

Tyler Will Probe Fatal Clubbing Of Dunn In Jail

Solicitor Promises Full Investigation and Punishment if There Has Been A Crime Committed; Thorne Incompetent to Stand Trial

Solicitor E. R. Tyler, of this district who is prosecuting the June criminal term of Vance Superior Court, stated today that he has launched a full and complete investigation into the death of Leonard Dunn, who was fatally clubbed in Vance county jail several weeks ago.

Pusey Thorne, who was held to be insane by the court yesterday, and not competent to stand trial, is charged with the crime.

Dunn was locked in the same section of jail with Thorne, after he had been removed from Scott Parker

Sanatorium, where he was found wandering about the premises nude about 2 o'clock in the morning. Dunn was found unconscious and badly beaten by Jailor E. W. Ellis when he brought breakfast to Dunn. Dunn died at Maria Parham hospital about 10 o'clock in the morning, never regaining consciousness.

In making his statement, Solicitor Tyler vowed he would "bring the guilty parties to accountability, if a crime had been committed."

Thorne was being held in jail for safe keeping, awaiting his transfer to the State hospital, Raleigh. Hospital authorities had advised there was no room. Thorne was taken to the Raleigh hospital, after a court order had been obtained by relatives for his removal there.

A coroner's jury selected by Coroner A. P. Paschall, held that Dunn came to his death at the hands of Pusey Thorne.

D. P. McDuffee, local attorney, has intimated that Dunn's family will institute suit as result of his death, but who will be sued was not learned
