Henderson estimated today there were 10,569,000 unemployed persons in the country in October.

Henderson, former WPA economist, gave the estimate in the course of summing up for the monopoly committee two days of testimony on the effects of the 1929 depression in terms both of losses in wealth produced and maladjustment in the economic ma-chine. Henderson is the committee's secretary. He said there were no regular current figures officially maintained on unemployment, but that he had made his own unofficial estimates for March, 1933, when estimated unemployment stood at 14,317,000.

The low point from that time to the present was in July, 1937, when the figure was 7.412.000. he asserted.

Find Girl of 23 Brutally Murdered In Pittsburgh Lot

Pittsburgh, Pa., Dec. 3.-(AP)-A brutally slashed and stabbed and unidentified girl about 23 was found slain early today in a vacant lot on Pittsburgh's Northside. Police reported her torn clothing indicated the victim may have been killed after an unsuccessful attempt had been made to attack her. Coroner's aides reported numerous marks on her neck and shoulders appeared to be teeth marks. She had been stabbed more than fifty times.

Investigators said a laundry tag pin ned inside the girl's coat might lead to her identification.

FINLAND, AS USUAL, WILL PAY ON DEBT

Washington, Dec. 3.-(AP)-Finland notified the State Department today that as usual it would make its semi-annual debt payment to the United States on December 15. Only Finland of the 13 nations whose debts to this country have been swollen by interest to some thirteen billion dollars since the World War, has met its obligations without default. Finland's December 15 install-ment totals \$232,935.
