

High School Grid Candidates Report Friday Morning

Coach Robert Broome Is North Henderson, Rose Here And Ready To Work Win In Series Play-Off

Backfield Replacements to Be Main Worry While Line Candidates Promise Strong Forward Wall; Much Expected of Reserves.

Robert W. Broome, new athletic coach and director of physical education at Henderson high school, has arrived in the city and today issued his first call for gridiron aspirants to appear at the school Friday morning at 9 o'clock.

By one, whose home is in Marion, played football four years at Appalachian State Teachers college, at Broome, and participated in basketball there, also. He is a soft spoken, slow talking mountaineer, and is 24 years of age. When queried about his draft number, Coach Broome believed he is here for the year, at least.

Henderson will be about as strong in the line this year as last, preparation does have it—there's that big thing which pester all football coaches—last year's regulars return along with several capable reserves. Among the candidates expected back for the line are Howard Faulkner, Davada Loughlin,

Blois Grissom, Stewart, Howard Simpson and Carlos Mills.

Sideline coaching have been gazing at backfield prospects, and noting this the toughest job for the new mentor.

Graduation took Co-Captain Paul Blake, a triple threat, Jerry Faulkner, a good pass receiver and a hard runner, and Guy Slaughter, a fast, shifty man, who did most of the kicking, Billy Allen and Robert Carter head the returning backs.

Phaxton McGhee, a big boy who has the ability to play, but was out much of last season, may be cast to lend his pile driving ability to the backfield. Several reserves from last year's outfit have put on weight during the year's lay-off, and will be in there fighting for a first string berth. Channing Way, a short, but pretty lad, who did not see so much action last year, due to a late start, is going to give someone some trouble over a line berth. He has the power and the build to make a forward wall stalwart.

The lads have been looking forward to the grid call, and expect to turn out in full number to see Coach Broome, pending the Friday.

Textiles' 16-7 Victory Puts Hosiery Mill Out; Western Auto and Rose Play Again Tonight.

North Henderson put the Hosiery Mill out of the City League softball play-off by winning the second game of a three game series, 16 to 7, Wednesday night, giving the Textiles a clean sweep of the series with the Knitters, and in the meantime, Rose scored a 4 to 3 victory over Western Auto in the first game of a series between these clubs.

North Henderson's victory gives that team a place in the finals. The Hosiery Mill staged a five run scoring spree to pull on the short side of an 8-7 score in the fifth inning, but the Textiles ran rampant in the sixth, scoring eight runs. The Knitters turned in 12 errors, eight of them being charged against outfielders.

Western Auto was enjoying a 3 to 2 lead in the first of the sixth when Bill Scoggins leaved one from short-stop far away from Cleve Moore at first base, allowing two Rose runners to tickle over the plate.

John Church pitched for the Auto boys, replacing their ace, Archie Boyd, who has a badly injured ankle. Rose turned in five errors, three of them being charged against Skinner Turner at short.

Western Auto and Rose meet again tonight.

SILK INDUSTRY MAY MOVE TO CAROLINAS

Columbia, S. C.—It might be possible to reestablish the silk industry in South Carolina, thinks J. Roy Jones, state agricultural commissioner, who recalls that the industry flourished in the Palmetto state's low country more than two centuries, and was then submerged by other enterprises and forgotten.

Handreds of mulberry trees, upon which silkworms subsist almost entirely, were planted in the state immediately after the Revolutionary war and silkworms were raised and silk produced in many parts of the state. Mulberry trees of the type silkworms feed upon are well adapted to South Carolina soil, Mr. Jones said.
