#### Stomach Gas So Bad Seems To Hurt Heart

"The gas on my stomach was so bad I could not eat or sleep. Even my heart seemed to hurt. A friend suggested Adlerika. The first dose I took brought me relief. Now I eat as I wish, sleep fine and never felt better."

—Mrs. Jas. Filler.

—Mrs. Jas. Filler.

Adlerika acts on BOTH upper and lower bowels white ordinary laxatives act on the lower bowel only. Adlerika gives your system a thorough cleansing, bringing out old, poisonous matter that you would not believe was in your system and that has been causing gas pains, sour stomach, nervousness and headaches for months.

Dr. H. L. Shaub, New York, reports: "In addition to intestinal cleansing, Adlerika greatly reduces bacteria and colon bacilli." Give your bowels a REAL cleansing with Adlerika and see how good you feel. Just one spoonful relieves GAS and stubborn constipation.

At all Leading Druggists.

## LENTEN SERVICES

Episcopal Church Announces Three Services During the Day

Preparations for the Lenten season were announced today by Rev. I. W. Hughes, rector of Holy Innocents Epis copal church, who said that Ash Wednesday tomorrow, the beginning of Lent, would be observed with three

Holy communion will be observed at 7:30 a. m., followed at 10:30 a. m., with service and sermon, and at 8 o'clock in the evening with evening prayer

To these as well as all of the series of services to all held during the Lenten period, continuing until Easter the general public is most cordially invited, Rev. Mr. Hughes announced

the church during Lent, and announ cement of these will be made from time to time. During the few days immediately preceding Easter, which this year comes on Sunday, March, 28, there will be a number of services The Lenten services are always well attended, and the public is invited to participate along with members of Holy Innocents church.

There will be frequent services at

Meeting of Growers from Over County Is Set for Two O'Clock

A meeting of farmers of the Vance county territory has been called for 2 o'clock next Friday afternoon in the court house here for the purpose of discussing and outlining the provisions of the 1937 soil conservation program, it was announced today by J. W. Sanders, county agent and director of crop control activities in the

H. A. Patton, of N. C. State College, Raleigh, who is State compliance supervisor for the soil conservation program, is to be present and explain the general features of the program as it applies to the 1937 crop season.

All producers are urged to attend this meeting, and tenants and landlords should both be present, Mr. Sanders said. He said that much misunderstanding could be avoided by attendance on this meeting, and an early start in the right direction made by obtaining this information before the start of the planting season.

Active pallbearers were announced as follows: Cary Howard, Grady Harris, R. C. Beck, L. Hodges, the tobacco compacts program this Claude Collins, Chief of Police C. E. Pace, Tracy Stockey and Dave Mcefits for reduction of their crops un- The meeting will be in the county less they come in on the soil conser- court house at 2 p. m. Friday.

#### School Cafeteria Well Patronized

The cafeteria at the new North Henderson school building was put into operation three weeks after the opening of school in Sepetember.

Miss Ruth Carter, teacher, of one of the second grades, has charge of Police officials were at loss to explain the reason for the shooting of F .B. Cooper. Miss Carter received special training for this work at the University of Minnesota and at the University of Louisville. She is especially well prepared and is carrying on this work in a most efficient way.

The cafeteria is very attractive and is being patronized by a large number of school children. Hot plate lunches, hot soups and

milk are served daily. Lunches are given to many of the children who cannot afford to buy them and those purchasing lunches are able to do so at a very small cost. The principal and teachers of the

school are emphasizing the importance of proper diet and of eating lunch at the noon hour recess. The entire school has become interested in this project. The teachers feel that it has greatly helped the attendance of the school.

Several civic organizations, as well as several individuals, have contributed to the fund used for the feeding school. The cafeteria is not being operated for the purpose of making money for the school. The object of the project is to feed the children the proper food at the smallest cost. The cafeter has been visited by

a great many friends from other communities, and also by a large number of interested patrons. The public is cordially invited to visit the lunch room at any time. The lunch hour at the school begins at 12:15 and is a forty five minute period.

The school now has an enrollment

of about three hundred children and practically every child in school is eating a noon day lunch.
