WE ARE AT WAR—UNITE FOR VICTORY

OUR DUTY IS PLAIN

The path of our duty lies in keeping faith that the cause we fight is a just one and that we will be victorious. Back of that faith is the courage that will make victory inevitable. Our duty lies in bolstering up that courage so that it remains high even through set backs. We must believe in our leadership, in the strength of our armed forces, in production efforts of business. If we do our duty of believing unflinchingly, we cannot be anything but successful.
