

Polling Places Chosen For Crop Vote Saturday

Committees in Charge Also Named for Every Township in County in Referenda on Tobacco and Cotton Control for Next Year

Polling places and committees to be in charge of them for the tobacco and cotton referenda next Saturday were announced today by County Agent J. W. Sanders. AAA director for the county. There will be a polling place in each of the nine townships of the county, and at each of them will be three men in charge of the balloting. Voting will be from 8 a. m. to 5 p. m. Separate ballots will be cast for tobacco and cotton, and each will carry or fail without relation to the other.

While most observers appear to think the negative vote will be larger than that of last spring, it is the opinion of many that there will be sufficient votes in favor of crop control for 1939 to carry both issues. In order to prevail, two-thirds of those actually voting must be favorable.

Polling places and the officials in charge of each were announced today

by Mr. Sanders as follows, by townships:

Dabney—Norwood's store; L. W. Burroughs, S. M. Ellington, J. H. Harris.

Henderson—Court house, upstairs in court room; H. T. Fleming, C. B. Bassett, L. G. Frazier.

Kittrell—Continental Plant Company, new office; C. E. Woodlief, P. D. Coghill, J. M. Barnes.

Middleburg—Bennett's store; I. J. Jackson, Jr., V. M. Breedlove, J. T. Hester.

Nutbush—Walston's store; W. W. White, Edmund White, J. C. Watkins.

Sandy Creek—Aycock School Shop; C. E. Hoyle, C. A. Collins, W. J. Bowen.

Townsville—Taylor's store; Henry Tucker, J. G. Moody, E. B. Taylor.

Watkins—Renn's store; M. G. Kittrell, W. H. Greenway, Simon Harris.

Williamsboro—Wilson's store; J. H. Rice, N. G. Knott, J. S. Norwood.

AUTO PLATE SALES ABOVE LAST YEAR

Over 20 Percent Increase Compared With Like Period in 1937

Through Monday the fourth day of the month since sales were started, a total of 512 sets of State automobile license plates for 1939 had been sold by W. C. Cates, manager of the branch office here of the Carolina Motor Club, he reported today. Included in the total were 439 sets of automobile plates, 30 for trucks and 43 for trailers.

For the first four days of the sales period in December, 1937, total sales were 424, including 353 automobiles, 26 trucks and 35 trailers. Sales to date for 1939 licenses are, therefore, more than twenty percent ahead of the comparative period a year ago.

The City of Henderson had sold 61 1939 city license plates up to today, it was learned at the office of the city clerk, where the plates are obtainable.

SALES GIRLS FOR STORES ASKED FOR

Employment Office Issues Call; Office Lists Cut In Half

A further call for sales girls for work during the holiday rush was issued today by J. S. Cude, manager of the local office of the North Carolina State Employment Service here. At the same time, he announced that more than half the cards in the active file in the office for Vance county had been cancelled because of failure of applicants for work to renew their registrations.

The employment office manager said the openings for which workers are sought have been on file for some time and must be filled immediately in order that the girls may receive the necessary training before the shopping rush gets under way in earnest. He explained that no sales experience is required of applicants for these jobs. High school graduates over 18 years of age are given preference, although neither of these qualifications is an absolute requirement. A good appearance and ability to meet the public are essentials, however. Applicants need not necessarily be residents of Henderson, it was stated.

The service encourages unemployed persons to contact the office at least once a month, but does not actually remove the applicants from the active file until they have failed to visit the office for sixty days, Cude said. Removal from active file means that the persons affected will not receive consideration for jobs unless it is found that the active file does not contain qualified applicants. Cude further pointed out that renewal may be made by telephone, by mail or by personal visit.

JURORS DRAWN FOR COURT IN JANUARY

One Week Term Will Be For Trial Of Criminal Cases Alone

Fifty jurors to serve at the regular criminal term of Vance Superior Court in January were drawn by the Vance Board of County Commissioners Monday afternoon. A new six-months grand jury will be constituted at that time to serve during the first half of 1939, and for that reason an unusually large number of jurors were selected.

It is understood Judge Bone of Nashville is scheduled to hold the term, which is to be held the second week of the month, starting on Monday, January 9.

Jurors drawn, listed by townships, are:

Henderson—R. S. Daniel, A. A. Stainback, R. J. Jones, A. D. Adcock, George A. Harris, W. M. Halthcock, J. C. Cooper, W. C. Cates, Jr., Al. E. Wester, D. L. Hamm, John D. Williams, C. F. Tankersley, J. L. E. Turner, B. H. Nelson, Garland Greenway, Jasper Parham, R. H. Duke, F. B. Currin, J. E. Branch, C. M. Hight, C. D. Allen, A. D. Patterson, H. E. Ellington, P. M. Porter, John C. Church, Sol Hayes.

Kittrell—John Woodlief, E. B. Parrish, J. R. Rowland, E. H. Hunt, J. D. Whitley, H. A. Stone, E. O. Young, Sr.

Williamsboro—C. S. Averett, W. T. Woody, V. E. Knott.

Townsville—G. B. Brewer, William L. Riggan.

Middleburg—G. E. Blum, F. B. White, R. L. Fleming, C. R. Sturges.

Sandy Creek—G. T. Robertson, O. W. Weldon, H. T. Fleming, C. D. Mabry.

Dabney—L. F. Floyd, J. C. Glover.

Watkins—E. B. Newton, J. W. Harris.

TAX RECEIPTS FOR COUNTY \$18,645.77

Tax collections for the county of Vance during November amounted to \$18,645.77, including credits for rebates, discounts and such other small items, F. M. Dorsey, tax collector, said in his monthly report to the Board of County Commissioners Monday.

Another report filed was that of W. S. Strange, as jailor, who reported 333 jail days served by prisoners committed to his care during November, and said that at the end of the month there were 30 prisoners in the jail. It was Strange's final report as jailor, having been succeeded Monday by Ed W. Ellis, appointed by Lennie L. Swanson on his assumption of office as sheriff.

The commissioners appointed Dr. Vance B. Rollins as medical director of the Sanatorium for tuberculosis patients. The board also named Frank Gupton as constable for Middleburg township.

Chairman S. B. Rogers, of the board and the county attorney, Irvine E. Watkins, were designated as custodians of the county's securities.

Good Gain In Cotton Prices

New York, Dec. 6.—(AP)—Cotton futures opened three to six points higher on improved Liverpool cables, trade and foreign buying. March recovered from 8.17 to the opening high of 8.20, leaving prices two to six points net higher shortly after the first half hour. March sold up to 8.23 by midday, when the market showed net advances of seven to ten points.

Stock Market Some Firmer

New York, Dec. 6.—(AP)—Buying support returned to the stock market today, and gave pivotal issues a lift of fractions to more than two points. While dealings were none too lively, they were considerably ahead of yesterday's slow motion session. Light profit-taking on the revival was in evidence, but prices were around the best near the fourth hour.

Brokers attributed the upward reversal partly to quick turn purchases by speculative forces, who thought the list, after four consecutive declines, was due for at least a technical comeback. At the same time, business news was fairly favorable, and less attention apparently was given the still confusing foreign picture. Year-end tax selling remained a retarding influence, it was said, but this seemingly lacked the urgency of the past week or so.

Bonds, like stocks, did better after a hesitant get-away. Major commodities showed rising tendencies. Sterling and the French franc dipped in terms of the dollar, and European securities markets were spotty.

CAROLINA BUILDING SUPPLIERS TO MEET

Alex Watkins Vice-President Carolinas Group Coming To Raleigh

Alex S. Watkins will go to Raleigh tomorrow to attend the annual convention of the Carolina Lumber and Building Supply Association, of which he is second vice-president. It was largely through Mr. Watkins' efforts that the convention came to Raleigh for its session this year.

The Henderson builders' supply man has been active in the association for several years and at the convention a year ago he was elevated to the office of vice-president, which puts him in line to be named president a year hence.

It is expected that C. L. Finch, of the Vance Coal & Lumber Company, will also attend the convention from Henderson.

The gathering is the sixteenth annual convention of the association, which embraces the two states of North Carolina and South Carolina. The meeting, which will be held at the Sir Walter hotel, will open Thursday afternoon. Robin S. Kirby, of Charlotte, is president, and E. M. Garner is secretary, the general offices being in Charlotte.

Governor Hoey will welcome the convention at its opening session. All day tomorrow, starting at 10 a. m., open house will be held for a public showing of the manufacturers' exhibits. An invitation is extended to architects, contractors, public officials and the public in general to inspect these displays.

Home building will have a big place in the Friday morning program, and there will also be a discussion of the new wage and hour law. Afternoon will bring an address by A. O. Eberhart, former governor of Minnesota, at present special assistant to the Federal Housing administrator in Washington.

Many interesting and important discussions have been arranged for the building supply men, and a large attendance is anticipated.

RIGGAN IS CHARGED DRUNKEN DRIVING

Wreck on North William Street Damages Vehicles This Morning About 7:30 O'Clock

C. D. Riggan is charged with drunken driving as a result of a wreck this morning about 7:30 o'clock on North William street at the intersection of Harris drive.

A Packard coupe, said by officers to be the property of L. Woodsworth Moore, of Petersburg, Va., driven by Riggan, and a Brookside Dairy delivery truck were in collision, both vehicles being extensively damaged. Neither Riggan nor John Nelson, driver of the dairy delivery, was seriously hurt.

65 PLACEMENTS IN JOBS HERE SHOWN

Total Of 1,207 Given Work In Raleigh District As Whole

Fifty-six persons were furnished employment from the Henderson office of the North Carolina Employment Service in November, and in the Raleigh district as a whole, in which Henderson is located, the total was 1,207, according to an announcement here today from the employment service offices in Raleigh.

The Raleigh office placed 787 and the Durham office 364. Of the total, 649 were in private employment and 558 public placements, the statement said.

The active files for the nine counties of the Raleigh district area show 16,974 persons registered and actively using the facilities of the employment service to assist them in finding work. Applications from persons not previously registered with the service numbered 2,715. In the area of the Henderson office there were 680, Raleigh 1,184 and Durham 851.

A. H. Young, manager of the Raleigh office, said that the fact there were 16,974 persons registered, that did not mean there were that many totally unemployed. Nor does it mean that all unemployed persons in the

nine counties are registered with the service.
