Aluminum Drive Nets 1,885 Pounds

A total of 1,885 pounds of aluminum, contributed from the kitchens. scrap piles and widely-assorted sources of Henderson and Vance county, was hauled away today from the big wire bin opposite the fire station to go into the nation-wide accumulation of this metal for national defense purposes, it was announced by E. H. Dixon, chairman of the county drive.

Trucks of the State Highway department carried the metal to the state highway garage on the Cary road at Raleigh, which is serving as a concentration point for several counties. Theodore S. Johnson of Ra-leigh, state director of civilian defense, will be in charge of final disposition of the metal collected in the state.

Mr. Dixon today expressed appreviation of the cooperation of organizations and individuals who aided in the drive, both in Henderson and in the county, and said that all members of the committee are very much pleased at the response which resulted in contribution of such a quantity of aluminum.

J. C. FAULKNER ON **VA. POLICE FORCE**

Julian C. Faulkner, who moved to Newport News, Va., over a year igo, has been made a member of he police force of Warwick county, Va., in which Newport News ituated, it was learned here today Mr. Faulkner is a former resident of Henderson.

Is Flying Instructor.

Pilot A. Glenn Lancaster, having received his wings in the Royal Canadian Air Force, has been post-ed to Trenton, Ontario, as an instructor on twin engine aircrafts Lancaster will be flying the twinengine Oxford, Aero-Anson, and also the American-built twin engine Lockheed bomber. He will also be flying single engine aircraft such as the Spitfire, Hurricane, and the North American Harvard.
