the amendments."

Losing With A Smile

One of the earliest arrivals at the polling booth in Highland Avenue, Yonkers, N. Y., was Earl Browder (above), Communist candidate for the Presidency of the United States. He predicted great gains for his party in the election, but conceded his defeat with a smile.

FOOD SHORTAGE IN ALASKA IMMINENT

Threat to San Francisco's Food Supply Averted, However, as Union Workers Agree To Move Perishables; "Sitdown" Strike In East and Gulf Ports

San Francisco, Cal., Nov. 5.—(AP)—The throttling of America's maritime trade increased throughout the nation's ports today but an immediate threat to San Francisco's food supply was averted.

Union warehouse workers agreed to move perishables. Even as the representatives of both the warehousemen's union and the wholesale grocery industry voiced hope the warehousemen's strike here would be settled before the week-end, the threat of a general strike of east coast seamen was heard in New York. Alaskan ports faced an imminent food shortage. Authorities at Honolulu rushed preparations to cope with any violence that might arise.

The warehousemen agreed after a

Democratic Superiority Reason For Big Victory

Personalities of Programs and Better Program for Future Won People, Is Explanation of Chairman Winborne; Republican Votes Swelled Totals

Daily Dispatch Bureau, in the Sir Walter Hotel, Raleigh, Nov. 5.—The tremendous Democratic victory both in North Carolina and in the nation as a whole was due primarily to the superior personalities of the Democratic candidate and their superior programs, Chairman J. Wallace Winborne, of State Democratic Executive Committee, said here today, in analyzing the results of the election. Still another big factor is the greater intelligence of the masses and the fact that the people are doing their own thinking and arriving at their own conclusions as never before, Winborne said. "I am convinced that the two biggest factors in the overwhelming Dem-

"Ever Normal Granary" for Farm Lands, Crop Insurance, Farm Tenancy Included

WAGE REGULATION SOUGHT BY LABOR

Also Control Over Hours Is on A. F. of L. Program; Roosevelt Silent on His Program of Action; Vote Majority Expected To Be Right Around 10,000,000

(By The Associated Press.) With President Roosevelt's popular majority snowballing toward the smashing figure of 10,000,000 as late election returns rolled in, eager New Dealers busied themselves today with drafting suggestions for a broad program in the overwhelmingly Democratic 75th Congress.

A vast low-cost housing plan, an "ever normal granary" for farm lands, crop insurance, a drive to convert farm tenants into farm owners and A. F. of L. efforts to obtain new regulation of wages and working hours—all these bulked large in the thoughts of powerful groups among the President's followers.

Mr. Roosevelt gave no intimation of how he felt as to details of the various proposals.

Though millions of votes had not yet been tabulated, the President's popular plurality shot well past the 9,000,000 mark today. It already had set a new American record and was still climbing, with indications it would pass 10,000,000.

Total votes cast also had set an all-time record, reaching 40,897,173, with 17,521 voting districts still to be heard from. Of the total, Roosevelt

Smith Claims Arrest Due To Farley Venom

New Orleans, La., Nov. 5.—(AP)—The Rev. Gerald L. K. Smith said today his arrest on election eve was a forerunner of the attitude the "Farley dictatorship" will take on those who have been critical of it.

Smith, former organizer of share-croppers' clubs for the late Huey Long was given a suspended sentence of 30 or ten days when he was convicted in night court early today on charges of disturbing the peace, reviling the police and using obscene language. Four companions arrested with him were similarly sentenced.

"This arrest and incarceration is just a forerunner of the reprisals which we may expect all over America as the Farley dictatorship seeks revenge on those who have been critical of its program," he said.

Smith and his companions were taken into custody at a hotel after he returned from a mass meeting at which he criticized the party in State and nation.

Farm Meet Ordered In Washington

Peanut and Tobacco Compact Programs To Be Subjects for Discussions

Raleigh, Nov. 5 (AP)—Twenty-five or more North Carolina peanut growers are expected to attend a conference in Washington tomorrow with Federal officials concerning possible renewal of the peanut diversion plan. E. F. Arnold, executive secretary of the State Farm Bureau Federation, said the meeting had been arranged by Edward O. O'Neal, National Farm Bureau president, at the request of
