

SOCIETY NEWS

MIDSEASON.

The Great Bear paces slowly round the Pole. And night by night sinks lower in the sky. His crystal feet mark off the drowsy hours. Unheard, unchallenged, padding softly by.

Bootes, driver of the Bear, descends in bright pursuit along his destined way. Patiently, the chaser leads toward the west. Nearer to the horizon every day.

Strange comfort, this, as now the hunter falls. From sight until the brumal rule shall wane. The hunted turns in soundless constancy. And starts to climb the frozen dark again.

YOUNG STYLE FOR DAY OR NIGHT

Marian Martin PATTERN 9594

You'll take the spotlight at any gala daytime or nighttime occasion in this captivating frock. It's Pattern 9594, and especially designed by Marian Martin for a popular girl. The back is very simple; the front displays two long, streamlining panels and a heart-shaped yoke-line. The gathers through the shoulders are a new fashion note; so is the contrast suggested for yokes and panels. See how nicely the puffed sleeves are tucked for smooth fit to your arms. A belt comes from the panels to tie in front or in back. You might use crisp whiffs of lace at the neck and the sleeves. Make one dress in street length for afternoon affairs; another with a long swirling skirt for that important prom date!

Pattern 9594 may be ordered only in junior miss sizes 11, 12, 13, 14, 15, 16, 17 and 18. Size 14, short length dress, requires 3 1/8 yards 39 inch fabric.

Send FIFTEEN CENTS in coins to this MARIAN MARTIN pattern. Be sure to write plainly your SIZE, NAME, ADDRESS, and STYLE NUMBER.
