ANNOUNCEMENT

I SHALL NOT PASS AGAIN THIS WAY.

The bread that bringeth strength I want to give,
The water pure that bids the thirsty live;
I want to help the fainting day by day;
I'm sure I shall not pass again this way.

I want to give the oil of joy for tears,
The faith to conquer crowding doubts and fears,
Beauty for ashes may I give away;
I'm sure I shall not pass again this way.

I want to give good measure running o'er
And into angry hearts I want to pour
The answer soft that turneth wrath away;
I'm sure I shall not pass again this way.

I want to give to others hope and faith,
I want to do all that the Master saith;
I want to live aright from day to day;
I'm sure I shall not pass again this way.

Business Meeting Had By Clarke St. P.-T. A.

The Clarke street P.-T. A. held its first meeting of the year Wednesday afternoon in the school assembly room, with the new president, Mrs. Clyde L. Finch, presiding.

Mrs. Finch presented Rev. J. D. Cranford, who conducted the devotional exercises for the afternoon, after which she, in a brief message, pledged her services to the organization for the coming year.

Minutes of the last meeting were read, and the treasurer's report was given. Mrs. H. L. Keller explained the operation of the school cafeteria, and asked for contributions of kitchen equipment. The response was very gratifying.

Plans were made for decorating a

booth at the county fair.

It was decided to have an entertainment at the high school instead of the annual Hallowe'en party.

Grade representatives for this year are as follows:

Miss Gary's first grade: Mrs. N. D. Holloway, Mrs. John Mundy.

Miss Woolard's second grade: not selected.

Mrs. Cooper's third grade: Mrs. J. D. Mayo, Mrs. C. E. Greene, Mrs. George Rose, Jr.

Mrs. Massenburg's fourth grade: Mrs. F. S. Clarke, Mrs. H. L. Ellington, Mrs. P. E. Winstead.

Mrs. Rose's fourth grade: Mrs. H. L. Keller, Mrs. I. B. Watkins.

Mrs. Moore's fifth grade: Mrs. R. E. Va Dyke, Mrs. P. W. Rowland.

Kittrell, at High Point; and Miss Florence Smith, daughter of Mr. and Mrs. B. H. Smith, at Peace college.

The total number of boys and girls attending college who live within two blocks of Granite street is now raised to 38, with 22 colleges being represented.

The president, Mrs. H. L. Wright, called the meeting to order, and several items of business were discussed.

Mrs. J. K. Plummer gave an interesting and beneficial lecture on fall planting of bulbs.

Mrs. Arthur Wright submitted her name for membership into the club.

After the business meeting, guests were invited into the dining room where sandwiches and fruit juices were served.
