

Henderson Splits Games With Hillsboro Cagers

Girls Are Pushed to Gain 16 to 12 Victory; Boys Forced Out of District Play by 26 to 16 Loss.

The basketball teams of Henderson high school split a doubleheader Friday night in Hillsboro, the girls coming from behind to win 16 to 12, while the boys were defeated 26 to 16 and forced out of the Class B district play.

The victory was the 67th consecutive win for the local lasses, but the victory did not come until the Blue and White had been given a very good scare. The half ended with the score 7 to 10 in favor of Hillsboro.

Men's Wear Frill-less For Duration

Washington, Jan. 31.—(AP)—The victory suit is definitely in, but an unsettled controversy is: Should it have two pairs of pants?

R. R. Guthrie, head of the war production board's clothing section, said today WPB shortly issued an order to clothing makers to accept frill-less male attire. It has been held up while WPB figures out a design which would not render present clothing obsolete, while accomplishing the aim of saving wool.

WPB fears that if the victory suit outmodes the clothes now in fabric stores and on masculine backs, it would mean a loss of wool. The wool which would not render present clothing obsolete, while accomplishing the aim of saving wool.

Causeway To Mainland Destroyed

...of a mainland water reservoir serving the island of Singapore.

There seemed little immediate danger, however, that Singapore, like Hongkong, would be forced to surrender because of a water shortage. With dense, water-catching jungle blanketing the north-west section of the island, Singapore has two big impounding reservoirs as well as hidden underground supplies.

The question of reinforcements for the beleaguered island colony was obscured by military secrecy. Prime Minister Churchill disclosed on Thursday that fresh troops and war supplies had already arrived in Malaya, with others en route, and London and San Francisco reports said that a large allied convoy "carrying troops, planes and war supplies to Singapore" had escaped attack by 40 Japanese planes when a violent rainstorm broke over the ships.

...time of the incident was not given.

British headquarters said the Japanese made little effort to interfere with the overnight withdrawal to Singapore island.

Simultaneously Japan struck a new barb into the fabulous Indies as seaborne Japanese troops landed on Ambona island, site of a big Dutch naval base. A furious battle was reported in progress.

Ambona lies midway between Celebes island and New Guinea, only 635 miles north of Darwin, Australia, and 775 miles south of Mindanao island in the Philippines.

STOCKS FAIL TO RECOVER

New York, Jan. 31.—(AP)—The stock market today put up a fair show of resistance to slightly pessimistic war news but most leaders were unable to get out on the recovery side.

Encouraging to those with bullish leanings was the lack of any real liquidating pressure. The ticker tape lost a throughout and transfers of about 200,000 shares were among the low aggregates since last fall.
