

Golfers Meet Oxford Team On Wednesday

West End Country Club golfers will get their first taste of inter-club competition Wednesday afternoon at 2 o'clock when the linksmen play hosts to Oxford golfers.

Several inter-city matches are being made by the tournament committee, the schedule of which is to be announced later.

Golfers were also reminded to turn in representative scores in order that handicaps may be set for a handicap tournament that is to be run off at the course in the next few weeks.

Girl Netters Top Louisburg

The newly organized girls' tennis team of Henderson high school won their first match yesterday afternoon from Louisburg high school, by a score of 5-1.

All games of the match were closely contested and showed skill on the part of the players from both schools. Four single matches and two doubles were played, with the Henderson team winning both doubles and three of the singles.

In the singles department, Molly Bugg Ellis dropped two straight sets to the Louisburg leader, Elizabeth Harris, 6-4. Hazel Finch defeated Jane Murphy 6-4, 2-6, 7-5 in the closest match of the afternoon. Rosalie Watson drew the long end of the score on two hard-fought sets from Betsy Cobb, 11-9 and 6-4. Anne Stambaugh won easily from Virginia Spivey, 6-1, 6-2 displaying a fine brand of tennis.

Miss Finch and Miss Ellis teamed to defeat Miss Murphy and Miss Frances Ann Clark in straight sets, 7-5, 6-4 after leading in the first set 5-2 with set point being played three times. The two girls rallied to win 7-5.

In the other doubles match Frances Pulston and Anne Stambaugh overcame a first set loss to defeat Elizabeth Harris and Jane Southwick 4-6, 6-0, 6-4.

The Louisburg team will play Henderson again next Monday on the local courts. The Henderson team is managed by Miss Elizabeth Parham and sponsored by Robert B. Harrison of the high school faculty.

Carolina Nine Swings North

Chapel Hill, April 23.—The University of North Carolina's varsity baseball team will invade Virginia and Maryland this week on its three-day trip into these states.

The Tar Heels will open the tour by playing the University of Virginia, traditional rival, at Charlottesville Thursday. Maryland will be met at College Park Friday and Navy will be opposed in the concluding game at Annapolis Saturday.

The trip will be the first of two out-of-state appearances for the Tar Heels this season. On May 10 and 11 they will make a trip into South Carolina for games with Furman and Clemson.

To date Carolina has five victories against three defeats. The Tar Heels hold victories over Maryland 8-7, Michigan 15-12, Washington and Lee 18-1, V. M. I. 14-2, and Davidson 7-1. Losses have come at the expense of Pennsylvania 9-8, Harvard 6-5, and Cornell 12-6.

Why movie theatre managers go mad. The little country of Luxembourg has decreed that no more than three persons can assemble together in a public place.

Steps Taken To Form Loop In Roxboro

Four clubs posted forfeits, it is said, at a meeting in Roxboro last night for the formation of a baseball league that will include the Greystone Rockies. Another meeting is scheduled for next Monday evening in Clarksville, Va., at which time final steps will be taken for the formation of the circuit, including the election of a president of the circuit.

Representatives were present at last night's session from Ca-Vel, Longhurst, both in the Roxboro vicinity, Greystone, Clarksville, South Hill, Golden Belt of Durham, and Petersburg Va.

The loop will likely be a six club affair, it is said.

J. D. Lane, Bill Branch and Bill Fuquay represented the Rockies at the initial meeting.

Blue Devils Meet State

Durham, April 23.—A pair of important collegiate events will be staged here tomorrow, the Duke university baseball team continuing in Big Five and Southern conference competition by going against N. C. State and the Blue Devil golfers crossing with North Carolina's unbeaten shot-makers.

The baseball game will start in Duke park at 4:30, the golf match at the Hillandale course at 1:30 o'clock.

After having seen their batting averages take a sudden toboggan when they were held to four hits by Tommy Byrne of Wake Forest recently, the Blue Devils pulled them back up again by blasting out 28 safe hits in their 24-2 win over Davidson.

Eddie Shokes, classy first-sacker, tops the hitters with a mark of .442, just 10 points better than George Byam, sophomore shortstop. Byam missed the game with Davidson when he was taken to Duke hospital for an appendicitis examination and he may not be able to play tomorrow.

In the "400 class" also are Captain Crash Davis, second sacker, George McAfee, centerfielder, and Pitcher Bill McCahan. McCahan is hitting .429, McAfee .425 and Davis .419.

Top hitter of them all is Bob (Line Drive) Weaver sophomore southpaw pitcher, who has hit safely five times in seven trips to the plate for a mark of .714.

McCAHAN with four victories to his credit against no losses is the leading hurler. He has been the most impressive of all Duke hurlers this season.

Coach Dumpy Hagler is still having his golf troubles. After having lost veteran Bobby Brownell before the season opened due to a broken leg, it now comes that Joe Taylor, another veteran and Southern Intercollegiate champ last season, will be unable to play any more this season due to ill health.

The Duke lineup for the golf match: Skip Alexander, Chuck Alexander, Tom Perry, Henry Russell.

Carolina's lineup will be chosen from the following: Neil Herring, Rodney Snow, Hudson Boyd, Charles Diffendall, John Diffendall and Albert Carr.

Duke's tennis team will continue its northern tour tomorrow against Navy at Annapolis. They were to meet Maryland today.

Held in Extortion

George Scalise, president of the Building Service Workers Union, appears cheerful following his arraignment in New York on charges of extorting funds from hotel and apartment house owners. He was held in \$40,000 bail. Warrant for his arrest was signed by District Attorney Thomas E. Dewey.

Strawberry Auctions Open Soon In State

Daily Dispatch Bureau.
In the Sir Walter Hotel.
Raleigh, April 23.—Auctioneers who work mostly by sign language, in sharp contrast to the loud-charting sellers of tobacco, will begin sale of North Carolina's strawberry crop within a very few days.

Some of the markets are likely to open late this week, with the others opening next. Harry T. Wescott, marketing specialist of the State Department of Agriculture, said today.

There are markets at Chadbourn, Tabor City, Burgaw, Wallace, Rose Hill and Mount Olive. The Wallace mart advertises itself as the largest in the world.

Commissioner of Agriculture Kerr Scott has assigned 45 inspectors, under supervision of the market's division, to the auction sheds to certify and inspect berries as to grade.

Last year's crop brought farmers approximately \$1,316,000 as the berries averaged \$2.60 per crate.

This year's crop is much shorter as to acreage, but increased yield per acre is expected to make up for much of the reduction. Last year's acreage was approximately 7,900, with this year's about 2,000 acres less. Last year's yield was 506,000 crates, Commissioner Scott estimates that this year's crop will reach 502,000 crates, only a fraction of one per cent off from 1939.

Commissioner Scott stressed the value of the inspection service begun by the Department last year.

"An important feature of this season will be continuation of the program to assist farmers in better packing and handling methods," he said. "Inspectors will devote a part of their time to assisting growers in modern marketing procedure in an effort to bring them maximum prices for their crops."

Cooper Said To Have Eyes On Washington

Daily Dispatch Bureau.
In the Sir Walter Hotel.
Raleigh, April 23.—Some seasoned observers hereabout have begun to explain the comparative mildness of Tom Cooper's campaign on the theory that he has senatorial aspirations and is running against Josiah W. Bailey harder than against his six average rivals in the current gubernatorial sweepstakes.

The Wilmington mayor hasn't said so—in fact he would doubtless deny it in no uncertain terms and probably with at least average sincerity for a politician.

JONES COUNTY GIRL HEADS COLLEGE 4-H

College Station, Raleigh, April 23.—Dorothy Banks, a student at the Woman's College in Greensboro, has been elected president of the Interstate 4-H Collegiate Club, Miss Frances MacGregor, assistant 3-H Club leader at State College, said today.

A club member in Jones county for six years before entering college, Miss Banks did project work in clothing, foods and nutrition, food conservation, room improvement, and wildlife conservation. In addition, she participated actively in her club activities.

MANY INVALIDED IN AMERICA EVERY DAY

Enough persons are invalided today and on any average day in the year in the United States to make a city 786 times larger than Henderson, according to E. A. Latta, of the Mutual Benefit Health & Accident Association. E. A. Latta is one of the active participants in the sixth Annual Accident and Health Insurance Week observance to be held nationally April 22-27.

"Estimates that have been made by the United States Public Health Service," according to Mr. Latta, "are that 5,000,000 persons are invalided on any average day by sickness.

Numerous surveys into the matter of accidents place those invalided by injuries on any average day at 500,000.

Theme of this year's Accident and Health Insurance Week campaign, said Mr. Latta today, will be to emphasize the need for personal income protection for wage earners. "The United States Public Health Service has put the cost of accidents for every man, woman and child," said Mr. Latta, "the cost of the American's own health and that of his family, at a figure of more than \$6,500,000,000 a year, or more than \$2,000,000,000 a day, in lost wages."
