Germans' Weekly Meat Rations Cut

Berlin, May 15 .- (At) -- A 20 percent reduction in Germany's weekly meat ration, effective June 2, was announced today by the food distribution oureau.

Under the new decree the normal ration will be ent from 500 grams (one pound) a person to 400 grams weekly. Workers, whose rations will be correspondingly reduced, will be allowed 800 to 1,000 grams a week according to their type of labor.

A spokesman said the new quotas would continue through the summer "because Germans cat less meat in the summer and besides they have more vege-Butter rations, the spokesman

said, will be increased but allotments of other rats will be cut so that the fat allowance on the whole will remain unchanged. He boasted that Germany now is producing 700,000 tons of but-ter annually, or twice the amount churned before 1933 and only 50,000 tons less than the United States.
