'The Authority on Authorities'

PLAYING PROBABILITIES

ALL OBSERVANT players have learned that the holder of a weak hand is likely to make a short-suit lead against a no trump contract...

East. When East played the Q on the dummy's low card, that made it still more likely that East lacked any particular high honor...

South got into a No trump game contract on this deal by the fairly simple procedure of North's 1-Spade bid, his own 2-Clubs, North's 2-Spades, South's 2-No trump and North's 3-No trump.

After South's 1-Diamond, West's psychic double, North's redouble, and West's 2-Spades, how should the bidding go on this deal?

Mid-Sea Rescue of 18 Men

Battling against heavy seas, a lifeboat crew from British freighter New-foundland pulls hard toward the disabled sealer Ranger in the North Atlantic about 150 miles south of St. John's, N. F. They rescued 18 men. The captain and remaining 131 of crew kept the sealer afloat by bailing for two days while ship was towed to Trepassy, N. F., by the Imogene.
