Germany And Italy May Attack Spain, Is Fear In London

Additional German Warships Arrive Off Spanish Coast, With Some Vessels Hidden

PATROL OF OWN ON **COAST IS STARTED**

Two Nations Broke From England and France After Latter Two Refused To Join In Demonstration Against Loyalist Government; New Crisis In Spain

(By The Associated Press.) German and Italian warships pa trolled the coasts of Spain on their own initiative today, their comman-

ders acting in apparent concert. Italian vessels were under orders to strike back immediately at any "attack" from the Spanish government. The German battle fleet, about to be reinforced by the pocket battleship Graf Spee, was told to "protect German interests."

Uneasy fear still pervaded Britain that the joint Italian-German withdrawal from the non-intervention patrol, intended to isolate the Spanish war, was the forerunner of an attack against government Spain as "punishment" for an alleged attempt to torpedo the German cruiser Leipzig.

The German cruiser Koln arrived unexpectedly at Gibraltar, but whereabouts of the rest of the German fleet went unreported. Reports from Tangier, Morocco, said Italian and German warships had sailed from there

From Paris came word France and England would look askance at any Italo-German attempt to blockade the Spanish government coast.

Germany blamed Russia and Great Britain for the new European crisis which resulted when France and Britain refused to accede to German and Italian demands for a naval demonstration against the Valencia govern-

Meanwhile, a new cabinet crisis was reported in Catalonia, ally of the central Valencia government. There also were many spy arrests

FIVE PLANTS ARE CLOSED AT WARREN AND NILES, O.

Warren, Ohio, June 24-(AP)-Five manufacturers closed their plants in Warren and Niles today after the CIO notified its unions to abandon plants for a general sympathy strike.

John McKeown, CIO organizer, had said he had advised his unionists to abandon plants for a general industrial strike.

The walkout was threatened by CIO leaders who, piqued at the use of National Guardsmen, in defense of non-strikers entering and leaving Republic Steel Corporation's plant, and said 15,000 workmen would be held in protest.

The general strike threat was abandoned after police reserves were ordered out to protect non-strikers on entering the plant.

Stones were hurled at several of the 100 to 200 cars carrying one to five men each as they drove by Pine and Walnut streets and through the plant gates for the 7 a. m. shift.

The window of one machine was shattered. A large stone struck the side of another automobile as the men went to work under a court order enforced by steel-helmeted guardsmen. Thirty to 50 pickets were on duty.
