SWEET POTATO CROP IN NASH INCREASES

Rocky Mount, June 17.- Present indications point to a 10 per cent increase in the Nash county sweet potato acreage this year, says H. E. Alphin, farm agent of the State College Extension Service.

A large number of growers are planting potatoes in accordance with regulations set up by the recently organized Nash Mutual Sweet Potato

Agent Alphin also said 14 growers plan to have their potatoes certified through the North Carolina Crop Improvement Association.
