London, Sept. 7 .-- (AP)-Great Britain and France decided today their navies were "strong enough to ston Mediterranean piracy" without any help and determined to go ahead with the conference on the matter with or without Italy's participation. The decision was disclosed authoritatively, after Soviet Russia had protested to Italy and had been angrily rebuffed on charges that Italian "pirate" submarines were responsible for the sinking of two Soviet freighters in the sea lanes off Spain.

Japs Seize Mission Of U.S.Church

Shanghai, Sept. 8 (Wednesday)-(AP)-The Japanese Army today seized the huge American Seventh Day Advent mission property in the Yangtze Poo district, north of Shanghai, for military purposes. The property was confiscated, despite the protests of its owners and the fact that the mission flew many United States flags to identify it as American property.

Japanese warships were scattered down the Whangpoo all the way from Shanghai down to Woosung, about ten miles north of the city. They renewed their heavy bombardment of Chapei, Kiangwan and other Chinese concentrations in an effort to crack Chinese resistance and pave the way for a Japanese offensive inland.
