#### MRS. GODWIN DENIES SOLICITOR'S CLAIMS

Harnett Woman, on Trial for Husband's Slaying, Says She Didn't Put Gun on Him

Lillington, Nov. 23 (AP)-Defense testimony neared a close on the trial of Mrs. Sina Pope Godwin today as the comely 37-year-old widow, facing a charge of slaying her third husband Furman Godwin, completed six hours on the stand.

Solicitor C. C. Cannady cross-examined Mrs. Godwin for two hours today, after which the defendant's mother, Mrs. J. C. Pope, testified.

Mrs. Godwin denied the solicitor's contention she had placed a pistol on her dead husband and said she had "never owned a gun."

The solicitor contended she had killed her husband to gain possession of his property. Mrs. Pope corroborated her daught-

er's testimony.

Mrs. Godwin, on the stand four hours yesterday, told the jury, "I shot to save my life," after the defense formally admitted the defendant shot and killed her husband, and entered a plea of self-defense.

Roosevelt Calls In Some of His Main Advisors To Discuss Government Means of Aiding Business; May Get Wage Bill Out By Signature Method

Washington, Nov. 23 .- (AP)- The Senate went to work on long-range

farm legislation today after side-track ing the anti-lynching bill.

As it did so, administration leaders, trying to push forward with the President's program on another point, abandoned hope of getting the wages and hours bill from the House Rules Committee. The committee has refused since last summer to let the House

consider the labor measure. During the day a House sub-commitee agreed tentatively to a complete revision of the corporate tax system. It would increase abandonment of undistributed profits levies on corporations with incomes of \$25,000 or less, and modifications on incomes

greater than that. The farm bill, providing surplus crop control, was called up in the Senate as soon as Senator Wagner, Democrat, New York, withdrew his motion to take up the anti-lynching
