The liver should pour out two pints of
liquid bile into your bowels daily. If this
bile is not flowing freely, your food may
not digest. It may just decay in the bowels.
Gas bloats up your stomach. You get constipated. You feel sour, sunk and the world
looks punk.

It takes those good, c'd Carter's Little
Liver Pills to get these two pints of bile
flowing freely to make you feel "up and
up." Amazing in making bile flow freely.

Does Relief Work

The members of the sunior Rec Cross chapter of the Henderson high school are actively engaged in sew-ing and knitting for the European relief, it is said by those in charge of the group. They are said to be badly in need of materials with which to sew and money with which which to see and money with which to buy the regulation yarn for knitting. As the United States is not engaged in war no materials are furnished, and the Red Cross is entirely dependent upon its own re-

ources and private contributions.

Anyone wishing to help these young people who are anxious to do their bit for the unfortunate peoble may send their contributions to Mrs. Laurence D. Wall, Junior Red Mrs. Laurence D.
