THE DEEDWOOD CAMP

Barclay On Bridge

THE MOST OPPONENTS could score on the hand would have been 450, as 5-Hearts could have been made.

Had North-South been vulnerable, the situation would have been different, as the game score in that event would have been more than the two-trick set, and there would have been some excuse for West's 4-Spade bid.

Hay Fever Sufferer Finds Cause of Malady

LOGAN CLENDENING, M. D. continued his experiments for fifteen years. Gives Himself Disease

Blackley dropped pollen extract in his nose and eyes and produced hay fever in himself out of season. He played a trick on one of his patients by blowing some pollen into her nose, not telling her what it was, producing an attack in her in the middle of the winter.

EDITOR'S NOTE: Seven pamphlets by Dr. Clendening can now be obtained by sending 40 cents in coin for each, and a self-addressed envelope stamped with a three-cent stamp, to Dr. Logan Clendening, in care of this paper.
