

Bulldogs Preparing For Bethel Hill Thursday

Apex Handed Locals First Defeat of Season; Miller Plans to Work Boys Hard Today and Tuesday; Edwards Looks Good at End; Rideout Standout

Smartering under the sting of an 18-6 defeat administered by Apex high school last Friday, Henderson high school Bulldogs began preparations today for Bethel Hill here Thursday afternoon at 3:30 o'clock on the high school athletic field.

The game has been switched from Friday to Thursday since the student body desires to attend the N. C. State Fair in Raleigh Friday.

Apex clearly outclassed the Bulldogs being heavier and more experienced. It was Henderson's first defeat of the year, and was also the locals first conference test.

Coach Bing Miller used some reserves during the latter stages of Friday's battle, giving them a taste of what it feels like under fire. Sumpter and Stewart, both in the line, looked very good.

Henderson's outstanding defensive player in the contest was little Robert Rideout, center, who turned in the best game of his career, pulling down Apex ball carriers time and time again. Edgar Edwards, lanky boy, looked good at end also, scoring Henderson's only touchdown, and may bet the call to the flank post Thursday over Billy Candler.

Plenty of hard work was on tap this afternoon and again tomorrow, according to Miller, and lots of polishing needs to be done. Billy Peace has

an injured leg, and was not at his best against Apex. Dunne, quarterback, did not make the trip Friday, difficulties at school kept him out of the game.

Bethel Hill played Chapel Hill last Friday, the University boys winning by a 37 to 6 score.

YANKS SCORE 4-2 WIN OVER GIANTS

Take World's Series For American League, 4 Games to 1

Polo Grounds, New York, Oct. 11.—(AP)—The conquering Yankees climaxed another record-smashing chapter in their book of amazing baseball accomplishments Sunday by overpowering the Giants in a booming finish to the second successive all-New York world series.

To the accompaniment of their biggest burst of long-range fire in the series, the Yankees blasted out a 4

to 2 victory on a rain-drenched diamond in the fifth and final game while Lefty Gomez repulsed repeated counter attacks by the Giants after Mel Ott's homer tied the score in the third inning.

The triumph by the Yankees, 4 games to 1, marked the second straight contest of their neighboring rivals, their fifth successive victory in baseball's big-money battle and their sixth since the war. They won previously in 1923, 1927, 1928, 1932 and 1936.

All-Time Record This set an all-time record. The Yankees broke a tie with the Boston Red Sox and Philadelphia Athletics, each of whom was victorious in five world series. The champions of the world now have captured 20 of their last 23 series games and there's no club in either league that in two years has come close to challenging their supremacy.

Gomez was the hero of the decisive game as the Yankees tallied all their runs off the portside delivery of gangling Cliff Melton, Giant freshman who failed for the second time in the series. Five of the eight Yankee hits went for extra bases including a double, two triples and two home runs, but Gomez enjoyed the distinction of batting home the winning run with a single as he repeated his opening game triumph over the Giants.

SELLING IN STEELS DEPRESSES STOCKS

Volume Is Small, However, as Only Encouragement to Traders; Tomorrow Is Holiday

New York, Oct. 11.—(AP)—Selling in major steels put the stock market on the defensive today and many leaders dipped fractions to three or more points to new lows for the year or longer. About the only encouragement trading forces could find in the proceedings was the comparative smallness of volume. Dealings were quiet from the start, but few recoveries were in evidence near the fourth hour. Tending to put brakes on buying continents, brokers said, was weakness of securities in London, Paris and Amsterdam, attributed partly to the new Franco-Italian row over Spain. Lightening of commitments was also thought to be inspired partly by the fact that the market will be closed tomorrow for Columbus Day. Pending the President's "fireside chat" to be broadcast tomorrow evening, some customers also viewed the sidelines as exceptionally comfortable. Bonds and commodities generally pointed lower.

Still Warring On Typhoid and T. B.

(Continued from Page One.) tically 100 per cent preventable. There were 60.9 deaths per 100,000 from t. b. in 1936, as against 139.2 in 1914, but physicians now know how to treat the "white plague" and health officials feel that the present mortality rate could be still further reduced.

Typhoid fever has been on the downgrade since the World War. It was during that period that it was learned for a certainty that preventive methods were effective in fact as well as in theory. This was proven beyond any doubt. In 1914 deaths from typhoid fever in North Carolina numbered 839, in 1936 there were only 71. In no year since 1933 has the number of deaths from typhoid in North Carolina reached 100.

Dr. Carl V. Reynolds has called attention to the fact that if typhoid were as prevalent as syphilis, or if the same percentage of people had tuberculosis as are afflicted with syphilis, the entire state would be thrown into a state of panic.

STATE AND V. P. I. TO PLAY AT NIGHT

Techs of North Carolina and Virginia Clash Saturday at Raleigh

College Station, Raleigh, Oct. 11.—Virginia Tech of Blacksburg will send one of its best teams of recent years here Saturday to do battle with State College's Wolfpack in a Southern Conference grid feature.

The game will be staged in State's beautiful Riddick Stadium and the kick-off has been set for 8 o'clock Saturday night. The tilt comes as a climax to North Carolina's annual State Fair.

The game will rival the Fair in color and excitement for in the Tech backfield and in the State backfield

are some of the South's finest running backs.

Tech looks with pride upon Captain Carol Shockey, left halfback, and Mel Henry, right halfback. They gave State plenty of trouble here last fall and will face the Wolves on Saturday night greatly improved ball player. State's own brilliant backs, Eddie "Little Buzzer" Berlinski, left halfback, and Art Rooney, right halfback, will be out to outshine and outrun the boys from Virginia. It is a big task these two have taken upon themselves to do better than Shockey and Henry, but the speedy youngsters say they can do it.

These four backs should produce some of the greatest backfield play to be seen in Riddick Stadium this fall, despite the fact that Tech's defense will be set to stop Berlinski and Rooney and State's defense will be designed to stop Shockey and Henry.

BIG FIVE ELEVENS IN FULL WEEK-END

Duke-Vols Scoreless; Heels Whip Violets, State Ties, Cats Losers

Duke and Tennessee battled to a scoreless deadlock Saturday in Durham's "Battle of the South" to headline the week-end's grid card among the Big Five schools. A crowd of 38,

000 witnessed the encounter. The Tar Heels from the University of North Carolina showed their heels to a highly rated New York University Violets eleven on Ohio Field in New York, winning 19 to 6. State and Furman played to a 7-7 deadlock at Greenville Saturday night, and Wake Forest turned in a win over the Erskine Scodders Friday night at Wake Forest. Davidson was the only Big Five school that suffered a defeat. Without the services of their great back, Lafferty, the Wildcats went down 7 to 0 as V. M. I.'s Shu did the shining during the tilt.

SPOILED FOOD WARNS TOO LATE!
Food may look good, smell good, and taste good and yet be unfit to eat! Food spoilage does not always warn of its presence. No one should take chances. For safety, keep food at temperatures between 32 and 50 degrees Fahrenheit, all the time. Frigidaire with the Meter-Miser provides constant safety-zone temperatures, and proves it with a Food-Safety Indicator on the outside of the cabinet door, always in plain sight.

AND THEY QUIBBLED OVER \$1,000

Charlie Ruffing and Col. Jake Ruppert

Several months ago these two gentlemen quibbled over \$1,000, the amount the gentleman at the left wanted because of his hitting ability. The gentleman at the right refused to make the concession and the gentleman at the left turned up as the season's biggest and longest holdout. But look at them now! There's a reason, however, for the gentleman at the right has just won a world series ball game for the gentleman at the left is Charlie Ruffing, Yankee pitcher. The gentleman at the right is Col. Jake Ruppert, owner of the Yanks.

YOU NEED THESE life-saving advantages OF CONCRETE

From your own experience you know that concrete is the safest road. Its even surface makes driving easier, reduces nervous strain and results in better car control. Its gritty texture improves traction and braking, resists skidding, wet or dry. Because of its flat "crown" drivers don't tend to ride the center of the road—passing is safer. Concrete makes night driving safer. Its light-grey surface reflects more light, helps you see better. Illuminates obstacles and pedestrians. Sharply defines the edges and helps you stay on the road. Highway officials are striving to reduce traffic accidents. Urge them to pave with concrete and secure for your community the safest as well as most economical pavement money can buy. You can benefit by your active interest as many others have done.
