Draft Regulations Expected

Will Defer Men Having Dependents

Regulations Coverning Classification and Training Awaiting the President's Approval; Automatic Deferment Included.

Wachington, Oct 5,-(AP)-President Roosevelt is concered within a few days to order automatic deferment from compulsory military corvice of all men who have dependents. Much-revised regulations govern-ing classification and training under the draft law now are awaiting the President's approval and they provide that conscripts claiming apparently valid reasons for deferment shall be placed in a deferred class

virtually without question.

It was explained this procedure was decided upon to give local selec-Explosion was decided upon to give service boards full leeway under the draft law's definition of depen-dency, which members of the selec-Three Buildings of tive service committee have criticised as "entirely too strict."

That definition, strictly construed

would require that to be deferred because of dependents a man would have to show that his earned income was essential to them. Officials contended that they could foresee many cases in which the definition, if not interpreted liberally, would work un-due hardships.

Under men with dependents would be placformed of men available for imme-"It looks very much like sabatoge diate service and Class two consisting "The New Deal already has our because the fire spread so quickly." of those in essential employment.

"Because we expect to get all the men the Army will require from is very likely that none of those in Class three will ever be called."

Axis Ready To Drive On All Fronts

German Channel and North Sea Forces Reported to Have Completed Last - Minute Preparations for Invasion.

Bern, Switzerland. Oct. 5 .-(AP)--Neutral as well as Brit-ish sources tonight placed mounting credence in what at first seemed to be axis-inspired reports that German channel and North sea forces have completed last-minute preparations for invasion of Britain and await only the word "go."

Similar reports from the Mediterranean indicated that Italian forces were all set for a land drive toward Alexandria and Suez and down the Nile valley from Ethiopia.

At the same time, Spain was said to be ready for a try to snatch

Algeeiras, Spain, Oct. 5.—(AP) —2.000 British troops of all branches were reported landed today to strengthen the garrison of Gibraltar. Britain's great fortress rock at the western end of the Mediterranean.

Gibraltar with air and sea aid from Italy and land aid from Germany, despite axis assertions that Spain is emaining non-belligerent.

Travelers from Italy brought reports that German army engineers and specialists and even some German troops had been moving steadily through the Brenner Pass into Italy and across the Mediterranean to Libya, to buttress Italian African

Others were reported to have flown to Italian positions on the upper Nile in Ethiopia.

Travelers from Germany brought the report that 590 Italian planes and 3,000 Italian fliers, navigators and air gunners now are in German-oc-cupied France and the low countries to help in an attempted invasion of
