

# Middleburg Whips Henderson Highs 13-11 In Slugfest

## Callaway Leads Locals With Heavy Stick Work

### Jackson Fans 20 Men As Three Henderson Pitchers Are Shelled

Dick Calloway's big bat went on a rampage yesterday but it was not enough to bring Henderson from behind as Middleburg highs racked up a 13-11 victory over the Bulldogs at Middleburg.

The big catcher of the Bulldogs rapped out two triples, a home run and a single, and was walked the fifth time he came to the plate with a man on base, giving him a perfect day.

Coach Bing Miller didn't get the pitching he expected from Owens and Smith, Middleburg chasing Owens after the second inning in which four tallies were registered, and Smith took over the duties until the fifth when he was greeted with a string of base hits that gave Middleburg five runs. Lefty Riggan took over the hurling at this point and did fair work the remainder of the way.

Jackson Fans 20  
Jackson proved too much for 20 Henderson hitters, who went out by the strike out. He gave life to six of them by free passes to first base. Edgar Edwards helped Calloway with the batting, getting three hits, a home run and two singles. Turner was the only other Bulldog to get more than one hit.

Jackson was best at bat for Middleburg with a home run, triple and a single. Breedlove, Bennett and White got two hits each to aid in copping the victory.

Henderson journeys to Wake Forest tomorrow afternoon and returns to the home lot Friday for a return engagement with Middleburg.

## DEACONS TO PLAY STATE THURSDAY

Wake Forest, April 20—"Old Timers' Baseball Game" is the name given the tilt to be played here at Wake Forest Thursday afternoon, beginning at 3:35 between the Deacons and their arch-foe N. C. State. All former Wake Forest varsity baseball players are invited to return to the campus for this tilt as the guest of the college, and indications are, that a large turn-out of ex-Deacons will be on hand for the first pitch, in this all-important Big Five and Southern Conference game. It is practically impossible to recall an athletic contest between Wake Forest and State that was not thrilling to witness, regardless of the score and whether or not it be football or chess, and for this reason, officials here decided to set aside a Wolfpack contest as the one for the "Old Timers" of this Baptist Institution to come back to en masse.

## ROCKETS WIN OVER NORTH END JUNIORS

The Rockets whipped North Henderson Juniors yesterday afternoon 13-8 at North Henderson in a fast ball game that was packed with plenty of pep and thrills. Huffman, Braswell, Johnson and Reams worked for the winners, while Wortham, Moore and King were the losing batter. "Doc" Braswell used his stick to the best advantage of any with a homer and two doubles for the winners. Wilkins turned in the best stick work for the losers with a triple and a double. The teams will meet again Thursday afternoon at 4 o'clock, at the North Henderson Parish diamond.

## ROOSEVELT HONEYMOON COTTAGE

Where young Roosevelt, bride will honeymoon

Workmen are putting the finishing touches on "Fairlyland-by-the-sea", where John Roosevelt, son of the president, and his bride, Ann Lindsay Clark, will pass part of their honeymoon following their marriage, June 18. This new 12-room summer home of Mrs. F. Haven Clark, mother of the bride-to-be, is at Nahant, Mass., where the ceremony will take place. The house overlooks the Atlantic ocean on three sides and is streamlined and modernistic. There is a swimming pool to the left.

## FRANKLINTON NINE VICTIM OF EPSOM

### June Ellington Continues to Pile Up Strike Outs, Garnering 17

Epsom continued its victorious march through high school opposition yesterday afternoon, shellacking Franklinton 10-3 at Franklinton as June Ellington fanned 17 men, running his total to 93 for 49 innings pitched. Paired with Renn, the other hurler on Epsom's staff, 150 strikeouts have been chalked up by the pitchers in 85 innings of play.

Batting honors for the day were distributed among W. Hayes, with two for four, W. Dickerson, two for three, Edwards, four for five, Ellington two for six and Duke, two for six. Franklinton's four hits were scattered among the players.

Epsom meets South Henderson at Epsom Friday afternoon at 3:30 o'clock. Score by innings:  
Epsom . . . . . 400 112 011-13  
Franklinton . . . . . 030 000 000-3

## HIGHS WILL SEND TRACK TEAM OFF

Coach Bing Miller plans to send six boys from here to the 26th Annual Interscholastic track meet at Chapel Hill April 22, he announced today.

Henderson, in the past, has not had representatives in the meets staged by the N. C. High School Athletic Association.

The boys going and their events are as follows: Charlie "Chick" Stewart, 100 yard dash; George Slack, high jump and broad jump; Kenneth "Bob" Johnson, discus and shot; Guy Sumpter, 440 and mile relay; James "Hunk" Coghill, relay, Marshall Garrett, 440 and relay.

## Candidates Filing As Deadline Nears

(Continued from Page One.)

didate, says it isn't so that he wants to ban all big trucks and buses from North Carolina highways. Rowan drys have said they will put a complete and solid ticket (including two candidates for House seats) in the field. George Uzzell, incumbent and wet, is already in the field, and Walter (Pete) Murphy, veteran and also wet, was expected to announce at any minute (may have done so ere you read these lines). This column's map of North Carolina shows a minimum of 200 candidates for House seats, and there will certainly be nearly twice that number when all the filing has been done.

All political news sinks into comparative insignificance these days, however, what with the baseball season opening in the big leagues. Joe DiMaggio is a far more important Italian at this moment than is Benito Mussolini, and Dizzy Dean's trade intrigues many more Tar Heels than does the Reynolds-Hancock campaign.

## Davidson Meets Wofford

Davidson, April 20—The Davidson Wildcats tied with William and Mary for fifth place in the Southern Conference standings will seek to score their third straight and fourth win of the season when they meet the Wofford Terriers here Thursday afternoon at 3:30 o'clock on Richardson field.

## No Drastic Steps Likely On Old A. & N. C. Road

(Continued from Page One.)  
statement of Manager H. P. Crowell that the road showed a profit for the month. The furlough plan, it was announced by Mr. Crowell, was adopted in view of the precipitate drop shown by April receipts.  
The A. and N. C. has long been a source of concern to State officials. It was predicted when the Morehead terminals were completed that there would be a change for the better, but such predictions have not been met.

As a matter of fact, the business handled through the port of Morehead, figures show, has been confined almost exclusively to a brisk, but brief, spurt in the export of scrap iron, an item which has fallen off in recent months almost to the vanishing point.

Imports through the port have been virtually nil, two small cargoes of salt (one of which lay in Morehead for about a year and was then shipped elsewhere by water) and one of beer representing practically the gross total.

According to figures from the United States district engineer's office, the port of Morehead showed no imports whatever for the year 1937.

Exports amounted to 61,956 tons, valued at \$1,086,263 all in scrap iron. For 1937, the volume of coastwise commerce amounted to 845 tons with a valuation of \$73,260.

In discussion of the entire port and rail question, Governor Hoey said that there is apparently nothing that can be done until North Carolina shippers begin to ship their goods out of the

State through North Carolina ports. Unofficial estimates are that if one plant such as the Chatham Blanket Company, or the Champion Fibre Company, both of which use either Charleston or Norfolk, or both, as shipping ports, would switch its water transportation business to Morehead City, the resulting revenue would be more

than sufficient for the A. and N. C. to show a profit. Governor Hoey pointed out, however, that neither these companies or any others can be expected to use North Carolina ports when the existing freight rate differentials make it cheaper for them to ship through out-of-the-State ports.
