Contract Bridge MERE A GRAND SLAM? | rather than his J. When North IT IS declarer and his con- played low, dummy's Q was played 7-Spades. The opening and won. The Ace of spades then the J of hearts. Can de- picked up North's last trump at

the fifth trick. To regain his own hand the lowest spade was led from dummy and won with the 7. The J of diamonds was covered with North's K. Dummy's Ace won the seventh trick. Dummy's 10 of spades was led and overtaken with declarer's J.

Had declarer led a diamond at this juncture, North might have ayed so as to leave the lead of the last diamond from dummy, leaving declarer obliged to lead clubs from dummy and causing him to go down a trick. Fortunately West saw the possible pitforth made an opening call fall and avoided it. At the ninth er, to which East re- trick declarer led his 10 of clubs. 2-No Trumps. Of course North's J covered. Dummy's Q bid 3-Spades. On ac- won. The Ace of clubs won the ling the four Aces, next trick and took West's last ing no trumps and club. Declarer led dummy's third ept overcalling with club and ruffed, using his last West bid 6-Spades spade to win that eleventh trick.

Trumps, East bid the All declarer held were the 9-7 of diamonds. North held the 10-5 and fer won the first trick with dummy the Q-8. Thus far declarer arts. He played dum- had found every missing honor in hearts, then he led North's hand. He was far from immy's last heart. certain that player also held the ed that the opening 10 of diamonds. If South held the four K's, and played 10, the contract would be defeated. hat basis. The odds Declarer led the 9 of diamonds and hat the three missing North did not cover. What possidivided 2-1, rather ble good could a cover do his side at, and the necessity when dummy held the 8? The 9 ertaking in his own won, then declarer led his last dialead from dummy, mond, completing his contract sy est to lead a low trump, very fine play.
