

President Seeks Happy Fishing Grounds

President Roosevelt and his party are shown aboard the White House yacht, Potomac, off Block Island in search of an abundant fishing grounds. The President took time out from piscatorial pursuits to outline his position on labor disputes in his Labor Day statement. Left to right are Harry Hopkins, Basil O'Connor, Dr. McIntyre, President Roosevelt and Capt. Bastedo. (Central Press)

Slain Officers, Bandit Seized in Ohio Gun Battle

Bandit Harry W. Chapman, wounded, surrenders. Edward Furry, top, Randolph, below. In a furious gun battle at Crystal Lake, near Springfield, O., a city policeman, a deputy sheriff and a bandit were shot and killed and another officer and bandit wounded. The officers had trapped four bandits in a cabin at the resort after the men had held up a restaurant proprietor and robbed him of \$1,300. Deputy Sheriff Edward Furry, 45, and Policeman Martin Randolph, 38, were killed. The dead bandit was Robert Cornetti, of Portsmouth, O. Harry Chapman, listed as from Chicago, was wounded and surrendered to officers as pictured above.

Shanghai Populace Flees Bombs

Looking down on the Garden Bridge in Shanghai, some of the 1,000,000 refugees from the native quarters of the stricken city are shown seeking the comparative safety of the International Settlement. Aerial bombs from both Chinese and Japanese planes have exacted a heavy toll in human lives and property damage. (Central Press)

Son Spirited Away

George Abell, whose son Tyler, 5, was recovered by his ex-wife, Mrs. Drew Pearson, from Abell's home in the lonely Isle of Sark, England, is shown above. When they were divorced Abell was allowed custody of the child six weeks a year. Mrs. Pearson, now wife of the famous newsman, charges he "kidnaped" the child. The Pearsons and the lad are in America.

Traffic Officer Blown 20 Feet Into Air In Shanghai Bombing

Traffic officers body hanging from tower

Released prisoner has his uniform removed. These are latest pictures from the Chinese war zone. One shows the body of a traffic policeman in Shanghai, blown 20 feet into the air, hanging over the edge of his traffic tower. He was merely one of hundreds of victims of aerial bombs that fell into the chief shopping center of Shanghai. The other shows a prisoner, one of 7,000 released from the huge Ward road jail, having his uniform removed by members of the Shanghai volunteer corps. The prisoners were released when the prison became a shambles in crossfire.

Hope in Infantile Battle

Whether or not science has at last found an effective preventive against infantile paralysis in the zinc sulphate nasal spray, will be known when the results of the first large scale test of the spray are tabulated at Preston Springs, Ontario, Canada. Dr. John Hauch of the Hagmeier Clinic is shown administering a dose to one of the 5,000 children who were treated in an effort to stem the mounting outbreak of the dread disease in the province.
