

KIDNAPING SCARE ENDS AS COUPLE SURRENDERS CHILD

Top left is Otto Horst, wealthy Chicagoan whose supposed son, Donald, center, was kidnaped by Mr. and Mrs. John Regan, who claim the 30-month-old boy is their own son. Regan said that Fred Ewart, above, drove the machine in which the child was driven away. Below, the boy is shown with Mrs. Horst. Question now seems to be—whose son is he?

KIDNAPED BOY RETURNED

Mrs. Linda Regan, who seized Donald Horst, 30-month-old supposed son of Mr. and Mrs. Otto Horst, from the yard of their Chicago home, is pictured in the office of the state's attorney in Chicago where she turned over the boy to authorities. Mrs. Regan and her husband and a friend seized the child, claiming he was their own. The Horsts also claim the boy is theirs.

Wife and Son of Airliner Victim

"KIDNAPED" BOY IN ORPHANAGE

Donald "Horst" in orphanage. The Chicago "kidnaping" now becomes a human interest story of many complications which authorities are trying to untangle. Thirty months ago, a child—little Donald—was born out of wedlock to Lydia Nelson and John Regan. Because of lack of money, they surrendered the child. Mrs. Otto Horst became the mother to all intents and purposes. Now, after all these months, love for the child caused the Regans to "kidnap" him. While both the Horsts and the Regans seek custody of the boy, authorities have placed him in an orphanage. He is seen with a sister of charity. (Central Press)

Wife Preservers

If your boiled cake icing will not set, put the cake into a warm oven for four or five minutes. Don't leave it too long or the frosting will harden.

Wife Preservers

When you make your jellies, do not forget that under-ripe, rather than over-ripe, fruits and berries make jellies of better consistency and flavor.

Wife Preservers

Sprinkle furniture polish on a small dish mop to clean the stair rail. The dust adheres to the mop more easily than to a cloth.

Wife Preservers

Mrs. Ed Hill of Cleveland, O., suggests that brushing the edges of the baked cake with cornstarch will prevent the frosting from running off.
