

Golf Cups And Prizes Awarded To Tourney Winners

Dutch Treat Supper Ends Annual Event

Prizes and Cups Are Awarded to Various Winners; Motion Pictures of Scenes and Golfers Furnish Much Entertainment

A successful championship golf tournament at West End Country Club was brought to a close last night in a most successful manner, with about 125 golfers and their ladies present to enjoy a Dutch treat barbecue supper.

Threatening rain failed to dampen the spirit of enjoyment, and the program was carried out as planned.

Frank Legg, Jr., last year's champion, presented the championship cup to Tommy Jenkins. Jenkins presented the runner-up prize to J. H. Brodie and E. F. Shaw, chairman of the tournament committee, presented the other cups and prizes.

At the conclusion of the prize presentation, David Cooper and President J. W. Jenkins showed motion pictures of scenes and golfers on the course. The pictures were most entertaining, and many members of the club were included in the scenes.

The tournament was conducted under the direction of the tournament committee, E. F. Shaw, chairman, J. C. Cooper, R. F. Sprinkle, W. T. Smith and D. J. Cooper.

The supper was in charge of E. F. Shaw and J. C. Cooper.

Greystone At Pine Ridge On Saturday

Greystone journeys to Pine Ridge Saturday for a Tri-County league contest, and return to the home lot Sunday to meet Golden Belt of Durham in a benefit game for Russell "Skinner" Turner, shortstop, who is lost for the season, due to a broken leg.

The proceeds of the contest will go to Turner to aid in defraying the expense incurred by his injury. Turner, rather small youth, is quite popular with fans here, and a large crowd is expected to turn out to see the contest and aid the injured ball player.

BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys

If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention.

The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. Most people pass about 3 pints a day or about 3 pounds of waste.

Frequent or scanty passages with smarting and burning shows there may be something wrong with your kidneys or bladder.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait. Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.
