65 years ago.

TODAY'S HOROSCOPE Today's temperament is too enthusiastic, too fanciful for the native's good. It should be kept in careful bounds. Well handled, the life will be fortunate though perhaps not free from trouble; but if the natural roving instinct be allowed to assert itself, it will be a case of the "rolling stone."

ANSWERS TO TEN QUESTIONS

1. Forty days.

3. No. Several of the Presidents never went to college. 4. Nadir.

Shall we sit this one out?

Whippets do not eat before a race and a lot of humans who bet on them don't eat afterward.

PROPER FEEDING OF TURKEYS IS URGED

College Station, Raleigh, Sept. 16 .-Turkeys do not reach a good market-able size until they had had 24 to 28 weeks f even, rapid growth, according to C. F. Parrish, extension poultry specialist at State College.

Thursday, Sept. 16; Independence to spend in the first year of war pass-Day in Mexico, where the holiday con- ed 18 billion dollars (or more than half Feeding experiments have shown that proper feeding and care is particularly important during the growing period, he added, as any serious interference with the growth rate may result in deformed breast bonds and delayed maturity.

Most turkeys to be marketed during the holiday season will soon reach the finishing period, he continued. During this time, any change in en-vironment is likely to check the rate of growth.

League Will Invite U. S. To Give Aid

(Continued from Page One.)

many forms of Italian intervention in Spain. He demanded the Council take steps to protect the "legitimate rights" of his regime, and Spanish govern-ment ships be granted the protection of Nyon nine-power anti-piracy scheme set up to stop marauding submarines.

In reply, Yvon Delbos, French for-eign minister, who presided at Nyon, explained the conferees had achieved all that was possible at the time. He said attacks by surface craft and air-planes on Mediterranean shipping were on the agenda for an early meeting by the Nyon powers.

New Zealand interposed a new note a proposal for an internationally controlled plebiscite of Spain to determine whether the people want their present socialist government or the Fascist insurgents.

United States Must Decide Quick dispatch of invitations to Washington and 22 other capitals made it certain the United States must soon decide if she will cooperate with the committee, on which a rep-

resentative formerly served. By its action, the League also push ed into the background any questions peal under the covenant Article XVII,

Nazis' Red Menace

Here is a picture of the anti-Bolshevist exhibition that featured the annual Nazi party congress at Nu-remberg. Staff Chief Fischer is shown during an address at the opening of the show. Note the fear-some Red soldier at top, pictured striding across the world.

A Problem for Mama

Elfriede Auguste and Auguste Elfriede Sejvel (left to right or right to Elfriede Auguste and Auguste shifted the most identical twins known to left—what's the difference?) are the most identical twins known to science. They are Viennese, pictured in their home city. They have the same tastes, same heartbeat, same blood-pressure, same tone of voice, same weight. It is even claimed that their fingerprints are alike. What a job for mama! (Central Press)

Outstanding
