

Highs Play Fuquay Springs With JV's Playing At Home

The Junior Varsity gridders staged a short scrimmage yesterday afternoon against the varsity of Henderson high with the Bulldogs rolling up a 14 to 0 score during the short session against the smaller team. The JV's took the hard work in their stride as they prepped for their important game here Friday afternoon with Roanoke Rapids. The contest begins at 3:30 o'clock, and there will be no admission.

While the JV's are playing here, the varsity eleven will be in Fuquay Springs meeting a tough eleven. There was some question today whether Paul Blake, stella quarterback, and Jerry Faulkner, halfback, would be able to play. Both are on the injured list.

On the junior varsity, I. J. Moore, crack back, has pulled up with a bad ankle after yesterday's workout, and is likely not to see much action Friday.

Coach Fred Kilpatrick will take the varsity eleven to Fuquay Springs

Panthers To Play Raleigh

The Henderson Institute Panther eleven goes against the Washington High "Little Blues" in Raleigh Friday afternoon.

Tomorrow's contest will renew a long rivalry between the schools, and will be a conference game.

Coaches Brown and Mayes have been handing out new plays and drilling in blocking at the Panther camp during the week.

Hamilton Jones, veteran tackle, is out with an injured knee, Frank Williams, back, was on the sick list yesterday, and Co-Captain Arthur Williams is out with a shoulder injury.

The remainder of the squad is in top shape, and the Panthers are pointing to their second conference win, the first being a 7 to 0 victory over Chapel Hill here last Friday, the game marking the dedication ceremonies at the athletic field, the playing field being named "Cotton Stadium" in honor of Prof. J. A. Cotton, who for 33 years has been the directing head of the local colored school.

Deacons Are Determined To Win Saturday

Wake Forest, Oct. 19.—Fired with the incentive of going into their Duke game next week with out one defeat against them, and the likelihood of the Devils having the same record, Wake Forest's Demon Deacons will be giving their highest all against an inspired Western Maryland eleven here on Gore Field Saturday night.

The kick-off is scheduled for 8 o'clock and the game will mark the end and climax of Wake Forest's homecoming day.

Besides the fact that Saturday is homecoming here at the Baptist institution, and that a victory over the Green Terrors would push their seasonal record even with Duke's, probably the real reason Coach Peabody Walker's boys will be doing their dead-level best to come out on top this week is to avenge the humiliating 20-13 defeat handed them last year by the Terrors.

To members of the Deacon squad, never has a loss been more discouraging than that suffered at the hands of the Marylanders in 1938, even including the 36-6 triumph by the Tar Heels three weeks ago.

Press notices had blown Wake Forest stock to the skies and the writers in Baltimore weren't questioning the outcome—Wake Forest was sure to win—but what bothered them was how many points the Deacons would score in 60 minutes.

But after it was all over and the dust cleared from the field, the score board was chalked up 20-13 in favor of the Terrors.

Advance notices this week are again placing Wake Forest in a highly favored role, and judging from the games already played by the two teams to date, rightfully so. But you can wager your bottom dollar that Captain Pate and Deacon company will be an entirely different outfit (although the faces are practically the same) this Saturday night from the one that lost to Western Maryland last year.

It's true the Deacons are supposed to win, but it's not going to be as easy as a lot of people want to believe.

Coach Charlie Havens of the Terror eleven will show to the Deacons just about the classiest passer they'll oppose this year in quarterback Eddie Elder. And they say

Here They Come—Duke's Flankmen

Duke university boasts of four of the finest ends in football, shown above charging, and they're all home-grown products. Left to right are Jim Marion, of Mt. Airy; Bill Bailey, of Lexington; Leonard Darnell, of Winston-Salem; and Bolo Perdue, of Thomasville. Perdue is the lad who blocked the Pitt punt last year to give the Blue Devils their undefeated, untied, unscored on regular season record last year. Darnell, Bailey and

Marion were all outstanding in 1938 and have been going great this year. Darnell was particularly outstanding in last week's game at Pittsburgh. Duke followers are looking for fine play from this foursome when the Blue Devils go against Syracuse in Duke stadium Saturday in Duke's big Homecoming Day special.

A. & P. Celebrates 80th Anniversary

Celebrating its 80th birthday, the Great Atlantic & Pacific Tea Company announced today a special anniversary this week in all its stores and super-markets in this area. Particularly attractive prices on all items have been arranged for the celebration period, the company said.

Pioneer in modern methods of mass distribution, the A & P has been the leader in developing Twentieth Century techniques for distributing quality food at low prices. From the birth of the organization just before the Civil War, its main objective has been to reduce consumer costs by eliminating unnecessary steps in distribution.

The A & P chain was established in 1859, when George Huntington Hartford, a tall bearded young man from Maine, opened the doors of his first red-fronted store in Vesey street in New York city. Today the stores are familiar sights throughout the country and play an important part in the daily lives of millions of farmers, producers and consumers.

Based on a policy of cutting operating costs and passing the savings to the consumer, the first store enjoyed an immediate success. At that time tea was selling for \$1 per pound, but young Hartford purchased the entire cargo of one ship and cut the price to 30 cents a pound.

Adherence to the policy of economy, developed by the elimination of all in-between costs, stimulated public demand for additional stores which were opened in steadily increasing numbers. In the first ten years Hartford opened ten stores and by 1874 he was operating 25 units. Today the first red-front store of Hartford's has grown into the Great Atlantic & Pacific Tea Company, operating thousands of units in 39 states and the District of Columbia.

North Carolina's farm income of \$73,580,000 for the first eight months of 1939 represented a decrease of \$3,000,000 under the income for the same period last year.

Russia wants peace, says an editorial. Maybe so, but all those small country diplois rushing to and from Moscow aren't tourists.

Possesses Amazing Record

Durham, Oct. 18.—When Duke's George McAfee trots out on Duke stadium turf Saturday afternoon to face the Orange of Syracuse in Duke's Homecoming special, he'll be carrying with him probably the greatest all-around individual backfield record for three games that there is in the nation.

War's Toll Of Shipping 79 Vessels

(Continued From Page One)

300 survivors of the Yorkshire and the City of Mandalay, picked up by the American steamship Independence Hall.

France has lost at least six ships in the battle for sea supremacy, Germany nine and neutral nations 24, of which 17 belong to Scandinavian countries.

The revised announcement of the British Admiralty that 310 officers and men went down with the battleship Royal Oak, biggest submarine casualty, increased the number of known dead in sea warfare to 1,618.

CELEBRATING OUR 80th ANNIVERSARY 1859-1939

For eighty years A&P has adhered to the principle on which it was founded—the belief that fine food need not be expensive. Still faithful to this policy, we invite you to join us this week in the celebration of A&P's 80th Anniversary.—Hosts of BIG VALUES await you!
