House Completes Action On State's PWA Bond Bills

Certificate of Convenience Must Be Obtained Before Building Is **PWA Money**

the two Hoey-sponsored bills to permit State and local unit participation in Federal PWA grants and loans.

The State bond issue bill to authorize \$4,620,000 for a permanent im provement program estimated to cost about \$8,240,510, including expected PWA funds, passed 95 to 0.

Before passing the measure to permit counties and municipalities to is sue revenue bonds for PWA-aided projects, the House put in a com-promise amendment to require certificate of convenience and necessity from the State Utilities Commission for electric and gas projects not authorized by previous legislation.

the amendment was adopted 51 to 40. Both measures now must pass three readings on three separate days in the Senate. Governor Hoey called the legislature into extraordinary session to enact them and a bill which was made New York World's Fair.

The convenience certificate amendment brought forth heated opposition from Brooks, of Johnston, and Lump-

Road Board Asks Surplus Work Funds

Raleigh, Aug. 10 .- (AP)-The State Highway and Public Works Commis sion drew up a request to Governor Hoey today to allocate money from its surplus to correct "hazardous conditions" on North Carolina roads, Chairman Frank Dunlap said.

Meeting in special session, the commission decided to send the reques later in the day. Dunlap explained any release of its contents would come from Hoey's office. The commission's unencumbered

surplus as of July 1 totalled about \$3,500,000.

Dunlap said the commission would needing attention, but neither he nor commission members would say amount in the request. It will not include further prison projects, already in progress under a \$1,000,000 PWAbacked program.

Raleigh, Aug. 10 .- Some of the legislators who whooped the special session bond act bill through the House are now beginning to wonder if they The final vote was 72 to 15, after handed Governor Ciyde R. Hoey and his Council of State something in the nature of a blank check.

Suspicions of this sort were at first allayed and quieted by the fact that each and every purpose was set out by name and specification and law yesterday to appropriate \$75,000 it appeared to all that there was no for State participation in the 1939 earthly chance of using the money for anything not so diagrammed and specified in the act.

It is true that the section is full of "provided" and "provided, further" clauses: but this fact is an additional source of worriment, rather than a pacifier for those who are uneasy in their minds.

Here's what Sec. 8 says: "That the governor, with the advice of the Council of State, is hereby authorized and empowered to re-allocate the sums appropriated in the foregoing section of this act, and to provide that the same may be used and

After the preparatory barrage, the Soviet infantry charged "hill 52," a half mile south of Chengkufeng, during the night, but was repulsed, the communique said. Soviet occupation of Chengkufeng hill, is disputed territory, and Japanese action to recapture it provoked the present border crisis.

The position of the Japanese right flank about "hill 52" could not be established definitely this morning, however. A battery of Japanese mountain guns on the hill had directed its fire to the east yesterday afternoon, apparently against Russian tanks.

The Russians followed with a blanket of fire, and after a half hour of bombardment the ridge was smoking and scarred by at least 150 shells.

Carroll Will Plead "Alibi"

South Paris Me., Aug. 10.-(AP)-Francis Carroll, former deputy sheriff took the stand today and sought through an alibi to prove his innocence of the murder of Dr. James Littlefield, of which he was accused by Paul Dwyer, 19, the State's star witnesses, who previously pleaded guilty and is serving a life sentence for the crime. Counsel for Carroll, Clyde Chapman, read a list of 36 defense witnesses but the name of the former deputy's daughter, 18, was not included. Dwyer, in his testimony, had asserted Dr. Littlefield's knowledge of letters in

Chapman said the defense would show Carroll attended an American Legion supper the night the doctor and his wife were slain, and that Carroll went from the supper to the sheriff's office. Carroll was calm when he took the stand.

Government Sinks Wedge

Hendaye, France, Aug. 10.-(AP)-Spanish government troops drove deep wedge into the insurgent stronghold between Balaguer and Lerida in Catalonia today in a sudden shift of the offensive to a new sector.

Barcelona dispatches said the Segre river had been crossed between the two centers and a new government line established on the west bank of the wide stream, which flows south. The offensive is the third trip-hammer blow government troops have dealt Insurgent General Franco's forces in two weeks. The first blow fell July 25, when the militiamen crossed concentrated the main masses of his armies far to the south for an offensive against Valencia.

No sooner had Franco shifted his man-power to the Gandesa sector, 12 miles southwest of the Ebro, than the government jabbed at his extreme right flank west of Teruel and rolled him back for a nine-mile advance. During all this time, and unnoticed

New Congress May Bar Some 1938 Winners

By CHARLES P. STEWART Central Press Columnist

Washington, Aug. 10.-Membership in Congress of several who win the November election may be contested. An elected candidate can be barred Lilienthal and H. A. Morgan agreed even though there is no doubt that he outvoted all rivals, if it is proved that he got his majority by unethical methods, such as excessive expenditures or the exercise of improper influence in the primaries or in November. Such an exclusion does not seat any one in place of the excluded aspirant but it leaves that seat vacant until another election has been held. In my time in Washington there have been three such exclusions by the Senate. There may have been more in the lower chamber but it is impossible to keep track of the House of Representatives.

Mrs. Caraway Has Slender Lead in Arkansas: Bulklev Easv Winner in Ohio Much to Delight of Administration Supporters

(By The Associated Press) James Pope, of Idaho, became today the second administration senator to go down in defeat this year before a Democratic primary opponent. He conceded this afternoon Representative Worth Clark, an avowed conservative, had beaten him in yesterday's primary balloting, in which New Deal support was the main issue.

The only comparable case was that of Senator Herbert Hitchcock, of South Dakota, who lost his primary race to former Governor Tom Berry, a Roosevelt supporter with conservative leanings

Pope's defeat tempered considerably the joy of administration lieutenants over Senator Robert Bulkley's smashing victory over former Governor George White in Ohio. Bulkley had President Roosevelt's personal support. Pope had been supported by Postmaster General Farley, who spoke for him and had been openly and recently defended by Secretary Hull for his reciprocal trade treaty stand

In Ohio also, reform candidate Charles Sawyer captured the Democratic gubernatorial nomination over CIO-baiting Governor Martin Davey. When unofficial figures showed Sawyer's margin in excess of 16,000 Governor Davey wired Sawyer from
